Department of Journalism and Mass Communication, Aliah University, Kolkata West Bengal organized a One Day International Webinar on ‘Mediated Mythical Discourses: Media Semiotics and Research’ on the 31st January 2021.

The event was addressed by Prof Arthur Asa Berger Professor Emeritus, Broadcast and Electronic Communication Arts San Francisco State University on the topic ‘Myth and Media Semiotics’. The webinar also had a deliberation by Prof K.V.Nagaraj, Professor (Rtd) and former Pro Vice Chancellor, Assam University on ‘Many Dimensions of Communication Research in India’. The webinar witnessed participation from across India, around 500 participants registered for the

webinar and almost 160 +participants joined the two and half hour long session. The webinar also witnessed participation from academics, research scholars from not only India but around the globe, with around 5 faculty members from Bangladesh attending the session.

Prof Berger in his presentation briefly discussed about the use of Methods of Analysis Semiotic Theorists. He also deliberated on methods of interpreting texts with focal points: Art/Artist/America/Audience/Media. He then went on to explain concepts such as Myth, Myth Model, Myth of David and Goliath, Myth and Macintosh, Myth Model and Fidji Advertisement from his works.

Prof K.V. Nagaraj delivered his lecture on the developments of communication research in India and its many dimensions. He further stressed on the need for diversification and innovation in research design in among Indian media researchers to take it to global standard.

Prof Arthur Asa Berger is Professor Emeritus of Broadcast and Electronic Communication Arts at San Francisco State University, where he taught between 1965 and 2003. He has published more than 100 articles, numerous book reviews, and more than 60 books. Some of his very renowned books are Media Analysis Techniques with its 6th edition in 2018, Media and Communication Research Methods: An Introduction to Qualitative and Quantitative Approaches (2013). He has also written a number of academic mysteries such as Durkheim is Dead: Sherlock Holmes is Introduced to Sociological Theory (2003) and Mistake in Identity: A Cultural Studies Murder Mystery (2005), Signs in Society and Culture , Shopper's Paradise: Retail and American Consumer Culture, Humor, Psyche and Society, Three Tropes on Trump ,Brands and Cultural Analysis, Marketing and American Consumer Culture, Applied Discourse Analysis , USA POP: Culture/Fashion/Style/Taste, Ads, Fads and American Consumer Culture. His books have been translated into eight languages and thirteen of his books have been translated into Chinese.

The second speaker of this International Webinar was Prof Krishnapuram Venugopal Nagaraj, who has been a professor of repute in Indian media education. Prof Nagaraj has been associated with Media Education since three decades and has served as Professor in many Universities as well as pro- Vice chancellor of Assam Central University. He worked for different agencies including Second Press Commission, India, University Grants Commission, India, Indian Council for Social Science Research, National Council for Science and Technology communication and Press Council of India. Prof. Nagaraj has supervised more than 50 doctoral and MPhil scholars at various universities. He has convened, chaired and organized serious academic congregations the most recent being the International Web Convention on 100 years of media education in South Asia. Prof. Nagaraj authored ten books. He works as an editorial advisor of various research journals and contributes in national and international journals.

‘It was the best of times, it was the worst of times’- this famous quote from the ‘Tale of Two Cities’ is definitely adept in explaining the current pandemic situation across the globe perfectly. While COVID 19 has definitely slowed the world down and caused unparalleled damage to the world economy and health prospects, it has opened a new horizon for the digital era to take the world by the storm. In this world digital is the ‘new normal’.

To observe and analyze the ‘new normal’ and how the South Asian countries are dealing with it, Journalism and Mass Communication Department of Aliah University organized a 2-day long webinar series titled ‘Covering COVID 19 in South Asia’ held on 17th and 18th July 2020 from 6 pm onward via Google meet platform. The convenor for this webinar was Dr. Mohammad Reyaz, Head (officiating) of the department, JMC, Aliah University.

The session 1, held on July 17, was titled 'From Ground Zero Media Coverage of COVID 19 in India' and the session probed into the media coverage of COVID 19 situations in different parts of India and highlighted several allied issues in the light of the pandemic as well. Chaired by Mr. Gulam Jeelani, Assistant Editor of Mail Today, this session experienced an introspective discussion from stalwart participants including Padma Priya from Suno India (Hyderabad), Parth MN (Mumbai), Riju Basu from ABO (Kolkata), Priyanka Trimurthy from The News Minute (Chennai) and Cyrill Sam (New Delhi).

Mr. Jeelani opened the session with his experiences of covering COVID 19 situations at New Delhi. He focused on how the AAP Government in Delhi came to power with the promise of adequate health care system and how the same crashed fighting this pandemic. He pointed out that the health care facility shortage was noticed vehemently in Delhi around June. He mentioned the distinct communication gap between the Government and the journalists focusing how very limited number of press conferences (1 or 2) was held by Arvind Kejriwal, Delhi's Chief Minister in the past 4 months. This situation led to insufficiency of data and numbers for journalists who were entitled to report COVID 19 cases and reports could not be prepared in detail. Mr. Jeelani concludes saying that Delhi was in a much stable condition as there were only 50% of the estimated number of COVID cases.

The next speaker Padma Priya, co-founder of Suno India, spoke about the initial difficulties of covering COVID cases. An interesting observation in her experiences would be how she had to struggle to report COVID 19 situation just because of her medium as quoting her, "podcast is not a 'breaking news' kind of medium". Reporting on Telengana had been a challenging job for her too as they also were struggling for data from Government and not a lot of questions were being answered by credible sources. She also pointed out how basic measures such as testing for COVID 19 also required special privileges at a point in time. She interestingly mentioned about the erosion of press freedom in Telengana and how the reports could not be extremely critical of Telengana Government.

The next speaker Parth MN, a reporter based in Mumbai in addition with his experience of covering COVID cases spoke in detail about the migrant crisis generally in India, and particularly in Maharashtra. He urged to think about the sheer cause of migration citing data which shows that the Government fails to provide enough employment to the rural workers which causes a considerable volume of workers to move out of their respective state. The discussion also threw light on the plight of agriculture and the fall of rural economy. He thinks it is important for the people to analyze what makes the rural workers be at the mercy of the urban employers.

Ms. Priyanka Trimurthy spoke about the silence of the Government at the beginning of the COVID outbreak. She also focused upon the human aspects of the situation. Starting from the economy in Chennai to the condition of women in the city was discussed with special focus on domestic violence. She very interestingly highlighted how health issues and struggles are not the only struggles brought forth by this pandemic.

Mr. Riju Basu focused on the challenges that the journalists and other media platforms (including music industry and theatre) during the time of pandemic. The journalists had to overcome the fear of getting infected while going out and reporting these cases. He added the aspect of Amphan, a horrific cyclone that shook West Bengal during the pandemic itself and he spoke about how life at Bengal became all the more difficult fighting both the Pandemic and the cyclone.

Journalist Cyril Sam, who works with online media, spoke about a very important aspect of reporting. He focused on the massive layoff problems faced by the journalists. He discussed that with at least 1000 journalists losing their job during the pandemic, the newsroom diversity was facing a premature death. The specialization in news reporting became blurred during these pandemic times. Even though he spoke about the vacuum for journalism that could be created in the future, he also seemed hopeful about journalists as future entrepreneurs.

