MESSAGE FROM THE DESK OF HEAD OF THE DEPARTMENT

Department of Urdu Aliah University Kolkata is one of the leading centres of Urdu learning in the country. Established in the year 2015, the department has consistently strived to promote excellence in teaching and learning Urdu language and literature. Instead of treading on beaten path it has evolved modern and innovative methods of teaching with the help of relatively young and dynamic faculty members. It has focused on modern and updated syllabi in tune with the needs of our time. No wonder, the department is attracting students from across the nooks and corners of the state. The main focus of the teaching fraternity is to inculcate the habit of critical thinking and research on various subjects related to the Urdu language and literature. The department has consistently strived to promote excellence in teaching and learning Urdu language and literature. Being the head of department, my goal is to manage and lead the department for effective and successful fostering of positive work environment.

The Department's main objective is to spread awareness about literary, social and cultural importance and relevance of the Urdu culture, language and literature in India and around the world. It aims to promote the Urdu language as the language of knowledge, and Urdu literature as the literature of values especially human values that can withstand the buffeting forces of time. It aims at carrying out original research to develop the field of knowledge.

With this aim, we have integrated the latest developments into our curriculum guided by the National Education Policy 2020. We are committed to fully implement the policy in principle. Starting from the academic session 2023-24 we have introduced four-year bachelor programme with research in Urdu under CCF. I am delighted that our faculty members and students are enthusiastic and eager to welcome every positive and progressive step.

The thrust research areas of the Department are: The Study of Modern Culture, Language & Literature, Linguistics, Translation, Different Dabistans of Urdu literature and new approaches in the field of literature and Mass Media.

It is most valuable occurrence that Our beloved Chief Minister MAMATA BANERJEE has announced in advance the establishment of IQBAL-CHAIR in the department. It is going to be the first Laureate Chair in the University in the name of Sir Mohammad Iqbal, the renowned poet, philosopher, lawyer and politician of sub-continent or undivided India. We are hopeful that very soon there will be an appointment for on the said honourable position.

The Department of Urdu has the honour to be the only department of Aliah University to initiate a memorial lecture in the name of MAULANA ABULKALAM AZAD YADGARI KHUTBA to explore new and innovative ideas from legends of our times. Five memorial lectures have already been organised with the grant of fund and help from university administration.

The Department of Urdu has launched ADAB-E-ALIAH for all round development of the students. With initiative from our students a wall magazine named AKHBAR-E-ALIAH is also being published from time to time.

The department of Urdu is committed to serving humanity through the creation of knowledgeable, skilled, enterprising and socially responsible citizens through the idea of love, devotion, and national pride, fostering loyalty and sincerity in alignment with the principle of international brotherhood with honesty and integrity.

The Department of Urdu Welcomes all the Scholars, Leaders, Pleaders, Academics, Intellectuals from the society to join hands in our triumphant journey to success and reverence with Aliah University.

KOLKATA

History of the University

Aliah University – a State University under the Department of Minority Affairs and Madrasah Education, Government of West Bengal came into existence through the Aliah University Act (Act XXVII of 2007) passed by the West Bengal Legislative Assembly. The Act came into force on 5 April 2008. However, its parent institution from which it was upgraded to a university was usually mentioned in

various old Government records varyingly as Calcutta Mohammedan College or Calcutta Madrasah or Aliah Madrasah which was established by the British Governor-General Warren Hastings in 1780 at the request of some Muslim gentlemen of Calcutta.

The newly-upgraded University started its glorious journey from the 2008-09 academic session with the hope that there would be a symbiosis of heritage and modernization here and through the participation and co-operation of people irrespective of race, caste, creed, or class, this University would play a leading role in the advancement of higher education especially of the Minorities who have for various historical reasons remained socially and educationally backward.

Aliah University has a unique pre-history. A brief look at this will offer an understanding of its social and cultural importance. Its parent institution Aliah Madrasah was the first government-established educational institution in British India. The chief intention for establishing this institution was to educate the children of Muslim families in Arabic, Persian and Muslim Law so that they might be eligible to get jobs in different Government Departments like revenue administration and the judiciary. However, within a decade the curriculum of Aliah Madrasah had also encompassed modern subjects like arithmetic, geometry, astronomy and the natural sciences along with the more traditional branches of learning like Law, Theology, Elementary Grammar, Philosophy and Logic. In 1821, the Annual Examination of the Madrasah was held in the presence of many respectable officials and gentlemen of Calcutta. This was the first public examination held in British India. A medical class, headed by Dr Peter Breton, Professor of Medicine, was started at this Madrasah in 1826 for the first time in British India. Dr Breton was authorized to purchase a skeleton and collect medical books. An anatomical work published by John Taylor was arranged to be translated into

Arabic. The medical class continued here till the establishment of Calcutta Medical College in 1836. However, the students of the Madrasah were allowed to study medicine at Calcutta Medical College. This speaks for the high standard of education at the Madrasah in those days.

English was first introduced at Aliah Madrasah in 1826, though the number of students was quite low as Persian was still medium of administration in British India. In 1854 at the recommendation of a Committee an English school, in the name of Anglo-Persian Department, was started under the direct control of the Principal of Calcutta Madrasah.

