

Aliah University

AUAT-2022 Information Brochure

(Aliah University is an autonomous institution under the Department of Minority Affairs and Madrasah Education, Govt. of West Bengal.)

FROM THE DESK OF HON'BLE VICE-CHANCELLOR

Aliah University is a State University, which came into existence through West Bengal Act XXVII of 2007, also known as The Aliah University Act, 2007 passed by the West Bengal Legislative Assembly. The Act came into force on 5 April 2008. Aliah University was upgraded from the Calcutta Madrasah College (erstwhile Madrasah Aliah). The Aliah University has approvals from statutory bodies like UGC, AICTE, NCTE, INC and WBNC.

The University has 3 Campuses and offers 23 academic departments which offer 49 academic programmes. The present intake capacity is 1090 students at the postgraduate level and 1480 students at the undergraduate level. The University has already introduced the Choice Based Credit System (CBCS) to the undergraduate and postgraduate programmes. Research programmes in various disciplines are also being pursued actively and there is immense scope for progress in the near future. Apart from offering various academic programmes in Science, Engineering, Language, Social Sciences, Law, Nursing, B.Ed, we also offer Value Added Courses (VACs) to enhance the employability of our students.

Apart from the regular process of teaching, learning and research, Aliah University, aims to instill the dynamism of its glorious heritage of the past among all its students and scholars, so that they can successfully cope with the critical needs and challenges of the present and contribute to the future advancement of science, technology, and human civilization.

In 2021 an Institute's Innovation Council (IIC), as well as Innovation Centre, was setup to promote innovation, entrepreneurship, start-up and incubation at Aliah University. The primary aim is to boost local home-bred entrepreneurial and start-up ventures which will help students, faculties and other members of the ambient population. We at Aliah University, are trying to get projects funded by the Central as well as the State Government that may help to strengthen its drive in the domain of social entrepreneurship. The University has established strong academic linkages with various national and international institutions like the University of Ulster (otherwise known as Ulster University) ("Ulster"), United Kingdom, Edunet Foundation, Ardent Computech Pvt. Ltd., etc. Academicians from a large number of universities and institutions of national and international repute visit and participate in various academic programmes at Aliah University.

During the pandemic situation, different departments of the Aliah University organized a large number of webinars with distinguished experts, professionals and in-house faculty members as panellists on the thrust areas. These webinars were targeted at faculty development programmes (FDPs), innovation & research.

We at Aliah are very much committed to society at large. During the pandemic situation followed by natural disasters like Amphan and Yaas, the University has actively participated in relief activities.

The Training and Placement Cell has introduced the “Communicative English and Student Development Programme” for B. Tech., MBA, and MCA students. A programme on “Elementary English for Adult Learners” was also introduced for Theology and Arabic students. As a step towards academic and industrial partnership, Aliah University has signed MOUs with many renowned organizations e.g. National Small Industries Corporation Ltd. (NSIC), KRACKiN Skill X, Edunet Foundation, - Ardent Computech Private Limited etc. To enhance employability, and core competencies among students, experts from industry and professional organizations are invited for grooming, up-skilling, and soft skill-development of students from 3rd year and final year batches.

Aliah University is a network institute of the Indian Institute of Remote Sensing (IIRS) under the Indian Space Research Organisation, Department of Space, Govt. of India, outreach network. The name of our University is included in the online application form for IIRS Outreach Programme and conducting live & amp; Interactive courses at our Institute/ Organization. Currently, our University is listed as one of the nodal centres to conduct online courses offered by IIRS-ISRO Dehradun. The total number of On-Campus, Pool Campus, and Off-Campus drives held between 2018 -2022 (April) is 265.

We, at the Aliah University, endeavour to inculcate competency, creativity, and compassion in every student to work for the advancement of the educationally backward classes and marginalized sections of society. The University believes in cultural pluralism and unity in diversity for which our country is always recognized everywhere with deep respect.

To summarize, with a well-knit fabric among the stakeholders – teachers, non-teaching staff, students and researchers, and alumni, we are committed to an all-around development of Aliah University. We attempt to kindle a sense of – duty, honesty, and justice and principally pledge to serve humanity.