The discussions were followed by a question and answer session where the participants asked interesting questions about each of these aspects of media coverage during COVID 19. The webinar ended with a formal vote of thanks and an invitation for session 2 to be held on the next evening.

Webinar on Covering COVID 19 in South Asia- Panel II Report

To observe and analyze the 'new normal' and how the South Asian countries are dealing with it, Journalism and Mass Communication Department of Aliah University organized a 2-day long webinar series titled 'Covering COVID 19 in South Asia' held on 17th and 18th July from 6pm onward via Google meet platform. The convenor for this webinar was Dr. Mohammad Reyaz, Head (officiating) of the department, JMC, Aliah University.

The 2nd session of this webinar was held on July 18 and was titled 'Covering the Pandemic: Experiences from South Asia' and the session was the extension of what was discussed on July 17. Additionally, this session educated us about the situations that people are facing during the COVID 19 outbreak all over South East Asia.

The discussions enlightened us about the challenges that most of the journalists of South East Asia are facing. The session touched upon human interest stories, health aspect, socio-political aspects and other important sides of this pandemic in respect to 6 South East Asian countries. Chaired by Mr. Suvojit Bagchi, this session experienced an introspective discussion from stalwart participants including Mr. Noor Gul Shafaq from Afghanistan, Ms. Sumera Khan from Pakistan, Ms. Niha Massih from India, Mr. Phanindra Dahal from Nepal, Ms. Zyma Islam from Bangladesh and Ms. Zinara Ratnayeke from Sri Lanka.

Mr. Noor Gul Shafaq from Afghanistan opened with his experiences during the pandemic. He said that the people in Afghanistan were religious and depending on God they believed that the pandemic would not be able to affect them. As a result they got careless. Initially a Hoquiam claimed to have a homeopathy drug for Corona and it has opium mixed in it and eventually it got discarded by the authority. However, things have improved since then. Right now new normal activities can be seen there and only schools are closed. Since people in Afghanistan are habituated with big joint families, social distancing tends to become an issue for them.

Ms. Sumera Khan from Pakistan focused on how international relations played an important part in the battle against COVID 19. Pakistan's geographical location close to China and Wuhan city also led to significant problems in the country during this time. At the same time, people denied to believe that COVID is at all a threat. On top of that, Pakistan at the same time faced war threats, locust threats along with the pandemic situation. That proved to be even more difficult. Also, she discussed how the pharmaceuticals mafias took advantage of the situation and wiped out even the ordinary masks from the market just to fish in the troubled water. However, she assured that things are better and under control now.

Ms. Niha Massih from India spoke about how finding correct data from the Government has been a real challenge in India in the times of COVID. This has in fact a reflection of the discussion where the regional journalists of India have mentioned 'lack of data' time and again the previous day. She also focused on how the health infrastructure is really bad in India and no clarity could be achieved through press conferences. Niha also spoke on the issue of migrant workers and how India has experienced mass mobilization on foot during the lockdown.

Mr. Phanindra Dahal from Nepal spoke about the aspect of victim blaming- how COVID patients were being blamed and ill-treated for the situation. He mentioned the Tablighi Jamat case in the context. He also spoke about the mental health issues faced in Nepal due to the lockdown. He also focused on the reduction of pay.

Ms. Zyma Islam from Bangladesh spoke about labour problems faced in Bangladesh. She also focused on the different struggles of Bangladesh during the pandemic situation. She also spoke about crowd sourcing.

Ms. Zinara Ratnayeke spoke about how Sri Lankan Government has been spreading wrong information during the pandemic. She also spoke about the plight of travel journalism as travel stopped during the pandemic. She also focused on how many airline magazines ceased publication during this time. She also spoke about how ethnic tension was constantly being created by putting the blame on the minority.

The discussions were followed by a question and answer session where the participants asked interesting questions about each of these aspects of media coverage during COVID 19. The webinar ended with a formal vote of thanks.

Women's day Program: Lecture and Discussion on Women's Health and Wellness

Date: 21/03/2023

Location: Seminar Hall, LB 06, *Biological Sciences.*

Introduction:

The lecture and discussion on women's health and hygiene held on 21st March to mark the International Women's day (8th March) provided a comprehensive overview of crucial topics pertaining to women's well-being. The event aimed to raise awareness about the importance of proper healthcare practices and hygiene routines among women of all ages.

Speaker:

The lecture was delivered by Dr. Fakhra Masroor, MBBS, DNB OBS GYN, FIAOG, Laparoscopic Surgeon and Infertility Expert, Ex Sr Surgeon in Calcutta National Medical College

Key Topics Covered:

Menstrual Health:

The session began with an emphasis on menstrual health, highlighting the need for open conversations and proper education regarding menstruation.

Dr. Fakhra Masroor discussed common menstrual disorders, their symptoms, and available treatment options.

Sexual Health and Education:

The lecture delved into the significance of comprehensive sexual education, emphasizing safe practices and consent. Common misconceptions and myths were debunked to promote informed decision-making.

Hygiene Practices:

Dr. Fakhra Masroor highlighted the importance of maintaining proper hygiene routines, including regular bathing, oral care, and intimate hygiene. Practical tips and recommended products were shared to encourage healthy habits.

HOD (Officiating)
Dept. of Biological Sciences
Aliah University, Kol-160

Mental Health and Well-being:

The lecture concluded with an essential discussion on mental health, acknowledging its integral role in overall well-being. Strategies for managing stress, anxiety, and seeking professional help when needed were addressed.

Interactive Discussion:

Following the lecture, an engaging Q&A session provided attendees with the opportunity to seek clarifications and share personal experiences. Participants actively participated, demonstrating a keen interest in the subject matter.

Feedback and Conclusion:

Feedback from attendees was overwhelmingly positive, with many expressing gratitude for the valuable information provided. The lecture and discussion on women's health and hygiene served as an essential platform for raising awareness and promoting proactive healthcare practices among women.

Overall, the event was a resounding success in addressing critical aspects of women's health and hygiene, leaving attendees equipped with knowledge and resources to make informed decisions regarding their well-being.

Date: 07.09.2023

Location: Seminar Hall, LB 06, Biological Sciences

Speaker: Mrs Rimly Roy

Head, Student Mentor, Frame Learning, Kolkata

A Career Counselling Programme was organised on occasion of Shikshak Parv 2022 on the topic PhD Abroad on 7th September, 2023.

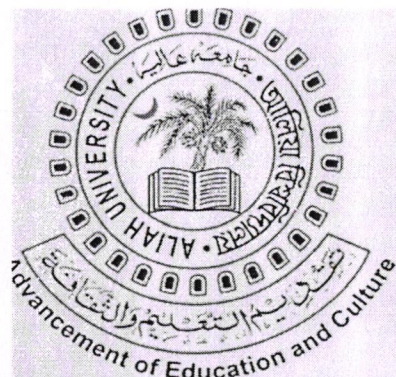

Reports:

The Career Counselling Programme for PhD Studies Abroad was an initiative designed to assist aspiring scholars in making informed decisions about pursuing doctoral studies in foreign countries. This report provides an overview of the programme, its objectives, methodologies, and outcomes. It was aimed to provide comprehensive information about opportunities for PhD studies in foreign universities and assist students in identifying suitable universities and programmes aligned with their research interests and career goals.

