Date: 09-June-2026

Notice for Honours Course

(Autumn 2026)

All the students of this department, who have taken admission in session 2025-26 (that is, currently 1st year students), are hereby notified that they can opt for 'Honours' course in addition to their regular B. Tech. course. The following are the significant points regarding the same:

1. A student has to accumulate a minimum of 18 credits to be eligible for getting the degree with Honours. All of these credits have to be obtained through online NPTEL courses offered by 'SWAYAM' portal of Ministry of Education (Govt. of India).
2. The courses with duration of 4, 8 & 12 weeks will be considered for 1, 2 & 3 credits respectively.
3. A student can opt for a maximum of two (2) courses per semester.
4. Interested students have to collect the relevant form, issued by the CoE section, from the department at the beginning of each semester (SWAYAM system of semester to be followed). The filled-up forms have to be submitted to the department coordinator.
5. A student has to choose course(s) for each semester in consultation with the department coordinator.
6. The progress of the course(s) has to be regularly reported to the department coordinator.
7. After successful completion of a course, the student will submit admit card and e-certificate to the department. The certificates, after authentication from the department, will be forwarded to the CoE section, for further processes.
8. The enrolment process in the SWAYAM portal has already started for this semester (last date 27/07/2026).
9. For any further guidance, please meet the department coordinator.

Dr. Sharmistha Mandal
Head, Department of Electrical Engineering
Aliah University
