Goodbye Message for teachers, non-teaching staff and officers of Aliah University

Dear All

When in school there was a story in our English text books, 'The Last Lesson', where a teacher fondly reflects upon his feelings towards his students, colleagues and his association with his school on his last working day. I remember this story as I find myself on similar grounds. Although the story was set in a different background, the emotion that it carried is of similar nature. Reflecting upon my four years journey at Aliah University, your continuous support and cooperation have helped me administer my duties with zeal. Today is my last working day and finally the moment has arrived to say goodbyes, which is never easy. It has been a memorable voyage and a great learning experience where I have enjoyed every moment and I appreciate having had the opportunity to work and interacted with each of you. I wish everyone in the university fraternity, the very best in life. I would like to quote about Human Excellence "*Teach yourselves, teach everyone his real nature, call upon the sleeping soul and see how it awakes. Power will come, glory will come, goodness will come, purity will come and everything that is Excellent will come, when this sleeping Soul is roused to self-conscious activity*". I am reachable at my e-mail atk@iitg.ernet.in and landline number 03612582305.

It was a pleasure knowing and working with each and every one of you. Needless to mention, please stay in touch.

Thank you and with best regards,

Prof. Abu Taleb Khan