Discussion was held on application process, including document preparation, admission requirements, funding, scholarships, and financial aid for their studies abroad.

Facilitate the development of a customized academic and career plan for each participant.

Notice

09.01.2019

It's our great pleasure to announce you all concerned that Dr Rajendra Singh popularly known as the *Water Man of India* would be delivering a special lecture today i.e. 09.01.2019 afternoon (4:30 pm to 5:30 pm) in the Department of Geography, Aliah University, 17 Gora Chand Road, Kolkata- 700 014, West Bengal . Water Man would be taking about 'saving dead and decaying rivers of India' as a part of Ganga Sadbhawana Yatra which started at the source point of Ganga and would be continuing upto the Sagar Island in West Bengal. At the end of his deliberation, he would also be making an interactive session with the participants for their views and concerns about the rivers of Bengal.

All are cordially invited to hear the Water Man of India.

12:00 Noon – 12:15 PM	Question and Answer Session (Moderator: Dr. Samiran Sur)
12:15 PM	Introduction of the Second Speaker by the Convener
12:16 PM – 1:00 PM	Session-2 Speaker: Sirsha Gupta Director, SANHITA: Gender Resource Centre Understanding the Law
1:00 PM – 1:15 PM	Question and Answer Session (Moderator: Dr. Ayan Majumdar)
1:15 PM – 1:30 PM	Vote of Thanks by the Convener
Anchor will keep giving information on the upcoming event.	

Department of Management and Business Administration & Internal Complaints Committee (ICC) Aliah University (AU), Kolkata, India

Webinar on "Awareness of Sexual Harassment of Women at Workplace"

on 5th August, 2020, 11:00 AM

In line with UGC recommended Webinars on Gender Biasness & Stereotyping, Gender Equality and Women's Right

Speaker 1

Soma Sen Gupta
Director,
SANHITA: Gender
Resource Center
<https://sanhita.org>

Speaker 2

Sirsha Gupta
Programme Officer,
SANHITA: Gender
Resource Center
<https://sanhita.org>

Registration Details

- Click the following link for registration: <https://forms.gle/PzfvTylCgGcoQNWd8>
- Only registered participants will receive an e-certificate. Registration is FREE.
- Join our webinar via Google Meet: Link to be sent to the registered participants only (First 100 registered participants shall be allowed).
- The participants must be a Faculty Member / Staff / Research Scholar / Student of Aliah University.

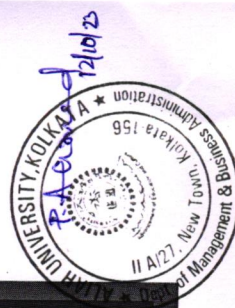

Topics

- Session-1- Sexual Harassment at Workplace (SHW) – Issues, Types, Myths and Realities
Session-2- Understanding the Law:
- ✓ The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.
 - ✓ UGC (Prevention, Prohibition and Redressal of women employees and students in higher educational institutions) Regulations, 2015

CHIEF PATRON

Hon'ble Vice-Chancellor, Aliah University

CONVENOR

Mr. Rafiqul Haque

JOINT ORGANIZING SECRETARY

Dr. Golam Kibria

PATRON

Registrar, Aliah University

ORGANIZING SECRETARY

Dr. Shamim Haidar

TREASURER

Mr. Subha Mondal

ACCOMMODATION OF GUEST / PARTICIPANTS

Around the university, there are lot of star hotels available to book. However, the organizer of the conference can make necessary arrangement for accommodation of the participants / guest with prior intimation. Participants can also make their own arrangement for accommodation by visiting travel websites or agents. For more information regarding accommodation, visit conference website.

SPONSORS / EXHIBITORS

Government organizations, industries and private sectors sponsoring this conference will be acknowledged in all banners, posters and conference kits depending on the type of sponsorship. It is also planned to bring out an attractive book of abstract that will include abstract of all papers and in it, some pages will be reserved for sponsors. Exhibitors are called for displaying their products by booking the stalls. For pricing, visit conference website.

Dr. Arindam Biswas, Kazi Nazrul University, W.B.

Dr. Prasenjit Chatterjee, MCKV Institute of Engineering, Howrah

Dr. Nilruda Mandal, CMERI Durgapur

Dr. Harshit K. Dave, S. V. NIT, Surat

Dr. Sandip Kumar, Aditya Engineering College, A.P.

Dr. Somnath Das, Swami Vivekananda Institute of Science & Technology, Kolkata

TRACK 13: COMPUTATIONAL FLUID

75. Two Dimensional Computational Fluid Dynamics Study of H-type Darrieus Vertical Axis Wind Turbine with NACA0019 Airfoil <i>S.M. Rahman, H. Chattopadhyay and P. Dutta</i>	463
76. Bond Graph Aided Dynamic Analysis of Floating De-Coupler Type Hydraulic Mount <i>R. Singh and T.K. Bera</i>	469
77. Numerical Investigation of Non-Linear Joule Heating Effects on an Electrokinetic Flow in a Microfluidic Channel <i>S.K. Mintajuddin Ahamed and Amitava Dutta</i>	475
AUTHOR INDEX	481

TRACK 7: THERMOFLUIDICS

44. Technological Advancement and Economic Consideration for Reverse Osmosis in Seawater Desalination
Indranil Paul, Kaushal Sha and Bijan Kumar Mandal 271
45. Numerical Investigation of Natural Convection in Rhombic Porous Enclosure Saturated with Copper Water Nanofluid with Nonlinear Heating at the Bottom Wall
Shantanu Dutta, Sukumar Pati and Arup Kumar Biswas 278
46. Experimental Study of Thermal Effect on Oscillating Hydraulic Jump
Saikat Mondal, Sanchayan Mukherjee, Subhasish Das 287
47. Cooling of Electronic Equipment Utilizing Nanofluids in Minichannel Mounted Over a Heat Pipe
Sonal Kumar and Pabitra Halder 292
48. Three Dimensional Analytical Solution of Transient Thermal Response in Gear Tooth Subjected to Heat Conduction
Jaideep Dutta, Nabankur Mandal and Santanu Roy 296

TRACK 8: LASER MATERIAL PROCESSING

49. Performance Evaluation of a Developed Low Cost High Precision 3D Laser Scanner for Reverse Engineering Applications
Ankita Das, Souren Mitra and Soumya Sarkar 305
50. Parametric Analysis of Low Power Pulsed Laser Trepan Drilling on Monel K-500 Superalloy
D. Pramanik, B. Biswas, A.S. Kuar, S. Sarkar and S. Mitra 309
51. Nanosecond Pulsed Fiber Laser Micro-drilling on Quartz
A. Sen, B. Doloi and B. Bhattacharyya 316
52. Experimentation and Analysis of Spiral Micro-Grooving Process on Aluminium using Pulsed Fiber Laser
O.F. Biswas, A. Sen, G. Kibria, B. Doloi and B. Bhattacharyya 321
53. Modeling and Optimization of Fiber Laser Marking on Stainless Steel 304
M. Pandey, A. Sen, B. Doloi and B. Bhattacharyya 327
54. State of the Art on Fiber Laser Micromachining in Coronary Stent Cutting
R. Samanta, M. Pandey and B. Doloi 332

