

## Achievement of Students of Electrical Engineering Department

Aliah University successfully organized its Sports Fest, commencing on March 14, 2023, and culminating with the grand closing ceremony held on July 22, 2023. The event showcased various sports competitions, including cricket, football, and badminton. In the intra-college badminton group event, the girls from the Electrical Engineering department emerged victorious, claiming the Champion's Trophy and enhancing the department's reputation. The names of the talented individuals who secured this prestigious honor are as follows:

- (i) **Wasiqa Neyaz**, B. Tech (2020-24)
- (ii) **Sheemron Sultana**, B. Tech (2021-25)
- (iii) **Namira Saba**, B. Tech (2021-25)
- (iv) **Afsheen Fatima**, B. Tech (2022-26)

The entire Electrical Engineering department takes immense pride in their remarkable achievement. Heartfelt congratulations are extended to these outstanding students, accompanied by best wishes for their future endeavors.
