1. The Desk of Hon'ble Vice-Chancellor

Aliah University is a State University under the Department of Minority Affairs and Madrasah Education, Government of West Bengal. It came into existence through the Aliah University Act (Act XXVII of 2007) passed by the West Bengal Legislative Assembly. The Act came into force on 5 April 2008. The University started its glorious journey in the 2008-09 academic sessions. This University plays a leading role in the advancement of higher education, especially for the Minority communities who have for various historical reasons remained socially and educationally backward. The spirit of Aliah University engraved in its motto, 'Advancement of Education and Culture' is very significant, and suggestive, and breaks all the barriers that come to acquiring modern and scientific education. It urges its students to an unabating quest for acquiring higher education along with creating sensible human beings with embedded cultural and ethical values.

The Aliah University has approvals from statutory bodies like the University Grant Commission (UGC), the All India Council for Technical Education (AICTE), the National Council for Teacher Education (NCTE), the Indian Nursing Council (INC) and the West Bengal Nursing Council (WBNC). The University has three (3) campuses and through its 23 academic departments, it offers 51 academic programmes. The present intake capacity is 1120 students at the postgraduate level and 1526 students at the undergraduate level. Research programmes in various disciplines are also being pursued actively

and there is immense scope for progress in the near future. So far over 742 research scholars have enrolled in various subjects out of which 236 scholars have been awarded Ph.D. degrees. Apart from offering various academic programmes in Science, Engineering, Language, Social Sciences, and Journalism we also offer professional programmes like LL.M, Nursing, and B.Ed.

At Aliah University, we are committed to excellence in education, research, and innovation. Our faculty members are leaders in their respective fields, dedicated to providing students with a rigorous and intellectually stimulating learning experience. Through a combination of classroom instruction, hands-on research opportunities, and real-world applications, we empower our students to think critically, solve complex problems, and become leaders in their chosen fields.

Through various conferences, seminars, workshops, symposia, cultural events, and community service initiatives, we encourage our students to engage with one another and make a positive impact on the world around them. We, at Aliah University, endeavour to inculcate competency, creativity, and compassion in every student to work for the advancement of the educationally backward classes and marginalized sections of the society. The University believes in cultural pluralism and unity in diversity for which our country is always recognized everywhere with deep respect.

The Training and Placement Cell regularly organizes Student Development Programmes for B. Tech., MBA, M.Sc., and MCA

students. As a step towards academic and industrial partnership, Aliah University has signed MOUs with many renowned organizations. To enhance employability, and core competencies among students, experts from industry and professional organizations are invited for grooming, up-skilling, and soft skill development of students. The NCC of the University under 31 Bengal Battalion, Kol-'B', Coy-2, Fort William is very active.

In closing, I am confident that by working together with determination, compassion, and integrity, we will continue to build upon the rich legacy of our university and create a future that is brighter and more equitable for all.

Vice - Chancellor
Aliah University

2. The Desk of Hon'ble Registrar

The only University under the aegis of the Department of Minority Affairs & Madrasah Education (MA&ME), Aliah University is striving continuously to achieve its vision to become a "Centre of Excellence". This is reflected in its becoming a NAAC accredited University with approval from statutory bodies like AICTE (All India Council for Technical Education) for its engineering programmes, NCTE (National Council for Teacher Education) for its Education programme and both INC (Indian Nursing Council) and WBNC (West Bengal Nursing Council) for its Nursing programme. With 23 Departments offering around 51 programmes, applicants get a wide scope to select their choice of subject to study at their UG or PG level. Since 2023, the University has adopted the Curriculum and Credit Framework (CCF), in line with NEP 2020, at its UG level.

In line with the motto of the University,

"Advancement of Education and Culture", Aliah University seeks to nurture future citizens of India who will be educated not only in terms of Degrees earned but in terms of imbibing the true spirit of quest for knowledge. It also teaches its students to go beyond the 'self' and care for the needy with empathy through its NSS activities. Discipline is embedded in the students through participation in sports and NCC. While students are trained to become "employable" through structured training programmes to enhance their domain knowledge and soft skills and placement opportunities are created by the Training & Placement cell, the idea of being an entrepreneur is also encouraged by the Institute's Innovation Council (IIC). Students are also encouraged to participate in seminars and other programmes organised by different educational institutions and government bodies. Besides internships, students also have industry interactions and visits to

have an idea about the practical corporate world.