After the Revolt of 1857, the British rulers began to have a suspicious attitude to the Muslims. There were proposals to abolish the Madrasah. However, in 1860, the Government of India, rejecting the idea of abolition, rather recommended improvement in its management. So, the Madrasah continued to exist. Some reforms were introduced at the Calcutta Madrasah according to the suggestions of a committee consisting of C.H. Campbell, Commissioner of the Presidency Division, I. Sutcliff, Principal of Presidency College, and Nawab Abdul Latif, then a Deputy Magistrate. Further reforms were introduced at the recommendations of the Education Commission headed by W.W. Hunter in 1884. Nawab Abdul Latif and Justice Syed Amir Ali played a very important role in these reforms. In 1896 Elliot Hostel was founded, with funds raised out of donations from the public. In 1902 the Muslim Institute was established as a part and parcel of Calcutta Madrasah. The Principal of the Madrasah was ex-officio President and Treasurer of the Muslim Institute. Several committees and commissions were appointed in 1915, 1923, 1931, 1938-40, and 1946 for the improvement in the syllabi, curricula and all-round development of Madrasah education in Bengal, particularly of Calcutta Madrasah.

After Partition in 1947, this institution again faced severe problems. According to the decision of the Separation Council, all books and manuscripts, assets and estates of the Aliah Madrasah were transferred to the Dacca Madrasah. It was only at the initiative of Maulana Abul Kalam Azad, the first Education Minister of independent India, that the institutional framework of Calcutta Madrasah was again set up and teaching restarted.

In 2001, the Government of West Bengal, under the direction of the eminent educationist and the then Governor of West Bengal and Bihar, Dr. A. R. Kidwai, formed a Madrasah Education Committee. This Committee presented its recommendations for the continued development and future excellence of Aliah

Madrasah in 2002. Finally, the over-two-hundred-year old institution was elevated to the status of a University in 2007. Classes were being held in various rented buildings at Sector I and Sector V of Salt Lake City, apart from the Heritage building at Haji Md Mohsin Square. In 2011 the Government of West Bengal led by Mamata Banerjee, the Hon'ble Chief Minister, allotted 20 acres of land at New Town and the foundation stone for the New Town Campus was laid by her on 15 December 2011. The newly-built building was inaugurated by her on 11 November 2014, National Education Day. By this time the G+ 9 building at Park Circus Campus was also completed. So, the academic and administrative activities of the university started at both these two new campuses from January 2015.

It may be observed that Aliah Madrasah from its early days imparted teaching in both the traditional subject of theology and the modern sciences, social sciences, and humanities. To keep alive this tradition of teaching, right from the start, Aliah University has offered courses in the traditional Islamic Theology, Islamic Studies, and Arabic along with subjects like English, Bengali, Urdu, History, Education, Geography, Economics and many other branches of Science (Physics, Chemistry, Mathematics, Statistics, Computer Science) as well as Engineering (Civil, Mechanical, Electrical, Electronics and Electronic Communications, Computer Engineering), Management, Journalism and Mass Communication Studies. Keeping in mind the requirements of the employment sector in the 21st century, right from the start, great emphasis has been put on courses in the Sciences, Engineering, Technology and Management so that students from the minority community become eligible and can compete for jobs in various sectors.

In keeping with the great stress laid by the UGC on the Semester system of education and Letter Grade process of marking, Aliah University has adopted semesterization, credit system, continuous assessment, and letter grading from its inception. From 2018 Aliah University regularized CBCS in UG and PG Courses. By the year 2023 we have opted NEP 2020 as approved by higher Education Department.

Aliah University

Journey of the Department of Urdu

Introduction:

Department of Urdu has remained an integral part of the institution since its inception with UG & PG courses in the year 2015, Ph.D. course was introduced in the year 2017. The

department has a bright and successful history of candidates. We have hundred percent pass-out ratio of students in UG and PG courses. In a very short time thirty-three students have registered in Ph.D. course out of them eight Ph.D.s have already been Awarded successfully.

It has also produced generations of bright young people who have made their name in different fields, including education, journalism and literature.

The Department adopted Undergraduate and Postgraduate Courses under the Choice-Based Credit System (CBCS) in the year 2018. A syllabus mandated by the University Grants Commission (UGC). The new system divides the curriculum in modular forms for the duration of the semesters running six months each, thus making the process of transferring credits (grades) easier for a student. Since the semester system has widespread international acceptance, it also facilitates the recognition of academic credits everywhere.

Both at the Undergraduate and the Postgraduate levels, the Department offers a bouquet of Core

Courses and General Elective Courses, and also offers Ability Enhancement Compulsory Courses (AECC) in Urdu Language to all Undergraduate students of the Humanities, Social Sciences & Science Streams.

By the year 2023 we again opted NEP 2020 as approved by state Higher Education Department,

West Bengal with Academic Bank facility for undergraduate Students. There is a special emphasis on language acquisition, with Ability Enhancement Compulsory Courses (AECC) in B.A. level and, with papers focused on applied Linguistics. Such emphasis naturally enhances the students' language skills and improves general employability in teaching, media, Information Technology (IT) and other sectors.

The Department always tried to expose the students to the aesthetics of Urdu literature and language. This trend had been carried out since the day of its inception.. The Department always helped the students to bring out the talent and creative abilities among the students. The department of Urdu and the associate teachers believe in fostering literary sensibilities among the students.

Seminars, symposium and workshops are arranged time to time for the benefit of the students. Extension lectures have been organized in which many renowned scholars from different universities and colleges participated.
