4. Please note that resources not covered in the publishers' list will not be accessible. The system will prompt you with a message as shown in the textbox below.

The screenshot shows a ScienceDirect article page for the journal *Blood*. The article title is "Current and upcoming treatment approaches to common subtypes of PTCL (PTCL, NOS; ALCL; and TFHs)". The authors listed are Alison J. Moskowitz, Robert N. Stuver, and Steven M. Horwitz. The page displays a navigation menu on the left, a main article preview, and a right sidebar with recommended articles and article metrics. A red dashed box in the browser's address bar highlights the text "DO NOT HAVE ACCESS". A red arrow points from this text to a red-bordered notification box that reads "Alijah University does not subscribe to this content on ScienceDirect." The notification box is located below the browser's address bar and above the article content.

5. Kindly note that only e-journals listed on the homepage under publishers are accessible via this ONOS portal. If you are unable to access specific content, please report the issue by sharing the complete details of the article/journal you are trying to access, along with a screenshot of the problem and your credentials, including your name, department, email ID, contact details, and enrollment number (for research scholars/students).
6. There are a few publishers whose integration is still in progress, and their content may not be available at the moment. Once the integration is complete, you will be able to access their content. The status of these publishers is listed below.