The University provides adequate infrastructural facilities for the benefit of the students. Spread across three campuses at Taltala, Park Circus and New Town, Aliah University is steeped in the legacy of 1780's but walks hand in hand with modernization through its bouquet of modern professional programmes offered. Experienced and highly qualified faculty members, along with a helpful administrative staff, contribute significantly to the overall development of the students.

Registrar (Officiating)

3. The Office of the AUAT

Aliah University is committed to provide quality education and training at the UG, PG and Ph.D. levels of various programmes in different disciplines, like Science, Engineering, Humanities, and Languages, in addition to its traditional subjects, like Islamic Theology and Islamic Studies. AUAT (Aliah University Admission Test) – 2026 office, led by the Chairman and Vice-Chairman, is thus committed to provide quality students to all the departments on time. The admission to all the programmes will be taken through a competitive admission test, based on the syllabi of the qualifying examination of the

respective subjects. The merit list will be prepared on the basis of the score of the candidates in the admission test AUAT-2026 (except GATE qualified candidates applying for M.Tech. and 2 year MBA programmes). To facilitate the candidates appearing in the examination, we have planned to conduct the admission test for UG programmes at various centres across the state. However, admission test for Nursing, B.Ed. and PG programmes will be conducted in the Kolkata centre only. Aspiring candidates are advised to follow the website regularly to get all the updates related to admission.

We invite aspiring students to join our

vibrant community of scholars, innovators, and dreamers. Whether you're passionate about engineering, arts, business, or any other field, we have a place for you.

Candidates are strictly cautioned against falling prey to any kind of assurance/offer by any individual/agency for all sorts of admission to Aliah University. No donation or capitation fee is required to be paid for admission to any programme offered by the University. Also, at any stage of time if any discrepancy is found, Aliah University have the sole rights to cancel the admission of such candidate without any notice.

Assistant Professor, Department of Education

Dr. Imdad Husain

Assistant Professor, Department of Islamic Theology

4. Historical Background

Aliah University has a unique pre-history. A brief look at this will offer an understanding of its social and cultural importance. Its parent institution Aliah Madrasah was the first government-funded educational institution in British India, established by the British Governor-General Warren Hastings in 1780. The chief intention for establishing this institution was to educate the children of Muslim families in Arabic, Persian and Muslim Law so that they might be eligible to get jobs in different Government Departments like revenue administration and the judiciary. However, within a decade the curriculum of Aliah Madrasah had also encompassed modern subjects like Arithmetic, Geometry, Astronomy and the Natural Sciences along with the more traditional branches of learning like Law, Theology, Elementary Grammar, Philosophy and Logic. In 1821, the Annual Examination of the Madrasah was held in the presence of many respectable officials and gentlemen of Calcutta. This was the first public examination held in British India. A medical class, headed by Dr. Peter Breton, Professor of Medicine, was started at this Madrasah in 1826 for the first time in British India. Dr. Breton was authorized to purchase a skeleton and collect medical books. An anatomical work published by John Taylor was arranged to be translated into Arabic. The medical class continued here till the establishment of Calcutta Medical College in 1836. However, the students of the Madrasah were allowed to study medicine at Calcutta Medical College. This speaks for the high standard of education at the Madrasah in those days. English was first introduced at Aliah Madrasah in 1826, though the number of students was quite low as Persian was still medium of administration in British India. In 1854 at the recommendation of a Committee an English school, in the name of Anglo-Persian Department, was started under the direct control of the Principal of Calcutta Madrasah.

After the revolt of 1857, the British rulers began to have a suspicious attitude to the Muslims. There were proposals to abolish the Madrasah. However, in 1860, the Government of India, rejecting the idea of abolition, rather recommended improvement in its management. So the

Madrasah continued to exist. Some reforms were introduced at the Calcutta Madrasah according to the suggestions of a committee consisting of C.H. Campbell, Commissioner of the Presidency Division, I. Sutcliff, Principal of Presidency College, and Nawab Abdul Latif, then a Deputy Magistrate. Further reforms were introduced at the recommendations of the Education Commission headed by W.W. Hunter in 1884. Nawab Abdul Latif and Justice Syed Amir Ali played a very important role in these reforms. In 1896 Elliot Hostel was founded, with funds raised out of donations from the public. In 1902 the Muslim Institute was established as a part and parcel of Calcutta Madrasah. The Principal of the Madrasah was ex-officio President and Treasurer of the Muslim Institute. Several committees and commissions were appointed in 1915, 1923, 1931, 1938-40, and 1946 for the improvement in the syllabi, curricula and all-round development of Madrasah education in Bengal, particularly of Calcutta Madrasah. After Partition in 1947, this institution again faced severe problems. According to the decision of the Separation Council, all books and manuscripts, assets and estates of the Aliah Madrasah were transferred to the Dhaka Madrasah. It was only at the initiative of Maulana Abul Kalam Azad, the first Education Minister of independent India, that the institutional framework of Calcutta Madrasah was again set up and teaching restarted.

