

Physics Colloquium Lecture

Title: NASA Discovers Radio Jet and X-ray Heartbeat from a Supermassive Black Hole System

 **Date: 24 April, 2025**

 **Registration open: 10:00 AM**

 **Venue: 2nd Floor, Seminar Hall, Department of Physics**

Organizer: Department of Physics, Aliah University

Contacts: 9433336243/9433368675

Registration Link: <https://forms.gle/8wVHKRpCcyZUuWMj7>

Dr. Sibasish Laha

Associate Research Scientist, NASA Goddard Space Flight Center, USA

About the Speaker:

Dr. Sibasish Laha earned his Ph.D. from the Inter-University Center for Astronomy and Astrophysics (IUCAA), India. He has held post-doctoral fellowships at Queen's University Belfast (UK) and the University of California, San Diego (USA). Presently, he is an Associate Research Scientist for NASA's Swift X-ray satellite at Goddard Space Flight Center.
