

Digital India: Navigating Sustainable Development Goals

The background is a complex digital collage. At the top, a glowing blue and white globe is surrounded by various icons: a graduation cap, a shopping cart, a padlock, a Wi-Fi symbol, a camera, and a laptop. Below the globe, a 3D grid map of India is rendered in blue and white, with a red and white bar chart overlaid on it. The bottom right corner features a white box containing the editors' names. The overall color palette is dominated by blues, greens, and oranges, with a sense of motion and light trails.