In 2001, the Government of West Bengal, under the direction of the eminent educationist and the then Governor of West Bengal and Bihar, Dr. A. R. Kidwai, formed a Madrasah Education Committee. This Committee presented its recommendations for the continued development and future excellence of Aliah Madrasah in 2002. Finally, the over-two-hundred-year-old institution was elevated to the status of a university in 2007. Aliah University — a State University under the Department of Minority Affairs and Madrasah Education, Government of West Bengal — came into existence through the Aliah University Act (Act XXVII of 2007) passed by the West Bengal Legislative Assembly. The Act came into force on 5th April 2008. Classes were being held in various rented buildings at Sector I and

Sector V of Salt Lake City, apart from the Heritage building at Haji Md Mohsin Square. In 2011 the Government of West Bengal led by Mamata Banerjee, the Hon'ble Chief Minister, allotted 20 acres of land at New Town and the foundation stone for the New Town Campus was laid by her on 15 December 2011. The newly-built building was inaugurated by her on 11 November 2014, National Education Day. By this time the G+ 9 building at Park Circus Campus was also completed. So, the academic and administrative activities of the university started at both these two new campuses from January 2015.

It may be observed that Aliah Madrasah from its early days imparted teaching in the traditional subject of Theology, and the Modern Sciences, Social Sciences, and Humanities. To keep alive this tradition of teaching, right from the start, Aliah University has offered courses in the traditional Islamic Theology and Arabic along with subjects like English, Bengali, History and Geography and many other branches of Science (Physics, Chemistry, Mathematics, Statistics, Botany, Microbiology and Zoology) as well as Engineering (Civil, Mechanical, Electrical, Electronics and Communications, Computer Science and Engineering), Management and Business Administration, Nursing, and Journalism & Mass Communication. Keeping in mind the requirements of the employment sector in the 21st century, right from the start, great emphasis has been put on courses in the Sciences, Engineering, Technology and Management, so that students from the minority community become eligible and can compete for jobs in various sectors. In keeping with the great stress laid by the UGC on the Semester system of education and Letter Grade process of marking, Aliah University has adopted semesterization, credit system, continuous assessment, and letter grading from its inception. All UG curricula are running under CBCS pattern as per UGC from 2019-20 and 2020-21 academic sessions, and CBCS system is also introduced in all PG programmes from 2021-22 academic session. Since 2023, the University has adopted the Curriculum and Credit Framework (CCF), in line with NEP 2020, at its UG level.

5. IMPORTANT DATES

Important Dates For UG Programmes (Tentative)

Online Submission of Application Form Starts	17/04/2026
Last Date of Submission of Online Application	12/05/2026
Last Date for Uploading Marks of Qualifying Examination(Result awaited Candidates)	To be notified later

8. Admission Procedure at a Glance

1 Online Application

Application must be submitted online through the Aliah University website (www.aliah.ac.in) within the specified time-frame.

2 Marks/Mark Sheet Upload

Marks/ mark sheets to be uploaded during the online application process, but candidates who are appearing in the qualifying examination and awaiting for final result, mark sheets/ documents to be uploaded before the stipulated date mentioned in the Aliah University website (www.aliah.ac.in).

3 Admit Card

Candidates have to download the admit card within the stipulated time. Examination venue and schedule will be mentioned in the admit card.

4 Admission Test

Admission test will be conducted for UG programmes in different centres across the state. However, admission test for Nursing, B.Ed. and PG programmes will be conducted in the Kolkata centre only. As per the Date, Time & Venue mentioned in the admit card, candidates have to appear for the Aliah University Admission Test (AUAT-2026).

5 Group discussion (GD)/ Personal Interview (PI)

Only for the 2 years Master of Business Administration (MBA), candidates will be shortlisted for the GD/PI based on their General Merit Rank (GMR). The final merit list will be incorporate scores from both the written examination and the interview process.

