## BRIEF ABOUT THE SEMINAR

The program was jointly coordinated by Mr. Pallav Dutta and Dr. Shahanwaz Khan, assistant professor of Electrical and Mechanical Engineering Department respectively. Mr. Soumya Basu, Chief Mentor of IMS Kolkata, delivered speech on this seminar. He enlightened the students how they can transit from engineering to management. How a strategic move can propel their career to a new height. Students were guided how they can become a leader, an innovator, and a problem solver who can drive success in today's dynamic and competitive world. Nearly 70 numbers of students from different engineering branches attended the program.

The department sincerely acknowledges the continuous support provided by the University Authority in successful completion of the workshop.
