Subject: Application for permission to appear to 9th semester (regular) and 7th semester (supplementary) examination.

Respected Sir,

With due respect I would like to state that I am Inamur Rahaman, student of Physics department in your respective institute. I would like to inform you that I was absent in the 7th semester examination of 5 years integrated B.Sc-M.Sc in Physics program. The reason behind my absence is my serious illness. On that time I was suffering from high fever (COVID like symptoms) and other problems regarding health. I was admitted in a nursing home. My situation was not that good enough so that I could not attend those exams. But I have passed the 8th semester examination.

Therefore, I would be very thankful to you if you kindly understand my problem and grant me permission to sit in the coming 9th semester regular examination and 7th semester supplementary examination.

Your kind consideration

As he was admitted with COVID like symptoms during 7th semester exam and he was admitted in nursing home (due to high fever) which he was not able to attend the exam. So, your application may be considered sympathetically.