6 Provisional Merit List

Provisional Merit List/ Result will be published and candidates have to download the Rank Card by logging into the admission portal using his/her User Id & Password.

7 Counselling

Counselling will be held for programme codes U14 & U21 to select the specific programme/subject. Counselling will be held for programme codes U08 & P08 to select the study centre.

8 Provisional Allotment List

Provisional Allotment lists will be published on the scheduled dates (to be notified later). Candidates, who will be enlisted in the provisional allotment list, only can pay admission fees online.

9 Online Payment for Admission

Candidates enlisted in the provisional allotment list will be informed about the schedule of online payment for admission along with the provisional allotment list; and within that scheduled date & time candidates will have to pay the admission fees online.

10 Documents Verification /Final Admission

To complete the admission procedure, candidates have to be present physically at the specified venue to produce all required original documents, along with rank card and payment receipt. Venue, date and time for documents verification will be notified later.

9. Introduction

Aliah University Admission Test (AUAT) is a central admission process for conducting admission into various UG, PG & B.Ed courses in Aliah University. It is governed by AUAT Committee under the supervision of Hon'ble Vice-Chancellor. The AUAT Committee shall function as an independent body for framing the norms regulating admission, admission procedures and finalizing the names of qualified candidates for admission.

Admission Test for all UG programmes will be conducted in different centres across the state. However, admission test for Nursing, B.Ed. and PG programmes will be conducted in the Kolkata centre only. Admission in various UG, PG & B.Ed (except GATE qualified candidates applying for M.Tech and 2 years Masters of Business Administration programmes) programmes will be taken solely on the basis of merit score of AUAT-2026 fulfilling other minimal eligibility criteria.

10

Spirit of Aliah University

The spirit of Aliah University engraved in its motto, "Advancement of Education and Culture" in Arabic "Taqdeem-ut-Ta'leemwa-as Saqafah" which is very significant and suggestive and breaks all the barriers which comes to acquire modern and scientific education. It encourages students to pursue and unwavering quest for higher education while fostering responsible individuals with embedded culture and ethical values.

11

Vision

To become a Centre of Excellence and to contribute to the society through the pursuit of teaching and research in the emerging areas in each branch of modern science, engineering and technology, social studies, and humanities with a deep passion for wisdom, culture and values.

12

Mission

To nurture and produce forward-looking students with a focus on their intellectual, moral, and social development enabling them to excel in their chosen field of work in society, industry, business and academia.

13. University Campus

The University has three major campuses in Kolkata.

Taltala Campus:

21, Haji Md. Mohsin Square,
Kolkata-700 016. (Heritage Campus)

New Town Campus:

II-A/27, Action area-II,
New Town, Kolkata-700160

Park Circus Campus:

17, Gorachand Road, Kolkata-700 014.

14. Training and Placement

Aliyah University has a full-fledged Training & Placement (T&P) Cell which is under the supervision of a full time Training and Placement Officer (TPO) to provide placement assistance to the students. It conducts special training sessions for the students to develop soft skills and english communication skills and help them to prepare for aptitude test, group discussion and personal interview which is required for the enhancement of employability and to meet the industry requirement. The T&P Cell also provides counselling to students regarding placement opportunities and establishes University-Industry relationship for further improvement of the students.

14.1. Major Recruiters

The Cell continuously coordinates with various industries and organizations for placement. Below are the names of some of our most prominent recruiters:

14.2. Objectives of The Training & Placement Cell

- I) To develop overall personality of students and to make them employable in private/public sectors and MNCs.
- II) To develop various skills like aptitude, reasoning, communication leadership, interpersonal, technical, and soft skills to meet the corporate recruitment process.
- III) To motivate students to aspire for higher studies and guiding them to take competitive exams such as GATE/GRE, etc.
- IV) To eradicate skill deficiencies and increase the academic standard at par with the corporate needs.
- V) To place the maximum number of students through on-campus, pooled- campus and off-campus interviews conducted by reputed Government / Private organizations and MNCs.