TRACK 9: INNOVATION IN MANUFACTURING

55. Simulative Analysis for Dry Grinding of Ti-6Al-4V using Silicon Carbide Wheel
Mainak Mazumder, Sourodp Roy, Manish Mukhopadhyay, Arindam Santra and Dibakar Ghosh 341
56. An Alternative Approach for Sand Casting Process by Replacing of Silica Sand with Stone Dust
Mir Zeeshan Ali, Md. Kamaruzzaman, R. Haque, M. Sekh and Shamim Haidar 346
57. Evaluation of Multi-Criteria Inventory Control Techniques for a Pump Manufacturing Organization
Ankur Das and Santanu Das 354
58. Value Stream Mapping for Lead Time Reduction in Rubber Products Manufacturing Company
H. Marfatia, A. Vaghani, N. Shah, P. Karande 359

11. Investigation on Wire Electro-Discharge Machining of Titanium based Alloys and Composites Varying Different Process Parameters <i>Soutrik Bose and Titas Nandi</i>	69
12. Experimental Investigation for Improving Angular Deviation in Fused Deposition Modeling on ABS <i>D. Pramanik, A. Mandal and A.S. Kuar</i>	75
13. An Experimental Investigation on Abrasive Jet Machining of Alumina Plates using Silicon Carbide Abrasive <i>Deb Kumar Adak, Prosenjit Dutta, Santanu Das and Barun Halder</i>	81
14. Assessing the Effect of Powder Mixed with Dielectric in Wire EDM of Ti6Al4V using RSM <i>S. Chakraborty, S. Mitra and D. Bose</i>	89
15. Analysis on Ultrasonic Machining of Bio-Ceramics <i>S. Das, S. Kumar, B. Doloi and B. Bhattacharyya</i>	96
16. Experimental Investigation into Micro Ultrasonic Machining of Ti-6Al-4V <i>S. Kumar, B. Doloi and B. Bhattacharyya</i>	103
17. Determination of the Optimum Process Parameters through GRA during Generation of Circular Micro-Textured Pattern by TMEMM <i>S. Mahata, V. Kumar and B. Bhattacharyya</i>	107
18. Experimental Investigation into Micro Electrochemical Milling of Ti6Al4V with Rotary Flushing Technique <i>K. Mishra, S. Gupta, B.R. Sarkar and B. Bhattacharyya</i>	113
19. Sequential Micro Machining: Reviews, Challenges and Possibilities <i>A.R. Sarkar, B. Doloi, R.M. Tayade and B.R. Sarkar</i>	119
20. Analysis of Surface Roughness and Topography of Aluminum Alloy (Al 7075) Machined by WEDM <i>K.B. Mandal, M. Sekh, S. Sarkar, S. Mitra and D. Bose</i>	125
21. An Influence of Pulse Frequency on Hole-Making Performance of Ceramics by ECDM <i>P.K. Gupta, K.K. Dhakar and C.S. Rajoria</i>	129
 TRACK 5: ENGINEERING DESIGN	
22. Computational Analysis of Shock Diffraction over Sharp Splitters <i>Amar Yadav and Pabitra Halder</i>	137
23. A Critical Review of Orthopaedic and Dental Implant Materials <i>Sarfaraj Ansary, Shamim Haidar, Rafiqul Haque and Sajed Ali Molla</i>	140
24. Tribological Performance Optimization of Electroless Ni-B-W Coating <i>A. Mukhopadhyay, T.K. Barman and P. Sahoo</i>	145
25. Characterisation and Tribo Behavior of Nano Alumina Incorporated Electroless Ni-P Coatings <i>D. Mohanty, T.K. Barman and P. Sahoo</i>	152
26. Thermoelastic Behavior of Dry Friction Clutches with Constant Heat Generation <i>Josef Schlattmann, Oday I. Abdullah, Ihsan Y. Hussain, Hazim U. Jamali and Amjad Al-Hamood</i>	158
27. Design and Testing of Support Bracket for Holding Air Brake Distribution Valve in 40 Feet Flat Wagon <i>Apurba Das, Subham Upadhyay and Nagvendra Kumar Kanoje</i>	164

Preface

Mechanical engineering is a discipline of engineering that applies the principles of physics and materials science for analysis, design, manufacturing, and maintenance of mechanical systems. It is the branch of engineering that involves the production and usage of heat and mechanical power for the design, production, and operation of machines and tools. It is one of the oldest and broadest engineering disciplines. Since last three decades, this field of engineering has been established through their wealth created activities. It initiates innovation and creates wealth around the world by inventing ways to produce more with less. The demand of efficient technologies for the easy life style is always been felt in every sector of mechanical engineering such as design, thermo-fluid, manufacturing, material innovation, energy studies, etc. In order to tackle the different issues and to cope up with changing environment of technology, the aim of the *International Conference on Advancements in Mechanical Engineering (ICAME-2020)* is to bring together specialists and practitioners from Industries, Governments and Academia and to provide the forum for exchange of ideas. The various modules of activities of the conference will open up new horizon and challenging possibilities of mechanical engineering applications and associated research areas.

The call for paper receives enthusiastic response from leading scientists and researchers. Near about 168 abstracts have been submitted by practicing engineers and researchers from all over India and abroad and critically peer reviewed. Almost all the submitted abstracts were in innovation in mechanical engineering and thus, all the abstracts have been invited to submit the full papers, which have been again peer reviewed by leading technical experts of India and abroad. Finally 77 papers have been accepted for oral presentation and publication in the conference proceedings. The proceedings has been divided into thirteen (13) groups e.g. Combustion Engine, Design of Experiment, Refrigeration, Advanced Manufacturing, Engineering Design, Material Engineering, Thermofluidics, Laser Material Processing, Innovation in Manufacturing, Energy Studies, Modelling, Simulation and Robotics, Welding Technology, and Computational Fluid. The whole proceedings is brought out in a single volume. Inaugural Keynote Lecture is being delivered by eminent Prof. Suman Chakraborty, Professor, Department of Mechanical Engineering, IIT Kharagpur, India. Other than this, four keynote lectures being presented by leading technical experts from India and Abroad (Prof. G Sutradhar, Director, NIT Manipur, India, Prof. Tanveer Saleh, Associate Professor, Department of Mechatronics Engineering, International Islamic University Malaysia, Mr. Imteyaz Ahmad, Head of Desalination, Middle East. WSP, Prof. Debasis Dutta, Professor, Department of Mechanical Engineering, Indian Institute of Engineering Science and Technology (IIST), Shibpur, India. Also we have considered some papers from student researches to encourage them for more serious research in future.

