## Action Report of a National Webinar on “Future Direction of Indian Sports” on the eve of NATIONAL SPORTS DAY Celebrations 29<sup>th</sup> August 2021

Date : 02.09.2021

Dear Sir/ Madam,

This is for the information to all concerns that as per direction from the Ministry of Education Higher Education Technical section –V, Govt. of India, vide their office memorandum D.O.NO.F.1-54/2019(Website/Fit India), New Delhi, Dated- 08/08/2021, on the auspicious Day of **National Sports Day** Aliah University **Sports Board** has organized a **National Webinar on “Future Direction of Indian Sports”** “on 29<sup>th</sup> August 2021 at 11.00 AM via **Google Meet** Link: <https://meet.google.com/oav-skdm-oem>

**Prof. MOHAMMAD ALI** honorable Vice Chancellor of Aliah University Inaugurated the National Webinar and delivered in his golden words on National Sports Day that participation in sports makes the students more self confident, self responsibility, self discipline and self challenging in his life and he committed that sports facilities will be improved in the coming day in his university.

Honorable Registrar of this University **Dr.Syed Nurus Salam** presided the program. Welcome addressed to all the Dignitaries, Guests and Participants was delivered by **Dr. Md. Mustaquim** Asst. Professor Geography Department (NSS Coordinator Aliah University).

Honorable Registrar of Aliah University **Dr.SYED NURUS SALAM** said that within the curriculum of the sports, a sound mind in a sound body makes the people a good citizen. Every institution in India Sports treated as an extra curriculum or co-curriculum and it's an additional subject until and unless sports are treated as a curriculum future direction of Indian sports cannot be developed. He also suggest that there should be a National Sports Policy for the all round development of the Games & Sports in India.

Dean of faculty of Humanistic & Languages **Prof.Mir Rejaul Karim** focused the Life story of Major Dhyhan Chand and motivated the students. In competition society sports give us a new life described by **Prof. Mehedi Kalam** Dean of faculty of Science & Technology.

**Chief Guest - Prof. Alok Kumar Banerjee** (Former Vice Chancellor of Kalyani University, Recipient of S.R. Maitra Memorial Award from the Physiological Society of India, Recipient of International Olympic Committee Solidarity Fund Award, Member of various academic and selection committees/ boards of Universities, including nominee of President of India as a member of academic council of Nagaland University, Govt. agencies like PSC, UGC, NAAC, CSC, many Universities etc.) discussed the performance scenario of Indian Olympic Athletes with the example of Neeraj Chopra and Milkha Singh. In this connection he said that Sports science & technology and scientific Training procedures have been developed, so the Govt. should emphasize on it for the spontaneous and sustainable development of sports. He highlighted some issues for the sports sector and gave some suggestions for more Govt. Fund allocation, job opportunities for deserving athletes, transparency, attitude of parents and academic institutions need to be changed towards uniform sports culture. Sports science research centers to be developed, sports & physical education should be integral part of education for KG to PG and Physical Education academic department developed in Aliah University. Revolutionary change in sports science research, so for the best future of Indian sports appropriate planning is essential.

**Special Guest- Prof. Sudarshan bhowmik** (Retired Prof. Kalyani University department of Physical Education, visiting Prof. Jshore University of Science & Technology Bangladesh, UGC Emeritus Fellow in Physical Education 2017-18, Sports Scientist in Sports Biomechanics in Bangladesh Institutes of Sports.) emphasized that if facilities of sports in colleges & universities students can participate and become recognized accordingly. Sports education should be necessary. Sports are education and education is development, development takes place not only academic aspect, development is a total process that takes place cognitive aspect, psychomotor aspect, as well as affective aspect & behavioral aspects last of all sports education can change the total scenario of Indian sports.

**Guest of honor - Kazi Kiron** (Lead strength & Conditioning Expert National Center of excellence SAI, Guwahati. He has trained 250 clients and athletes National-International-Olympic level, Guest faculty for sports science department at DY Patil University) elaborately discussed how India gets medals with the use of sports science & technology. He says that the sports industry has been developed so there are so many career opportunities in physical education and sports science and also says that if Aliah University takes such types of opportunities it should plan on it.

After that East Zone Inter University Tournaments Football & Cricket (2019-2020) participated Captain Mr. Moniruddin Middey (Dept. of CSC) and Tarik Aziz (Dept. of Chemistry) shared their valuable experience in this auspicious occasion, and Nuzhat zahan from Dept. of ECEn shared her valuable views.

The entire program is hosted by **Ms. Nasreen Nasar, Assistant Professor Dept. of MBA** and last of all concludes the sessions with **vote of thanks** by **Dr. SK Sabir Ali, Physical Training Instructor (Acting Secretary of Sports Board, Aliah University)**.