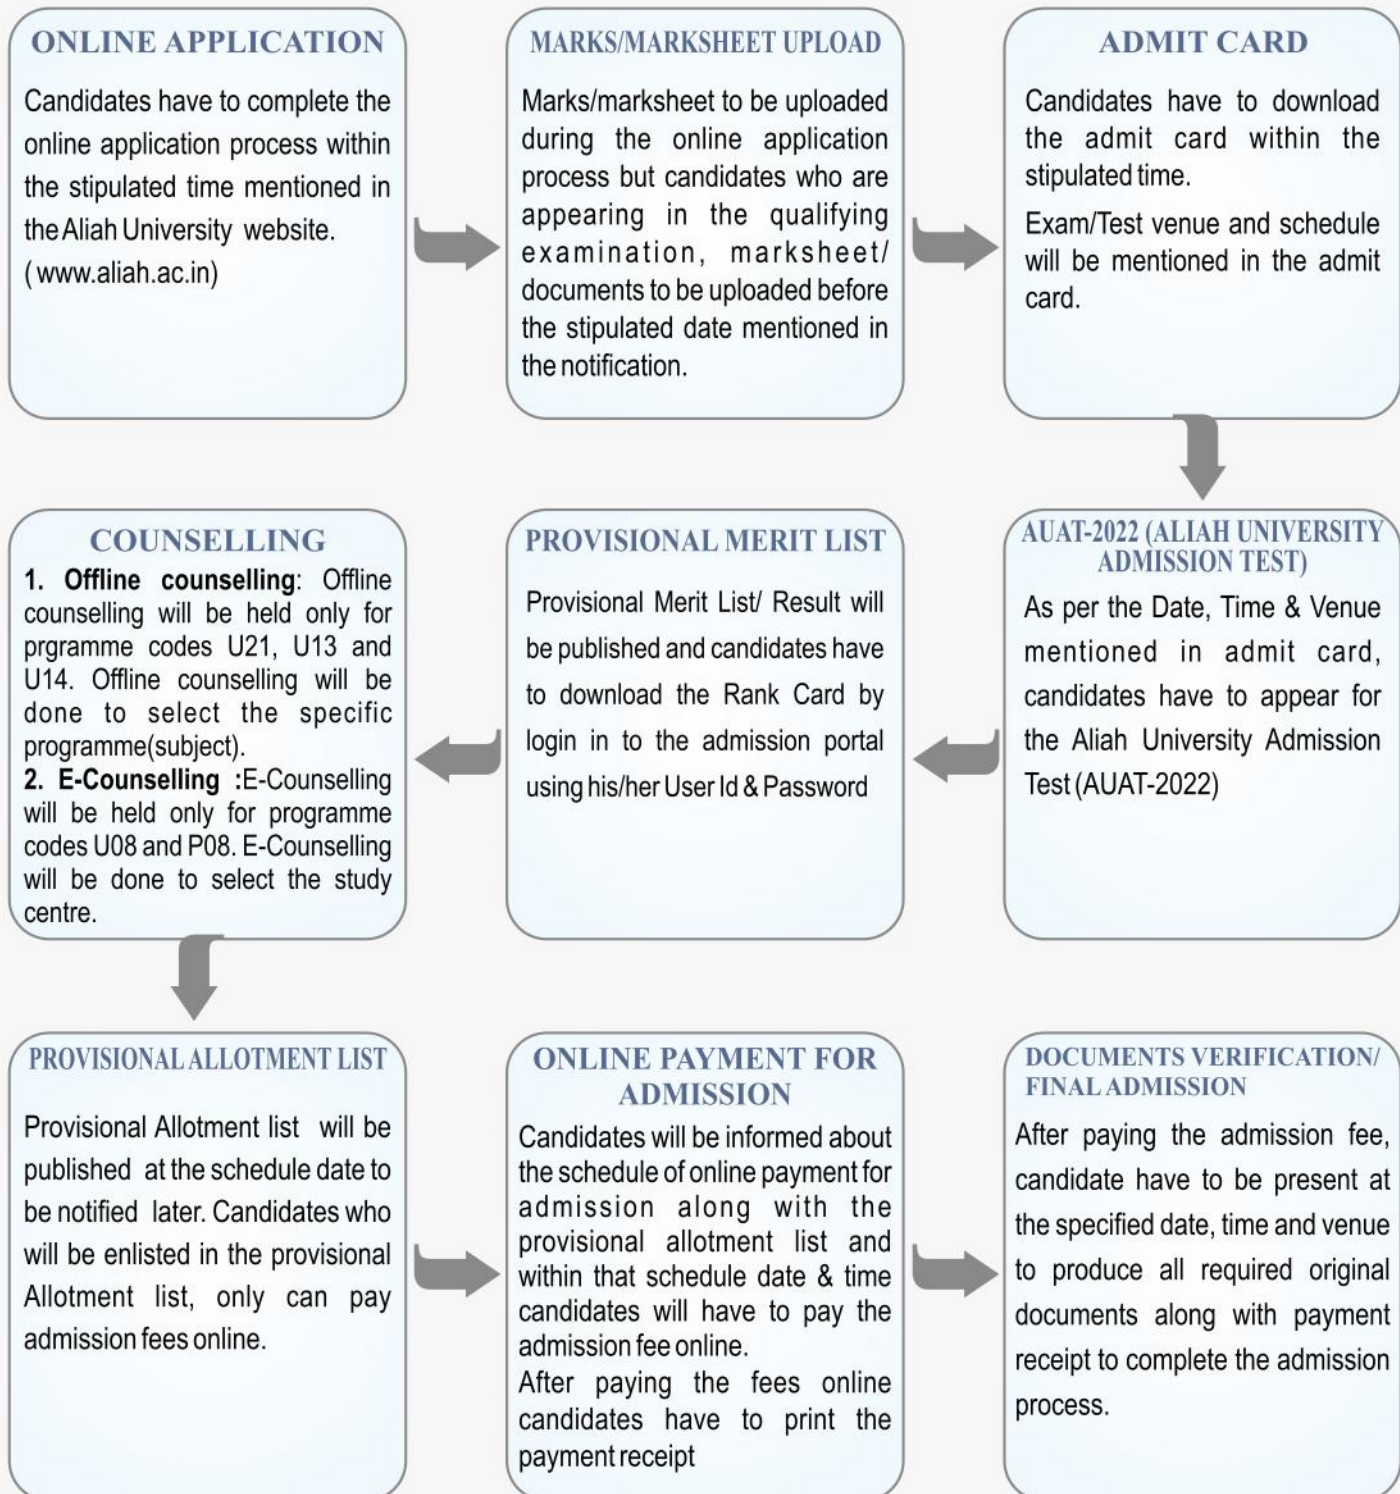

Prof. (Dr) Sk. Abu Taher Kamruddin
Vice-Chancellor, Aliah University

5. Introduction:

This year (2022), Aliah University admission test (AUAT-2022) will be conducted in two phases. In Phase-I, admission for all UG programmes and integrated MBA(BBA-MBA) will be taken through solely on merit score of AUAT-2022 examination. In Phase-II admission for all PG programmes and B.Ed programme will be conducted. Admission for all PG programmes will be taken through solely on merit score of AUAT-2022 examination whereas admission for B.Ed programme will be taken through merit score of AUAT-2022 examination and academic results.

6. Historical Background:

Aliah University has a unique pre-history. A brief look at this will offer an understanding of its social and cultural importance. Its parent institution Aliah Madrasah was the first government-funded educational institution in British India. The chief intention for establishing this institution was to educate the children of Muslim families in Arabic, Persian and Muslim Law so that they might be eligible to get jobs in different Government Departments like revenue administration and the judiciary. However, within a decade the curriculum of Aliah Madrasah had also encompassed modern subjects like arithmetic, geometry, astronomy and the natural sciences along with the more traditional branches of learning like Law, Theology, Elementary Grammar, Philosophy and Logic. In 1821, the Annual Examination of the Madrasah was held in the presence of many respectable officials and gentlemen of Calcutta. This was the first public examination held in British India. A medical class, headed by Dr Peter Breton, Professor of Medicine, was started at this Madrasah in 1826 for the first time in British India. Dr Breton was authorized to purchase a skeleton and collect medical books. An anatomical work published by John Taylor was arranged to be translated into Arabic. The medical class continued here till the establishment of Calcutta Medical College in 1836. However, the students of the Madrasah were allowed to study medicine at Calcutta Medical College. This speaks for the high standard of education at the Madrasah in those days. English was first introduced at Aliah Madrasah in 1826, though the number of students was quite low as Persian was still medium of administration in British India. In 1854 at the recommendation of a Committee an English school, in the