We would like to express our special thanks to the sponsors whose supports made it possible to hold this international conference. We gratefully acknowledge reviewers of the papers, members of International Advisory Committee, National Advisory Committee and Organizing Committee for their valuable advice and cooperation. We are also thankful to our research scholars and staff members of the Mechanical Engineering Department for their help at various stages of organizing the conference. We also like to express our special thanks to the sponsoring agencies and companies for their eminent supports to organize such international event. Finally, we convey our sincere thanks to the authors for their valuable cooperation and contribution of research papers to the conference.

Dated: 08-02-2021

Sub: Request for approval of new dates for the Online Winter School organised by the Department of Islamic Theology jointly with the Institute of Objective Studies, Kolkata Chapter on 15th to 19 February, 2021.

Topic — Islamic Studies

Respected Sir,

As you may be well aware of that the Department of Islamic Theology was supposed to organize a five-day International Winter School Workshop jointly with the above Institute from 8th to 12th February 2021 after due permission from the University Authority dated 13th January 2021 (copy attached). However, as per Office Memorandum of the Govt. of India, Ministry of Higher Education dated 15th January 2021 where organisation of any Online event must be approved by the Administrative Secretary of the concerned Organisation (copy attached). The International Workshop was postponed keeping in view the interest of the University after telephonic conversation with you and consequent consultation in a departmental meeting dated 6th February 2021.

Therefore, it has been resolved in the same meeting to conduct the program at the national level with new schedule and retaining the national participants only (excluding the international participants). I would like to humbly request you kindly to approve the Online Winter School Workshop on new dates from 15th to 19th February 2021.

Hoping of your kind attention and necessary approval in this regard.

Mohd Shamim Akhter
(DR. MOHD SHAMIM AKHTER)
Head (Officiating)

Introduction

The Institute of Objective Studies (IOS) winter school programme in Islamic Studies is being conducted with a view to impart basic but deep knowledge to the university/college students pursuing professional disciplines like BA and Masters in business studies, science, computer science, engineering and medicine etc.

It is also an outreach programme to a new and larger audience particularly the students who are future leaders in medical science, technology and business studies. These students are a very bright section of the young generation with potentials to become leaders and decision makers in their respective fields. It is, therefore, very necessary to acquaint them with the fundamental teachings of Islam as well as the great role that Islam played in the making of global human civilization. This programme is being jointly organized with the Department of Islamic Theology, Aliah University in Kolkata, West Bengal.

Core Courses

1. Islam as Faith and Civilization
2. Revelation and Its Application (Focus on sources of Shariah that led to the emergence of Fiqh)
3. Fundamentals of Islam, Islamic sciences
4. Islam and Knowledge
5. Non-Muslims in Islam and Muslim History
6. Islam and Multi-culturalism
7. Women in Islamic Society
8. Islam in 21st Century
9. Islam and World Peace
10. Islam and Globalization

The above themes have been selected keeping in mind the students and their need to know and understand how Islam is relevant, and can become the major players in the world we are living in. The focus is on being relevant, both religiously and professionally.

Objectives

1. To equip the students with basic and deep knowledge about Islam as faith and source of global Islamic civilization.
2. To educate about the Islamic world view and how Islamic Sciences, Quran, Hadith and Fiqh developed.
3. To enable students understand and analyse the Muslim contribution to world human civilization and how Islamic intellectual renaissance is possible.
4. To prepare students how to cope with the challenges of modernity and westernization from an Islamic perspective.
5. To equip students with the Islamic knowledge to live and succeed in the globalized world as followers and torch-bearers of Islam.

Guest Address	Prof Nilanjana Gupta Professor, Department of English Jadavpur University, Kolkata	07:30 - 07:40 PM
Guest Address	Prof. Mir Rejaul Karim Dean of faculty of Humanities and Languages Aliah University, Kolkata	07:40 - 07:45 PM
Expert Discourse	Dr. Iqtidar Mohd. Khan Professor, Department of Islamic Studies Jamia Millia Islamia, New Delhi	07:45 - 07:55 PM
Guest Address	Dr Syed Nurus Salam Registrar Aliah University, Kolkata	07:55 - 08:00 PM
Presidential Remarks	Dr Mohd Manzoor Alam Chairman Institute of Objectives Studies, New Delhi	08:00 - 08:10 PM
Vote of Thanks	Afnan Akhzar Member Institute of Objectives Studies, Kolkata Chapter	08:10 - 08:15 PM

Mohd Shamim Akhter Qasmi
09/11/23

Session Coordinator: Abdul Basit Ismail

DAY 2

Business Session I

February 16, 2021

Tuesday

10:00 AM to 11:30 AM

Lecture - I

10:00 AM. to 10:35 AM

Topic	Islam as Faith and Civilization
Speaker	Prof Ishteyaque Danish Former Prof, Dept. of Islamic Studies, Jamia Hamard, New Delhi
Questions & Answers	10:35 AM to 10:45 AM

Lecture- II

10:45 AM to 11:20 AM

Topic	Jama wa Tadween Qur'an
Speaker	Dr Imdad Hussain Asst. Prof, Dept. of Islamic Theology, Aliah University, Kolkata
Questions & Answers	11:20 AM to 11:30 AM

Break 11:30 AM to 11:45 AM

Session Coordinator: Abdul Basit Ismail

Business Session H

February 16, 2021

Tuesday

11:45 AM to 02:00 PM

Lecture - III

11:45 AM to 12:20 PM

Topic	Aqeeda: Tawheed, Risalat, Akhirat
Speaker	Mr Syed Abdur Rasheed Head, Dept. of Islamic Studies, Aliah University, Kolkata
Questions & Answers	12:20 PM to 12:30 PM

Lecture - IV

12:30 PM to 01:05 PM

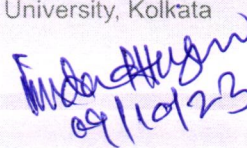

Topic	Revelation and its Application: Focus on Quran and Sunnah
Speaker	Prof Mohd Fahim Akhtar Professor & Head, Dept. of Islamic Studies, MANUU, Hyderabad
Questions & Answers	01:05 PM to 01:15 PM

Lecture - V

01:15 PM to 01:50 PM

Topic	Jama wa Tadween Hadith
Speaker	Dr Md Ashraf Ali Asst. Prof, Dept. of Islamic Theology, Aliah University, Kolkata
Questions & Answers	01:50 PM to 02:00 PM

Session Coordinator: Ahmad Ali Qasmi

DAY 3

Business Session IH

February 17, 2021**Wednesday****10:00 AM to 11:30 AM****Lecture - VI****10:00 AM. to 10:35 AM**

Topic

Globalization and Islam

Speaker

Prof Afzal Wani

Professor of Law and Dean, University School of Law and Legal Studies, GGS Indraprastha University, Dwarka, New Delh

