Minority Affairs and Madrasah Education, Govt. of West Bengal)  
11A/27, New Town, Kolkata - 700160, West Bengal

## AN APPEAL

“To help humanity a 8 year old girl of Tamil Nadu has donated her ‘piggy’ bank savings to Kerala Relief Fund which she had saved to buy a cycle” – a selfless gesture shown by a little girl is worth to follow. This is the need of the time help the flood affected people of Kerala.

People of Kerala have been the worst hit with floods of the century. The damage done is beyond imagination. The devastating floods have killed hundreds of people and laid waste to homes & farmland in Kerala. The state as well as the whole country is striving together as a fraternity to overcome the miseries of the catastrophic flood and exhibiting monumental strength to bounce back from this tragedy. The spirit, the defiant and helpful pulse of the people of the state working together to rebuild lives – remains unshattered.

In order to help rebuild houses & means of livelihood of the worst-affected people of Kerala and to help humanity, all employees both teaching and non-teaching are earnestly requested to contribute/donate as much as possible towards the cause. The Fund so collected will be transferred/deposited direct to the Kerala C. M. Distress Relief Fund.