14.3. Training & Placement Activities

The competition for employment has intensified day by day and fetching a good job is becoming a challenging task. Only academic study is not sufficient for it. Keeping this in mind, the T&P Cell endeavours to achieve 100% smooth journey of all the professional students from classroom to corporate world with 'One Person One Job' policy. The major activities of the Cell include:

- 1) Developing strong network between the University and the corporate world throughout India.
- 2) Arranging on and off campus placement programmes.
- 3) Organizing pooled campus drive at Aliah University.
- 4) Arranging step by step Training Methodology to develop various employable skills including interview handling skills of the students.
- 5) Employing professional trainers from reputed training agencies to train the students through Mock Interviews, Aptitude Tests, Group Discussions, Online Tests, Personality Development Tests and HR Interview.
- 6) Organizing seminars and lectures periodically by eminent personalities from both academia and industries.
- 7) Arranging technical training by technical experts and industrial visits during semester breaks to get practical exposure.
- 8) Assisting the final year students in getting industry projects related to their domain.

14.4. Industrial Training & Internship Programmes

Like all other institutes, industrial training is mandatory for all the technical and professional courses. There is also a certain weightage of that training in deciding the final grades. Beside that students are also undergoing some short term vocational training in their last few semesters. Aiming to place the maximum number of students through On-Campus, Off- Campus and Pooled-Campus interviews, the T&P Cell helps the students in getting practical exposure through internship programmes related to their domain.

Training & Placement Cell has always encouraged the students to capitalize on the semester breaks and vacations to enhance their industrial exposure. They have gone through training programmes of various Governments and Public Sector Undertaking organisations like Eastern Railways, NTPC, Hindustan Aeronautics Ltd, Kolkata Tramways Company Ltd, PWD, WBPDC, CESC Limited, SAIL, All India Radio, WBSETCL, NKDA, Durgapur Steel Thermal Power, to name a few. Many private companies of repute like L&T, Simplex, Shapoorji Pallonji, STUP Consultants Pvt Ltd, Titagarh Generating Station, Simplex Infrastructures, Mackintosh Burn Ltd, Gammon India Ltd, Mother Dairy Calcutta, BIL Infratech Ltd, PepsiCo, and many more, played a major role in training the students.

14.5. Collaborations

Through signing of MoUs with different organizations, T&P cell endeavours to improve the employability skill of the students. It has signed the following Memorandum of Understanding (MOU) with:

KRACKiN Skill X as our academic and industrial partner. Many functional experts from Industry and professional institutes are regularly invited for grooming, up-skilling, and soft skill-development of students from 3rd year and final year batches to enhance their employability.

National Small Industries Corporation (Govt. of India Enterprise, under Ministry of MSME) for training on industry oriented courses and internship of our students.

Edunet Foundation for webinars or mentoring workshops or technology boot camps or innovation camps that will help learners to attain their career goals. These programs will be organized as per a regular calendar, published online and will be conducted by Edunet team members or program sponsors regularly.

Ardent Computech Private Limited for Industrial Training & Visits by Guest that will help the learners to attain their career goals.

Bassetti ITES Private Limited to address the career skill gap among student community and also to help them gain a head start in their career through the use of a range of courses, certification programs, internships & on-the-job training.

Board of Practical Training (Eastern Region), Kolkata, to establish a relationship and cooperation between the two participating institutions to develop the prospective skill of the pass out graduates so that they become a skilled and more employable human resource for industry or organizations.

Airports Authority of India, to create interest in Civil Aviation among students by supplementing theoretical knowledge with practical operations / working and INTERNSHIP PROGRAM

15. Innovation and Start-Up Culture

Institution Innovation Council (IIC), Aliah University is established to promote the culture of innovation and entrepreneurship in the university. Throughout the year, IIC regularly organizes seminars, workshops, Hackathons etc. mainly for mentoring and motivating students to develop the innovation-incubation start-up ecosystem among the student and

faculty members. In the short span of time Aliah University is ranked among "Band promising" category of NIRF-Innovation (ARIIA) ranking. Our students are showing their beautiful minds by competing in projects, ideation and hackathon challenges. Two groups have qualified for Grand Finale of prestigious Smart India Hackathon (SIH-2023).

16. Research and Development

Faculty members, research scholars and students are engaged in high end research and scholarly activities in Aliah University. A good number of quality research articles are constantly being published in National and International level peer reviewed journals and conferences in all the fields of Engineering, Science and Humanities & Social science areas. Faculty members are also involved in sponsored research projects funded by various Government and Corporate sectors e.g. SERB,

DST, UGC-DAE CSR, ICSSR (Indian Council of Social Science Research), IITs, Hewlett Packard, IBM, Microsoft etc. Faculty members also engaged in various collaborative research and fellowship programs with prestigious national and international institutions like IITs, ISI, IICB, JU, Franhauser IIS, Erlangen, Bielefeld University, Germany, University of Warshaw, Poland, Delft University, The Netherlands, University of Tokyo, NUS, Singapore, and National Taiwan University, Taiwan etc.