Questions & Answers

10:35 AM to 10:45 AM

Lecture- VII**10:45 AM to 11:20 AM**

Topic

ISLAMIC PERSPECTIVE OF KNOWLEDGE

Speaker

Dr Ziauddin

Asst. Professor, Dept. of Islamic Studies, AMU, Aligarh

Questions & Answers

11:20 AM to 11:30 AM

Break**11:30 AM to 11:45 AM****Session Coordinator: Dr Imdad Hussain**

Business Session IV

February 17, 2021**Wednesday****11:45 AM to 02:00 PM****Lecture - VIII****11:45 AM to 12:20 PM**

Topic

Muslim Contribution to Mathematics & Medicine

Speaker

Dr Sajjad Alam Rizvi

Asst. Prof, Dept. of History, Presidency University, Kolkata

Questions & Answers

12:20 PM to 12:30 PM

Lecture - IX**12:30 PM to 01:05 PM**

Topic

Islamic Perspective on Money and Wealth

Speaker

Dr Muhammad Raziul Islam Nadvi

Asst. Editor, Tahqeeqate Islami Quarterly, Aligarh

Questions & Answers

01:05 PM to 01:15 PM

Lecture - X**01:15 PM to 01:50 PM**

Topic

Islam in 21st Century

Speaker

Prof Hamid Naseem Rafiabadi

Dept. of Islamic Studies, University of Kashmir

Questions & Answers

01:50 PM to 02:00 PM

Session Coordinator: Muhammed Shahjahan

Imdad Hussain
09/10/23

DAY 4

Business Session V

February 18, 2021**Thursday****10:00 AM to 11:30 AM****Lecture - XI****10:00 AM. to 10:35 AM**

Topic

Non-Muslims under the Muslim Empires

Speaker

Dr Enayatullah Khan

Asst. Prof, Dept. of History, Aliah University, Kolkata

Questions & Answers

10:35 AM to 10:45 AM

Lecture- XII**10:45 AM to 11:20 AM**

Topic

Development of Fiqh

Speaker

Dr Mohd Shamim Akhter Qasmi

Head, Deptt. of Islamic Theology, Aliah University, Kolkata

Questions & Answers

11:20 AM to 11:30 AM

Break

11:30 AM to 11:45 AM**Session Coordinator: Dr Abu Tamim**

Business Session VI

February 18, 2021**Thursday****11:45 AM to 02:00 PM****Lecture - XIII****11:45 AM to 12:20 PM**

Topic

Islam and World Peace

Speaker

One day International Seminar on

Trends in Artificial Intelligence and Machine Learning Research: TAIMLR-2020

7th January, 2020

VENUE: ALIAH UNIVERSITY
NEW TOWN CAMPUS, KOLKATA

TO ENROLL YOURSELF VISIT

www.aliah.ac.in

The last date for receiving application is 2 January, 2020

EMINENT SPEAKERS

KC SANTOSH

Assistant Professor & Graduate Program Director, Department of Computer Science, The University of South Dakota, USA.

Research area:

Artificial-intelligence, Machine learning, Pattern recognition, Computer vision, Image processing, Data mining, Big data

UMAPADA PAL

Professor & Head, Computer Vision and Pattern Recognition Unit, Indian Statistical Institute, Kolkata. IAPR Fellow.

Research area: Pattern Recognition, Document Image Analysis, Video Document Analysis, Word Spotting, Biometrics

ARIJIT MUKHERJEE

Senior Scientist, TCS Research & Innovation LAB

Research area: Internet of Things, Mobile Cloud Computing, Big Data Analytics, MPP frameworks, NoSQL systems

NILANJAN DEY

Assistant Professor, Department of IT, Techno India College of Technology, Kolkata.

Research area: Medical Imaging, Machine learning, Computer Aided Diagnosis, Data Mining

The seminar intends to enhance the knowledge & skills of students and researchers in the area of Artificial Intelligence & Machine Learning. Artificial Intelligence is a promising avenue which allows the computer to learn automatically without human intervention and thus aid in automation. Machine learning is the major sub domain of modern Artificial Intelligence research. Traditional feature based learning paradigm is now shifting towards deep learning based frameworks. Many complicated problems are now being solved with encouraging degree of accuracy using modern deep learning algorithms.

This seminar will address current research trends and/or advancements in this highly demanding field which will expose the participants to multifarious real life problems and different cutting edge technologies.

Eminent speakers both from academia and industry will deliver lectures and share their experiences which will be immensely beneficial for the participants.

Date and Time: 10th January, 2020 (2.00 pm-5.00 pm)

**Venue: Seminar Hall, CB203, 2nd Floor, New Town
Campus, Aliah University, IIA/27 New Town,
Kolkata-700160**

**Organized by: Department of Computer Science and
Engineering, Aliah University**

In collaboration with : Computer Chapter, IEEE Kolkata Section

Title of Talk:

**Computational methods for experimental data driven
inference of spatial genome conformation**

Prof. Dariusz Plewczynski, Ph.D, D.Sc
**Professor, Center of New Technologies,
University of Warsaw, Poland**

Dr. Dariusz Plewczynski's interests are focused on functional and structural genomics. Functional genomics attempts to make use of the vast wealth of data produced by high-throughput genomics projects, such as the Structural Genomics Consortium, Human Genome Project, 1000 Genomes Project, ENCODE, and many others. He is presently involved in several Big Data projects at three institutes: Centre of New Technologies (CeNT), University of Warsaw, Jackson Laboratory for Genomic Medicine (an international partner of the TEAM project), and Centre for Innovative Research (within the Leading National Research Centre KNOW 2012-2017) at Medical University of Białystok (UMB). He is currently head of the Laboratory of Functional and Structural Genomics under CeNT.

Title of Talk:

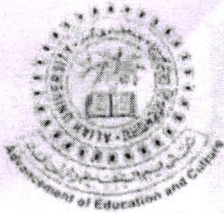

**Comparative study of clustering algorithms: A big
data perspective**

Dr. Jacek Sroka
**Faculty of Mathematics & Informatics,
University of Warsaw, Poland**

Dr. Jacek Sroka is an Assistant Professor at the Institute of Informatics, University of Warsaw, Poland. His research interests include databases, distributed system, workflow modelling, Petri nets and bioinformatics. He has published over 50 peer reviewed papers, supervised 5 PhD students, promoted over 40 MSc and over 50 BSc students. He is also an electoral systems expert at the Polish Electoral Office, Govt. of Poland.

One Day Workshop on Recent Trends in IoT and its Applications

20th February, 2023

Workshop intends to enhance the knowledge & skills of students and teachers in the area of IoT and its applications. In recent times, Internet of Things (IoT) has emerged as a popular and trending technology with the rapid advancement in wireless communications, electronics and micro mechanical systems (MEMS) technology. Internet of Things technologies communication with the analog world (that includes machines, people, plants, things) in a digital way. This workshop will help participants to enhance their understanding over this concept and in the scope of work on this field.

About the Webinar

Data has become the driving force behind business, academic, and social progress, forcing significant advancements in computer processing. High-performance computing (HPC) presents new opportunities to take on emerging challenges in these fields.

HPC is classified simply as the aggregation of computing power to solve a given problem. A large cluster can be made of thousands of nodes. In each node there is an HPC processor. The processor may use multiple cores in a CPU or a GPU.

