MATHEMATICS TRAINING TO UNDERGRADUATE STATISTICS STUDENTS PROGRAMME - 2025

Funded by National
Board for Higher
Mathematics

Aim

The programme aims to provide intensive training in core areas of undergraduate Mathematics essential for grasping key concepts in Statistics, while strengthening foundations, fostering independent analytical thinking, and deepening appreciation of statistical theory.

Selection

Selection will be purely on merit based on consistently good academic record and recommendation from a current Statistics teacher closely acquainted with the candidate.

Eligibility

Students with Honours/Major in Statistics or Data Science, who will be enrolled in their 2nd year or 3rd/4th semester of undergraduate studies during the dates of the programme i.e. in July 2025 - September 2025, are eligible to participate. Students with Honours/Major in Statistics or Data Science in their 3rd year from states/universities where a major/honours subject is offered only in the 3rd year and not before, may also apply.

Venue and Duration

Department of Mathematics & Statistics, Aliah University, Kolkata
3rd October - 18th October, 2025

Application Procedure

Students can prepare their applications online by visiting the MTUSS-2025 website.
Link: <https://sites.google.com/view/mtuss>