17. Facilities for Students

17.1. Hostel

At present, The University has one G+19 Boys' Hostel with accommodation for 661 students. One G+13 Girls' Hostel with accommodation for 437 students. Park Circus Campus has a G+9 Hostel for Girls' Hostel with accommodation capacity of 208 students.

17.2. Library

Aliah University has state-of-the-art library facility for offline and online academic resources. The University libraries have rich repository of 78000 books in different disciplines and provides comprehensive access to books, journals, magazines, white papers, reports, e-journals/online databases, e-books, and dissertations to scholars, students, officers and non-teaching staff. The Library in the Newtown campus deals with STEM (Engineering & Technology, Management, Pure Science and Biological Sciences) area while the library in Park Circus campus covers the collection on Humanities, Social Science, Nursing, Law, Education etc. The age-old heritage library is situated at Taltala campus has authentic collection of books on Islamic Theology and studies. Both New Town and Park Circus campus libraries are automated.

17. Facilities for Students

17.3. Games & Sports

Sports undoubtedly have become an integral part of our education system with an aim to support sports men to gain their quality education. Sports Board of Aliah University also strongly supports the idea of giving quality games-and-sports facility and opportunities to the students to excel both in academics vis-a-vis sports. Aliah University is a member of Association of Indian Universities (AIU), Ministry of Youth Affairs & Sports, Govt. Students from this University regularly participate in inter-university and inter-college competitions.

Relaxation under Sports Background: In each undergraduate academic course, a maximum of one candidate who has represented at the State or National level in sports may be considered for admission under the sports category and there will be no relaxation under the sports category shall be applicable for admission for professional courses, such as B.Ed. and B.Sc. in Nursing. Candidates under this category may be eligible for a relaxation of up to 5% in marks for admissible courses for the academic session 2026-27.

17.4. National Cadet Corps (NCC)

Aliah University strongly supports NCC training of the students, and provides basic infrastructure to groom them into disciplined and patriotic citizens, so that they can serve the nation from the frontiers. Students participate in the NCC training on a voluntary basis. While pursuing their regular course, NCC cadets undertake different training programs, such as drill, shooting, physical fitness, map reading, first aid, and camp training. Cadets also participate in LRDC camp every year. They obtain NCC -B and C certificates after successful completion of the training.

17. Facilities for Students

17.5. National Service Scheme (NSS)

National Service Scheme popularly known as NSS, the scheme was launched in Mahatma Gandhi Centenary year 1969 and aimed at developing student's personality through community service. The overall objective of National Service is educational. This objective is attained through the service to the community. The process of learning is not only a desirable supplement to the classroom education but develops in the student a sense of responsibility, tolerance and cooperation. The NSS plays a vital role in the development of the latent aspects of the student's personality. National Service Scheme (NSS) is a permanent youth Programme under the Ministry of Youth Affairs and Sports, Government of India and funded by Government of West Bengal and Government of India. Since 2012, the NSS unit has been functioning with full vigour and enthusiasm in Aliah University.

17.6. Scholarship

Aliah University doesn't have any institutional scholarship of its own for any of the course. However, eligible students may apply for other scholarships/ fellowships as and when applications are invited by the Government or any other sponsoring agency. The university will only verify and help in submitting the documents of the students for scholarship. (Eligible GATE qualified candidates may get scholarship for taking admission to the M.Tech programmes as per the norms of MHRD/AICTE, Govt. of India.)

17. Facilities for Students

17.7.

Inter-Campus Bus Service

Aliah University has 2 dedicated buses for inter-campus travel of University students and staffs on scheduled times.

17.8.

Medical Facilities

The University has its own a Medical centre equipped with a full time medical officer(doctor), a pharmacist and modern primary medical facilities. Students are provided with free of cost medical check-ups, consultation and medicines from the medical health centre.

17.9.