On the other hand, HPC is deployed on premise, at the "edge" (i.e. near the data source), or in the cloud. HPC will increasingly be deployed in multi-cloud and hybrid (public and private) environments as well. HPC remains popular in academic and scientific settings and is increasingly used to solve problems in diverse business sectors—such as automotive, finance, economics, and agriculture, among others.

Report on Three day Data Analysis Workshop titled STATA Retreat: An Intermediate Course on Handling NSS Data' (a Three Day Data Analysis Workshop) from 30th Dec 2017 to 2nd January 2018.

The Department of Journalism and Mass Communication organised this **Data Analysis workshop** from 30th Dec 2017 to 2nd January 2018 in collaboration with **Association SNAP**. The Data Analysis workshop targeted young social science researchers and journalists and will be aimed at giving a detailed idea of all kinds of data that researchers and journalists come across. For the purpose of the workshop, resource person mainly used NSS data of employment and unemployment, and consumption expenditure.

Two main Resource Persons for the Workshop were **Dr Md Zakaria Siddiqui**, research fellow at the **Institute for Economics and Peace, Sydney, Australia**; and **Sabir Ahamed, Research Co-ordinator and Fellow** at **Pratichi Institute, Kolkata**. This workshop enhanced the department's profile in terms of UGCs academic activities. The workshop was an intermediate course on dealing with big data using STATA. It aimed to develop capabilities of participants in understanding and analyzing large data sets based on non-random sampling technique such as NSS using programming environment of STATA. The course also was meant for the candidates with some orientation in large or nationally representative data and STATA Environment. The inaugural as well as the valedictory session were addressed and attended by the dignitaries from the administration of Aliah University.

The broad course contents included: a) Use of big data in democracy, b) Data Management (merging, reshaping, collapsing and use of missing value), c) Understanding of NSS unit level data and its sampling design, d) Statistical analysis: appropriate measures of central tendency, and Non-technical introduction to Regression.

While Association SNAP, bore the remunerations and other expenses on resource persons along with logistics from the funds generated from the fees charged from attendees. The Department as the collaborator provided venue and other secretarial assistance and received grant of Rupees 20,000 (Rupees Twenty Thousand) only to bear the cost of extra expenses towards stationary, felicitation, refreshment, poster banner and other contingencies to organise the program. The utilisation of funds were also submitted to the University Finance section with balance refund.

Report of NSS Activity, 2018-19

National Service Scheme

Introduction

National Service Scheme popularly known as NSS, the scheme was launched in Mahatma Gandhi Centenary year 1969 and aimed at developing student's personality through community service. The overall objective of National Service is educational. This objective is attained through the service to the community. The process of learning is not only a desirable supplement to the classroom education but develops in the student a sense of responsibility, tolerance and cooperation. The NSS plays a vital role in the development of the latent aspects of the student's personality. National Service Scheme (NSS) is a permanent youth Programme under the Ministry of Youth Affairs and Sports, Government of India and funded by Government of West Bengal and Government of India. Since 2012, the NSS unit has been functioning with full vigour and enthusiasm in Aliah University.

Objectives

The overall objective of NSS is Personality Development through community service.

The broad objectives of NSS are to:

- Understand the community in which they work
- Understand themselves in relation to their community
- Identify the needs and problems of the community and involve them in problem solving process.
- Develop among themselves a sense of social and civic responsibility
- Utilize their knowledge in finding practical solution to individual and community problems
- Develop competence required for group-living and sharing of responsibilities
- Gain skills in mobilizing community participation
- Acquire leadership qualities and democratic attitude
- Develop capacity to meet emergencies and natural disaster and
- Practice national integration and social harmony

MOTTO

The motto or watchword of the NSS is “**Not me but you**”. It underlines that the welfare of an individual is ultimately dependent on the welfare of society on the whole. This express the essence of democratic living and upholds the

need of selfless service and appreciation of the other man's point of view and also consideration for fellow human beings.

Unit Level Organisation

There are two NSS units in Aliah University. The NSS of this University involves active participation of the Hon'ble Vice-Chancellor, Registrar, Finance Officer, Controller of Examinations, Deputy Registrar, University advisory committee, the teachers, students, and other beneficiaries. The supervising officials of NSS units are:

Programme Coordinator: Dr. Md. Mustaqim, Assistant Professor and Head (Officiating), Department of Geography.

Programme Officers:

1. Dr. Nasim Ali Khan, Assistant Professor, Department of Electrical Engineering.
2. Dr. Md. Jahangir Alam, Assistant Professor, Department of Arabic.

Activities of NSS during 2018-19

The NSS unit of the university has done various social activities through different programs under Regular Activity. The following are the brief activities undertaken by the NSS Unit of this university:

CELEBRATION OF REPUBLIC DAY

- Republic Day (26th January, 2018) was celebrated in all the three campuses of the university by the NSS volunteers, students, faculties and administrative officers.

Participated in the “State Level Celebration of National Integration– 2018”

- NSS Volunteers and Programme Co-ordinator, NSS attended State Level Celebration of National Integration– 2018” on 16/02/2018 which was organised by the NSS Cell, the University of Burdwan, Bardhaman and also performed cultural activities.

NSS Volunteers and Programme Co-ordinator, NSS during State Level Celebration of National Integration– 2018 at Burdwan University

NSS Volunteers and Programme Co-ordinator, NSS during State Level Celebration of National Integration- 2018 at Burdwan University

WORLD ENVIRONMENT DAY CELEBRATION (5th June, 2018)

- World Environment Day was observed on 5th June, 2018 in the university campus. NSS volunteers, Programme Co-ordinator and Programme Officer were participated in the event. They delivered the message of global warming, green house effect, ozone depletion, soil, water and air pollution, etc. and its impact on human being.

INTERNATIONAL YOGA DAY (21st June, 2018)

- Aliah University and its NSS Cell organised yoga day to celebrate **INTERNATIONAL YOGA DAY** on 21st June, 2018 in the Park Circus Campus of Aliah University. As we know that yoga is a very good practice to keep physically fit, mentally healthy and spiritually awakened and to say no to ailments. Many teachers, students, volunteers, non-teaching staffs are participated in occasion.

OBSERVATION OF SWACHHTA PAKHWARA

- The NSS Volunteers and Programme Officer, NSS on 14th August 2018 organised a programme for cleanness of the University Campus under SWACHHTA PAKHWADA-2018. The solid waste, unwanted weeds, plastic bags, bottles etc. were removed from the campus. The Programme Officer also motivated the Volunteers and students regarding cleanliness and making the campus clean and green.

A Volunteer is engaged to clean the road of University Campus

Volunteers are engaged to clean the University Campus

INDEPENDENCE DAY CELEBRATION

- The NSS Cell of Aliah University in collaboration with Cultural Committee of the university celebrated the Independence Day on 15th August, 2018 in the university campus. NSS volunteers, students, teaching and non-teaching staffs of the university were presented at the ceremony. Hon'ble Vice-Chancellor Prof. Mohammad Ali hoisted the National flag at New Town Campus, and delivered the Independence Day Message. Other administrative officers namely Registrar, Controller of Examinations, Finance Officer, Programme Co-ordinator, NSS, teachers, NSS volunteers, and students delivered the message of unity and development.

