Report on e-counseling

Counselling services are essential for educational institutions. Aliah University has a student counsellor to help the students with any problems related to their academics, and emotional problems. With the increase in the number of students in this university who come from far-off districts in West Bengal, it becomes mandatory to provide services to these students who may face different kinds of problems and issues. Aliah University has been providing online counselling to students post-covid.

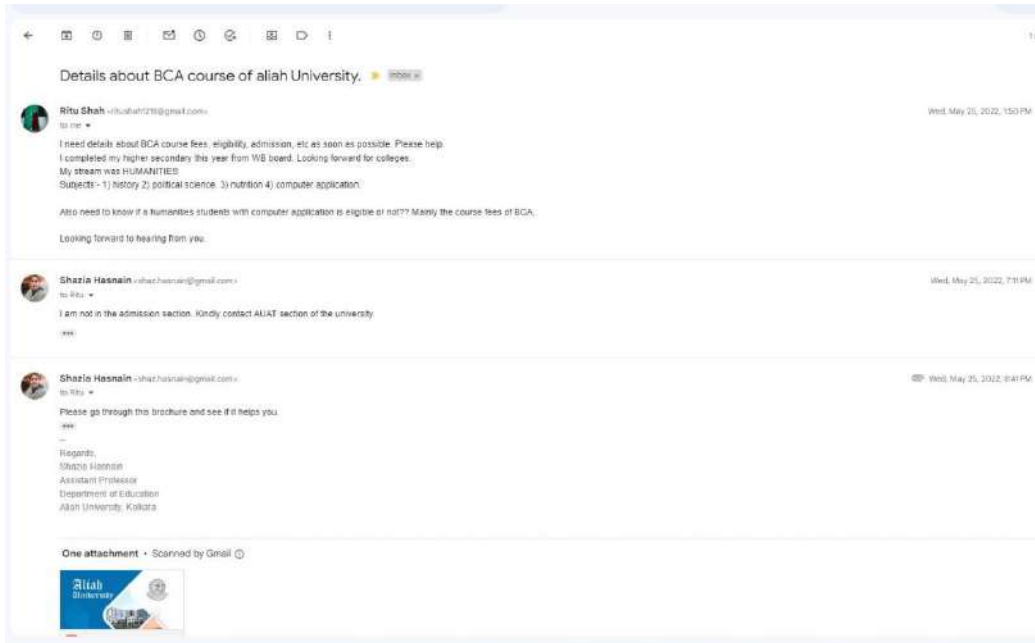

During my time working as a student counsellor, which began in April 2022, no students approached me with emotional or personal difficulties that needed in-person assistance. The majority of the questions that students sent were about admissions, and their questions were responded to via mail. For instance, on 25th May 2022, Ritu Shah mailed regarding the details about admission to the BCA course. I replied back by attaching the admission brochure for the year 2022-23 and instructing her to go through it for all the details. Tanveer Ansari mailed on 15th July 2022 regarding the cut-off marks for applying to the computer Science engineering department and I replied by sending the admission brochure and also gave the page number where the criteria for marks were mentioned. Md. Muddassir Akhtar sent an email on August 22, 2022, expressing his desire to enroll in computer science should a seat be available. He was not eligible to pursue computer science because of his AUAT rank. I told him to enquire about this in the AUAT office and provided him with the email ID for directing his query and request.

One example of a university student requesting help is Nadira Begum from the English department. On April 20, 2023, she sent me an email asking for an urgent provisional certificate because she needed to give it to her workplace. In 2022, she completed her bachelor's degree. In response, I made it clear that I was not authorized to provide a provisional certificate and that she should either go to New Town or speak with the head of the department about the further course of action.

