ABOUT THE SEMINAR

The Department of Law, Aliah University, Kolkata, in collaboration with AUDLAA, is proud to host the 7th National Level Seminar on "Analysing the Trends and Efficacy of the New Criminal Laws in India." Following India's historic transition from colonial-era statutes to the Bharatiya Nyaya Sanhita, Bharatiya Nagarik Suraksha Sanhita, and Bharatiya Sakshya Adhinyam, this seminar provides a vital platform to critically evaluate their real-world impact. By bringing together legal experts, scholars, and practitioners, the event aims to dissect recent judicial trends, procedural overhauls, and the integration of digital evidence. Our primary objective is to foster a multi-disciplinary dialogue that highlights the progressive milestones in making justice delivery more citizen-centric, while actively addressing the practical challenges of implementing this monumental legal reform.