Smart Class Room

There are smart classrooms in the University. The smart classroom facility is provided to students to improve their teaching learning methodologies. The ample use of interactive modules like audio-video presentations in the form of documentaries, pictures, etc. will be able to get a wider perspective to young learners. Equipping classrooms with tech facilities isn't just about gadgets – it's about boosting engagement and accessibility and ensuring us all.

17. Facilities for Students

17.10.

Amenitie Centre

The University has well-equipped amenity centres in its campuses for providing recreational and essential facilities for students.

17.11.

Laboratories

The University has state-of the art laboratory facilities in the engineering, science as well as humanities departments as per requirement of UG, PG and PhD programmes.

17.12.

Auditorium

The University has a big auditorium that is spacious to hold many events and seminars. With this, the students can be a part of the events and can attend the workshops and seminars that the university holds time and again for their benefit. For an educational institution, an auditorium is not just a venue for events, or merely a meeting place, it is a space where a corporation of students and scholars congregate.

17. Facilities for Students

17.13. Cafeteria

The University has a canteen facility for staff and students. The canteen provides healthy, nutritious food at subsidized rates. The quality of food served is checked by the authorities. All attempts are made to maintain cleanliness and hygiene. Cafeteria for staffs and students are also available in the campuses.

17.14. WiFi

The University provides an uninterrupted pan campus internet facility in the University. Wi-Fi connections with high speed connectivity are installed in the University campus.

17.15. Computer Center

The University provides an uninterrupted pan campus internet facility in the University. Wi-Fi connections with high speed connectivity are installed in the University campus.

17.16. Life @ Aliah

- Cultural Clubs
- Science & Technology Clubs
- Games and Sports Teams
- Swimming Pool

18. Department wise Programmes, Intake Capacity and Eligibility Criteria

Department of Civil Engineering (CEN)

Programme	Programme Code	Number of seats				Eligibility	Upper Age Limit (As on 01/07/2026)	Year of Passing
		Gen	PC	JEE/JELET/GATE	Total			
4 year B. Tech. in Civil Engineering	U21	46	2	12	60	Applicants must have studied Physics, Chemistry, Mathematics with at least 100 marks each in 10+2 level and have secured at least 50% overall in Physics, Chemistry and Mathematics and must have passed each subject individually and have to secured 60% aggregate in 10+2 level	22 Years	Though the upper age limit is mentioned here, all the applicants applying for Undergraduate programmes who have passed qualifying examination before 2024 are not eligible to take admission in the year 2026.
Lateral Entry to the 2nd Year of B. Tech Programme in Electrical Engineering	U22	7	1	2	10	Applicants must have passed Diploma in respective/allied programmes and have secured at least 60% marks in aggregate.	25 Years	
2 year M. Tech. in Civil Engineering	P21	8	1	9	18	Applicants must have passed B.E. / B.Tech in Civil Engineering/Construction Engineering with minimum 6.5 CGPA or 60% in aggregate.	27 Years	Not Applicable

Department of Mechanical Engineering (MEN)

Programme	Programme Code	Number of seats				Eligibility	Upper Age Limit (As on 01/07/2026)	Year of Passing

2 Year MCA	P26	29	1	0	30	Applicants must fulfill all the eligibility criteria for the programme code U21 (i.e., 4 year B.Tech/BCA) and satisfy any one of the following: (I) Passed with at least 60% marks in BCA/Bachelor's Degree in Computer Science/Information Technology or equivalent degree. OR (ii) Passed B.Sc. /B.Com./B.A. degree in any discipline with securing at least 60% marks in aggregate and having Mathematics papers as the major / minor/ subsidiary / pass-course subject at the undergraduate level.	25 Years	

Specialized Degree Tracks (4 year B.Tech in Engineering Programmes)

Aliah University offers specialized degree tracks alongside the standard 4 year B.Tech programmes. Below are the key details and guidelines for the current academic year.

- **Degree Options**

In addition to the regular degree, students may opt for:

B.Tech (Honours): For advanced specialization within your parent department.

B.Tech with Minor: To gain expertise in a subject area outside your primary department.

- **Learning Modality (NPTEL/SWAYAM)**

To provide flexibility and access to world-class content, all Minor courses will be pursued through the NPTEL/SWAYAM online platforms. No physical classes will be conducted by the departments for these specific courses. Each department will "float" a pool of 6 approved courses for students to choose from.

18. Department wise Programmes, Intake Capacity and Eligibility Criteria

● Application Process & Timeline

Students can apply based on the criteria established by the University Committee (typically linked to academic performance). Candidate must submit your application in the prescribed format to your respective department within 15 days of the publication of your 1st-year results.