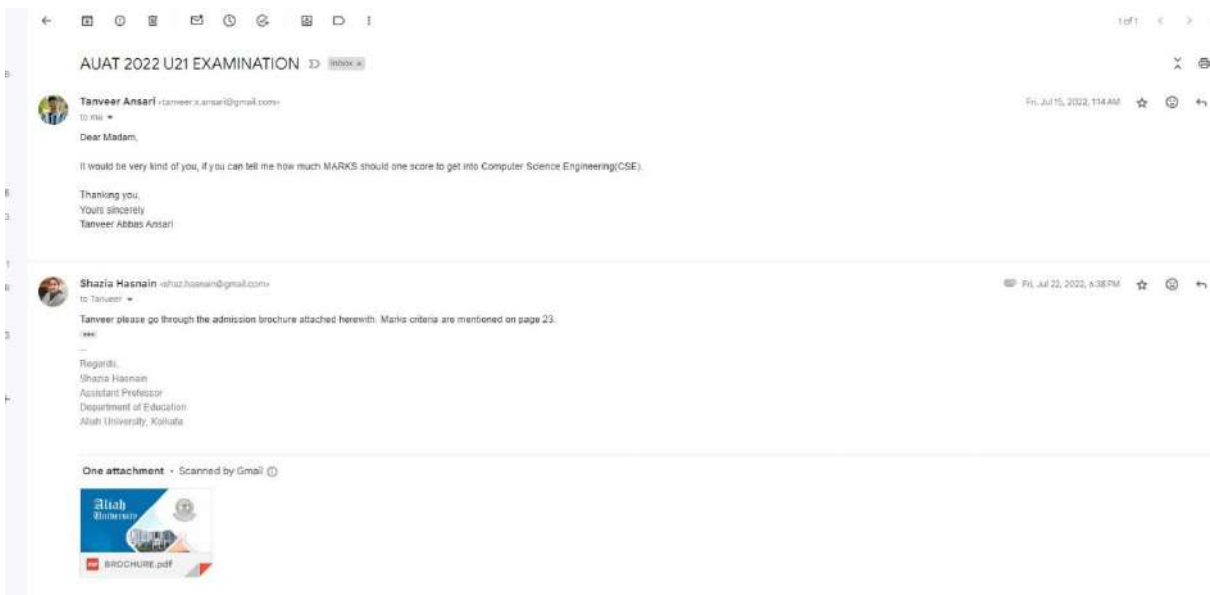

A few foreign students made inquiries, like Sabbir Hossain, who mailed on August 25, 2023, asking about pursuing a master's in English from Aliah University. I responded by telling the student that applications are open starting in May and that he should visit the websites frequently to apply and I had mailed him the admission brochure for 2023 for his reference. On March 8, 2024, Shahed Hasan from Bangladesh inquired about admission to Aliah University. I had mailed him the flyer at the time, and on March 25, 2024, when he enquired again, I provided him the brochure along with the instructions to go through it for the admission-related information that he needed.

Dear Shazia Ma'am,

Thank you for your quick response.

I had a call from the HR of my employer where they asked for evidence like a Challan copy of my submission of a provisional certificate request. Only then I can get the 90 days time to submit the provisional certificate. I need this copy to submit the required documents to my employer before April 25th, 2023.

I would like to request you to kindly provide me with a Copy of the Challan at the earliest possible time, indicating the fees to be paid for the issuance of the Provisional Certificate. I would appreciate it if you could expedite the process, given the time constraints.

Please let me know if there is any further information required from my side to process the request. I would be grateful for your prompt response and assistance in this matter.

Thank you for your kind attention.

Warm Regards,
Nadira Begum

Nadira, I understand your urgency. But I am not authorized to initiate any process for a provisional certificate. It has to be done by you and it will be provided by the concerned authority. As I have said the University is closed and you need to contact them in person on a working day. You may also speak to the head of your department regarding this matter.

Training & Placement Cell: Pre-Placement Talk and Career Counseling

Aliah University (AU) started a full-fledged Training & Placement (T&P) Cell under the supervision of a full time Training & Placement Officer, in November, 2015. Prior to this, the T&P Cell activities were coordinated by different faculty members and contractual placement officers. Besides placement, the University provides special training for the students of 2nd, 3rd & 4th year for the development of various skills like Soft Skill (Aptitude, HR, GD, PI etc.) and English Communication Skill required for employability enhancement.

Realizing the importance of placement, the T&P Cell maintains liaison with various industries; lots of students have already got lucrative jobs in different sectors. Educational training is the backbone of the career of a student to be placed in a reputed company. Practical training for both Engineering and Management students is an integral part of the curriculum. The students are introduced to industrial practices through training programmes. Here soft skills lab, advance computing lab, all-time internet and career guidance support the students to prepare for exams like GATE/GRE. These programmes help students by augmenting their chances for better placement. The University also has infrastructure for industrial training in ERP, VLSI, GIS, Embedded software, J2EE, .NET, etc. Computers have Linux environmental facilities where required. The T&P Cell interacts with corporates on a regular basis and arranges for student placements.

Objectives of the Training & Placement Cell:

- I.** To develop overall personality of students and to make them employable in private/public sectors and MNCs.
- II.** To develop various skills like aptitude, reasoning, communication leadership, interpersonal, technical, and soft skills to meet the corporate recruitment process.
- III.** To motivate students to aspire for higher studies and guiding them to take competitive exams such as GATE/GRE, etc.
- IV.** To eradicate skill deficiencies and increase the academic standard at par with the corporate needs.
- V.** To place the maximum number of students through on-campus, pooled- campus and off-campus interviews conducted by reputed Government / private organizations and MNCs.

