I am directed to inform all concerned that one of the close family members of an employee of the university has tested COVID-19 positive. Under the circumstances, as a precautionary measure the meetings scheduled for the next two days are postponed. The sanitization of the university premises, particularly the office of the Hon'ble Vice-Chancellor, is going to be undertaken at the earliest. Therefore, it is notified that the University will resume its scheduled activities 48 hours after the sanitization process is completed and the safety protocol is ensured.
