Certificate of water management

To Whom It May Concern

This is to state that we have been engaged as an energy & environmental auditor by the Aliah University, Kolkata for both of their campus at Newtown Rajarhat and Park Circus. Based on our audits, this is to certify that the Institute has taken up measures in promoting sustainable water practices, ensuring resource conservation, and fostering environmental stewardship. Their intentions set a commendable standard for all educational institutions.

Saibal Saha BCE (J.U.)