Training & Placement Activities

The competition for employment has intensified day by day and fetching a good job is becoming a challenging task. Only academic study is not sufficient for it. Keeping this in mind, the Training and Placement Cell endeavours to achieve 100% smooth journey of all the professional students from classroom to corporate world with 'One Person One Job' policy. The major activities of the Cell include:

- i.** Developing strong network between the University and the corporate world throughout India.
- ii.** Arranging on and off campus placement programmes.

- III. Organizing Pooled campus drive at Aliah University.
- IV. Arranging step by step training methodology to develop various employable skills including interview handling skills of the students.
- V. Employing professional trainers from reputed training agencies to train the students through Mock Interviews, Aptitude Tests, Group Discussions, Online Tests, Personality Development Tests and HR Interview.
- VI. Organizing seminars and lectures periodically by eminent personalities from both academia and industries.
- VII. Arranging Technical Training by Technical experts and Industrial Visits during semester breaks to get practical exposure.
- VIII. Assisting the final year students in getting industry projects related to their domain.

Training:

Practical training for engineering and management students is a part and parcel of the curriculum. The T&P Cell organizes regular training programmes on grooming, mock interviews, as well as industrial practices. A few of the in-house grooming programmes, organized by the T&P Cell include:

- (i) Interactive Seminars & Workshops
- (ii) Aptitude & Soft Skill Classes
- (iii) In-depth counselling by experts
- (iv) Mock interviews
- (v) Arranging technical training by technical experts and industrial visits during semester breaks to get practical exposure.

The T&P Cell after deliberations with various recruiters, students and faculty members, have designed the following step-by-step methodology for development of the students.

Pre-Placement Training - Steps to Success

Report of Special Lecture organized on 07.09.2021 by the Departmental Student Welfare Committee, Department of Education, Aliah University

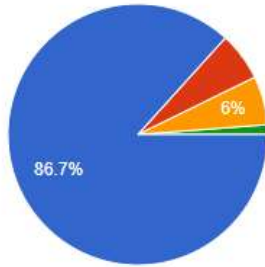

The Department of Education organized a Special Lecture on “Career Guidance and Awareness on Modern Technological Trends in Education” on 07.09.2021 from 7:00 PM to 8:30 PM online through Google Meet platform. Two eminent speakers: Dr. Mahfuz Alam from Rammohan College, Kolkata and Dr Ajoy Ghosh from St Xavier’s College, Kolkata graced the occasion with their valuable talks. The lecture was attended by 83 students, 5 research Scholars and 8 Faculty members of the Department and 1 student from Aligarh Muslim University and one from St Xaviers College .

The Resource Person was heartily welcomed by Mr. Kaji Abdul Kafi, Convenor of the committee, followed by inaugural speech by Dr. Md Jamal Uddin, HoD and the Chairman of the committee. The first speaker Dr. Mahfuz Alam, having 5 years of rich experience in teaching college students provided a vivid presentation on the role of Career Guidance and strategies to avoid career uncertainties in students. Student asked about their queries and the speaker clarified their doubts. Scope and role of Mass Education Officer came up in the interaction period. The second speaker Dr. Ajoy Ghosh briefly elaborated the scope of career options for students of MA (Education) and B.Ed. students. His speech emphasized the role of Open Educational Resources, New Digital Archival databases, Moocs- SWAYAM in the modern fields of Education and research. Two other faculties from the department, Mr. Sohel Rana and Mr. Mahabub Islam made concluding remarks of the first speaker and the second speaker respectively.

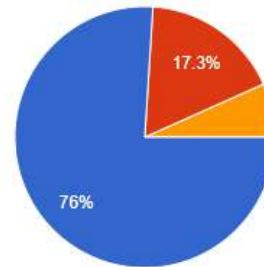

Finally Dr. Prakriti Ranjan Sarkar, Co-convenor of the organizing Committee offered the vote of thanks to the house to conclude the session. A feedback form was provided to the participants to gather their responses on the relevance and significance of the session.

Sub: Proposal to introduce NET, SET and GATE Coaching at Aliah University.

Sir,

To introduce NET, SET and GATE Coaching at Aliah University has always been in demand by the students of this University. Occasionally, a few departments in their individual capacity are providing coaching to their students for NET, SET and GATE examinations.

The University now proposed to introduce a NET, SET and GATE Coaching Centre for the students aspiring for clear these examinations. In this connection, please find enclosed a Standard Operation Procedure for setting up a NET, SET and GATE Coaching Centre at Aliah University along with its financial involvement. The Coaching Centre is proposed to start functioning tentatively from January 2021.

In the interest of the students mostly from minority communities of the State, you are earnestly requested to go through the proposal and consider the same for necessary approval from your end. I shall be grateful if you kindly do the needful at your earliest convenience.

Thanking you,

Yours sincerely,

(Vice-Chancellor)