● Examination & Assessment Scheme

While the coursework is online, the evaluation follows the standard University format: Internal Assessment (20 Marks): University Examination (80 Marks): Conducted by Aliah University in the traditional end-semester format.

Age Relaxation for Sponsored Candidates (M.Tech programmes)

Upper age limit for all M.Tech programmes is 27 years (as on 1st July 2026). A maximum age relaxation of up to five years may be granted to candidates who meet the prescribed qualifying marks and entrance examination criteria and seek admission as full-time sponsored candidates, subject to the submission of supporting documents from the concerned institute or company.

Department of Biological Science

Programme	Programme Code	Number of seats			Eligibility	Upper Age Limit (As on 01/07/2026)
		Gen	PC	Total		
4 year B.Sc. Honours in Botany	U14	19	1	20	Applicants must have studied Biology/ Biotechnology, Physics and Chemistry having at least 100 marks in each subject and must have passed individually in the final examination of the 10+2 pattern, secured at least 60% in Biology/ Biotechnology, 50% in Physics & Chemistry individually and 60% in aggregate in the 12th level.	22 Years
4 year B.Sc. Honours in Microbiology		19	1	20		
4 year B.Sc. Honours in Zoology		19	1	20		
2 year M.Sc. in Botany	P15	19	1	20	Applicants must have secured at least 50% marks in B.Sc. Honours in Botany under Choice Based Credit System (CBCS)/ any other non-NEP (National Education Policy) framework/ 3 year B.Sc. with Major in Botany under NEP from any recognized University.	25 Years
2 year M.Sc. in Microbiology	P16	19	1	20	Applicants must have secured at least 50% marks in B.Sc. Honours in Microbiology under Choice Based Credit System (CBCS)/ any other non-NEP (National Education Policy) framework/ 3 year B.Sc. with Major in Microbiology under NEP from any recognized University.	
2 year M.Sc. in Zoology	P17	19	1	20	Applicants must have secured at least 50% marks in B.Sc. Honours in Zoology under Choice Based Credit System (CBCS)/ any other non-NEP (National Education Policy) framework / 3 year B.Sc. with Major in Zoology under NEP from any recognized University.	

18. Department wise Programmes, Intake Capacity and Eligibility Criteria

Department of Chemistry

Programme	Programme Code	Number of seats			Eligibility	Upper Age Limit (As on 01/07/2026)
		Gen	PC	Total		
4 year B.Sc. Honours in Chemistry	U12	58	2	60	Applicants must have studied Physics, Chemistry & Mathematics having at least 100 marks in each subject and must have passed individually in the final examination of the 10+2 pattern, secured at least 50% in Chemistry and 50% in aggregate in 12th Level.	22 Years
2 year M.Sc. in Chemistry	P12	58	2	60	Applicants must have secured at least 45% marks in B.Sc. Honours in Chemistry under Choice Based Credit System (CBCS)/ any other non-NEP (National Education Policy) framework./ 3 year B.Sc. with Major in Chemistry under NEP from any recognized University.	25 Years

Department of Mathematics & Statistics

Programme	Programme Code	Number of seats			Eligibility	Upper Age Limit (As on 01/07/2026)
		Gen	PC	Total		
4 year B.Sc. Honours in Mathematics	U13	58	2	60	Applicants must have completed their 10+2 Examination (H.S. or equivalent) with Mathematics having at least 100 marks and have secured at least 50% in Mathematics and 50% in aggregate.	22 Years
4 year B.Sc. Honours in Statistics	U15	58	2	60	Applicants must have completed their 10+2 Examination (H.S. or equivalent) with Mathematics having at least 100 marks and have secured at least 50% in Mathematics/ Statistics and 50% in aggregate.	
2 year M. Sc. in Mathematics	P13	58	2	60	Applicants must have secured at least 45% marks in B.Sc. Honours in Mathematics under Choice Based Credit System (CBCS)/ any other non-NEP (National Education Policy) framework./ 3 year B.Sc. with Major in Mathematics under NEP from any recognized University.	25 Years
2 year Master's in Data Science and Applied Statistics	P18	29	1	30	Applicants must have a graduation degree from any recognized University with at least 8 credits Mathematics/ Statistics in the UG level and must have secured minimum 45% marks or 5.0 CGPA in aggregate.
