Certificate of Clean and Green Institution

To Whom It May Concern

This is to state that we have been engaged as an energy & environmental auditor by the Aliah University, Kolkata for both of their campus at Newtown Rajarhat and Park Circus. Based on our audits, this is to certify that the Institute has taken up measures in maintaining a clean, eco-friendly campus, promoting green practices, and fostering a culture of environmental stewardship among students and staff. They deserve a high-five on their efforts.
