

“MBA After engineering As A Career”

16th January 2023

On 16th January 2023 the department of Electrical and Mechanical Engineering jointly organized a career guidance seminar on the topic **“MBA After Engineering As A Career”** at the 3rd floor seminar room.

The program started by the welcome address delivered by Mr. Pallav Dutta, assistant professor and coordinator of the program. Mr. Soumya Basu, chief mentor of IMS Kolkata delivered his speech in that event. Nearly 60 students from Electrical and Mechanical Engineering department attended the program.

Mr. Basu intimate the students about the future in MBA. He explained the procedure for MBA admission in different Business schools. Also, the preparations required for the students for getting better opportunity in MBA studied are also described by Mr. Basu. The students took active participation in the program and clarify their queries and doubts in the question answer session. The program ended with the vote of thanks given by the Dr. Shamim Haidar, HoD of Mechanical Engineering department.

The department sincerely acknowledges the continuous support provided by the University Authority in successful completion of the workshop.