name of Anglo-Persian Department, was started under the direct control of the Principal of Calcutta Madrasah. After the Revolt of 1857, the British rulers began to have a suspicious attitude to the Muslims. There were proposals to abolish the Madrasah. However, in 1860, the Government of India, rejecting the idea of abolition, rather recommended improvement in its management. So the Madrasah continued to exist. Some reforms were introduced at the Calcutta Madrasah according to the suggestions of a committee consisting of C.H. Campbell, Commissioner of the Presidency Division, I. Sutcliffe, Principal of Presidency College, and Nawab Abdul Latif, then a Deputy Magistrate. Further reforms were introduced at the recommendations of the Education Commission headed by W.W. Hunter in 1884. Nawab Abdul Latif and Justice Syed Amir Ali played a very important role in these reforms. In 1896 Elliot Hostel was founded, with funds raised out of donations from the public. In 1902 the Muslim Institute was established as a part and parcel of Calcutta Madrasah. The Principal of the Madrasah was ex-officio President and Treasurer of the Muslim Institute. Several committees and commissions were appointed in 1915, 1923, 1931, 1938-40, and 1946 for the improvement in the syllabi, curricula and all round development of Madrasah education in Bengal, particularly of Calcutta Madrasah. After Partition in 1947, this institution again faced severe problems. According to the decision of the Separation Council, all books and manuscripts, assets and estates of the Aliah Madrasah were transferred to the Dhaka Madrasah. It was only at the initiative of Maulana Abul Kalam Azad, the first Education Minister of independent India, that the institutional framework of Calcutta Madrasah was again set up and teaching restarted. In 2001, the Government of West Bengal, under the direction of the eminent educationist and the then Governor of West Bengal and Bihar, Dr. A. R. Kidwai, formed a Madrasah Education Committee. This Committee presented its recommendations for the continued development and future excellence of Aliah Madrasah in 2002. Finally, the over-two-hundred-year old institution was elevated to the status of a University in 2007. Aliah University – a State University under the Department of Minority Affairs and Madrasah Education, Government of West Bengal – came into existence through the Aliah University Act (Act XXVII of 2007) passed by the West Bengal Legislative Assembly. The Act came into force on 5 April 2008. Classes were being held in various rented buildings at Sector I and Sector V of Salt Lake City, apart from the Heritage building at Haji Md Mohsin Square. In 2011 the Government of West Bengal led by Mamata Banerjee, the Hon'ble Chief Minister, allotted 20 acres of land at New Town and the foundation stone for the New Town Campus was laid by her on 15 December 2011. The newly-built building was inaugurated by her on 11 November 2014, National Education Day. By this time the G+9 building at Park Circus Campus was also completed. So, the academic and administrative activities of the university started at both these two new campuses from January 2015. It may be observed that Aliah Madrasah from its early days imparted teaching in both the traditional subject of theology and the modern sciences, social sciences, and humanities. To keep alive this tradition of teaching, right from the start, Aliah University has offered courses in the traditional Islamic Theology and Arabic along with subjects like English, Bengali, History and Geography and many other branches of Science (Physics, Chemistry, Mathematics, Statistics, Biological Sciences) as well as Engineering (Civil, Mechanical, Electrical, Electronics and Communications, Computer Science and Engineering), Management and Business Administration, Nursing and Journalism and Mass Communication. Keeping in mind the requirements of the employment sector in the 21st century, right from the start, great emphasis has been put on courses in the Sciences, Engineering, Technology and Management, so that students from the minority community become eligible and can compete for jobs in various sectors. In keeping with the great stress laid by the UGC on the Semester system of education and Letter Grade process of marking, Aliah University has adopted semesterization, credit system, continuous assessment, and letter grading from its inception. All UG curriculum is running under CBCS pattern as per UGC from 2019-20 and 2020-21 academic sessions and steps were already being taken to introduce the CBCS in all PG programmes from 2021-22 academic session.

7. SPIRIT OF ALIAH UNIVERSITY:

The spirit of Aliah University engraved in its motto, 'Advancement of Education and Culture' in Arabic "Taqdeem-ut-Ta'leemwa-as Saqafah" which is very significant and suggestive and breaks all the barriers which comes to acquire modern and scientific education. It urges its students for unabating quest for acquiring higher education along with creating sensible human being with imbedded cultural and ethical values.

8. VISION

Aliah University is marching on with a vision to recapture the ambience and dynamic cultural heritage of the Calcutta Madrasah College, to expand and deepen it, to evolve it further with a successful outreach into the emerging areas in each branch of modern science, technology, social studies, and humanities. It aims to instill the dynamism of its glorious heritage of the past among all its students, so that they can successfully cope with the critical needs and challenges of the present and contribute to the future advancement of science, technology, and human civilization. It also hopes to develop in its students the love and respect for the fellow citizens of the country and to cherish the ideals of secularism and national integrity.

9. MISSION

1

To introduce innovative pedagogy of teaching and learning in different areas of study.

2

To promote innovations in education leading to restructuring of existing courses of Islamic Theology, Arabic and Islamic studies.

3

To encourage study of modern technological and professional courses.

4