RELIEF COLLECTION FOR KERALA FLOODVICTIMS

- We all aware of the devastating floods that hit the state of Kerala in the month of August, 2018 and had caused immense damage to life and property. Thousands of people had been rendered homeless and many houses had been destroyed. Like various Government and Non-government Organisations, we, the NSS Unit of Aliah University were also involved for the help of flood victims. Our NSS volunteers had taken parts in many social activities.

NSS Unit of Aliah University had collected some relief fund from public and deposited the same in the bank account of Chief Minister Distress Relief Funds (CMDRF). For the collection of funds from the public places the devoted four days in Howrah and Sealdah stations.

- Develop capacity to meet emergencies and natural disaster and
- Practice national integration and social harmony

MOTTO

The motto or watchword of the NSS is “**Not me but you**”. It underlines that the welfare of an individual is ultimately dependent on the welfare of society on the whole. This express the essence of democratic living and upholds the need of selfless service and appreciation of the other man’s point of view and also consideration for fellow human beings.

Unit Level Organisation

There are two units of NSS in Aliah University. The NSS of this University involves active participation of the Hon’ble Vice-Chancellor, Registrar, Finance Officer, Controller of Examinations, Deputy Registrar, University advisory committee, the teachers, students, and other beneficiaries.

Programme Coordinator: Dr. Md. Mustaquim, Assistant Professor and Head (Officiating), Department of Geography.

Programme Officers:

1. Dr. Nasim Ali Khan, Assistant Professor, Department of Electrical Engineering.
2. Dr. Md. Jahangir Alam, Assistant Professor, Department of Arabic.

Activities of NSS during 2020-21

The NSS unit of the university has done various social activities through different programs under Regular Activity. The following are the brief activities undertaken by the NSS Unit of this university:

INTERNATIONAL YOGA (21st June, 2020)

- Aliah University and its NSS Cell observed **INTERNATIONAL YOGA DAY** on 21st June, each year in the campus, however, in the year 2020 we could not do the same due to Covid – 19 pandemic. We observed it at our respective home individually. We now that yoga is a very good practice to keep physically fit, mentally healthy and spiritually awakened and to say no to ailments. Many teachers, students, volunteers, non-teaching staffs are participated in occasion.

NSS Programme Officer doing Yoga in his home on International Day of Yoga on 21st June, 2020 during Covid-19 period

NSS Programme Officer doing Yoga in his home on International Day of Yoga on 21st June, 2020 during Covid-19 period

DISTRIBUTION OF FOOD KITS DURING COVID -19

- The NSS (National Service Scheme) team and students of Aliah University, Kolkata distributed around 400 food kits among needy and poor families in the selected areas (mainly rural areas) of the following districts during Covid-19 pandemic.

1. Rannuchak, Alipur- II GP, Kaliachak-I, Malda
2. Islampur, Jotekamal GP, Raghunathganj-II, Murshidabad
3. Debipur, Krishnagar - II, Nadia
4. Bira Mallick Para, Hibra -II, North 24 Paraganas
5. KhasKumra Khali, Taldi GP, Canning - I, South 24 Paraganas
6. Slum areas of Bankura Town, Bankura

Each food kit containing of rice, gram, pulses, potato, onion, mustard oil, puffed rice (Mori), salt etc. However in some areas it varies due to variation of people's demand.

The entire expenditures meet with the public-funding which is collected by our NSS Volunteers and contributed by NSS Programme Co-ordonators and NSS Programme Officers of Aliah University.

They distributed the kits at the door steps of the poor and needy families to keeping in mind the social distancing.

This initiative is motivated by Prof. Mahammad Ali (Hon'ble Vice-Chancellor), Prof. Amzed Hossein (Registrar (Officiating)), Dr. Sk. Ashfaq Ali (Dy. Registrar). Dr Nasim Ali Khan and Dr. Md. Jahangir Alam (Programme Officers, NSS) are also involved in the Kits distribution Programme.

আলিয়া বিশ্ববিদ্যালয়ের ত্রাণ বিলি

দিন দর্পণ, কলকাতা: আলিয়া বিশ্ববিদ্যালয়ের এনএসএস শাখার উদ্যোগে রাজ্যজুড়ে কয়েকটি জেলার বিভিন্ন গ্রামে গতকাল খাদ্য সামগ্রী বিতরণ করা হয়। তবে আলিয়া বিশ্ববিদ্যালয়ের ছাত্রছাত্রীরা দেশের যে কোন প্রান্তে বিপর্যয়, বন্যা ও মহামারী কবলিত গরিব মানুষের সেবায় বরাবর ঝাঁপিয়ে পড়েন। ২০১৭ সালে উত্তরবঙ্গের বন্যা কবলিত মানুষের পাশে বিশাল পরিমাণ ত্রাণ সামগ্রী বিতরণ করেছিলেন এবং কেরালার বন্যা পীড়িত মানুষের পাশে দাঁড়িয়ে ছিলেন এনএসএসের দায়িত্বপ্রাপ্ত কোর্ডিনেটর ও ভূগোল বিভাগের প্রাক্তন বিভাগীয় প্রধান ডঃ মুহাম্মদ মোস্তাকিমের নেতৃত্বে। বারবার মানবিক মুখ দেখে ছি বিশ্ববিদ্যালয়ের ছাত্রছাত্রীদের। সারা দেশজুড়ে লকডাউন ও বিশ্ববিদ্যালয় ছুটি। তার মধ্যেও সামাজিক দূরত্ব বজায় রেখে রাজ্যের

বিভিন্ন প্রান্তে স্বেচ্ছাসেবক দল নিজেদের জীবন বিপন্ন করে ত্রাণ সংগ্রহ করেছেন। বিশ্ববিদ্যালয়ের শিক্ষক ও ভারপ্রাপ্ত আধিকারিকদের উদ্যোগেই রাজ্যজুড়ে ত্রাণ বিতরণের উদ্যোগ গ্রহণ করেন। বিশ্ববিদ্যালয়ের উপাচার্য মুহাম্মদ আলি, রেজিস্ট্রার আমজেদ হোসেন, সহকারী রেজিস্ট্রার ডঃ শেখ আশরাফ আলির প্রচেষ্টায় রাজ্যজুড়ে ত্রাণ বিতরণ। বিশ্ববিদ্যালয়ের তরফে জানানো হয়, চারশো পরিবারকে তিনশো টাকা করে খাদ্য সামগ্রী তুলে দেওয়া হয়। খাদ্য সামগ্রী হিসাবে দেওয়া হয় চাল, আটা, ডাল, আলু, পেঁয়াজ, সরিষার তেল, মুড়ি, লবণ, সাবান প্রভৃতি। বিশ্ববিদ্যালয়ের পক্ষে অসহায় মানুষদের হাতে খাদ্য সামগ্রী তুলে দেন এনএসএস বিভাগের দায়িত্ব প্রাপ্ত ছাত্রছাত্রীরা। প্রধানত খাদ্য বিতরণ করা হয় বাঁকুড়া শহরের বস্তি অঞ্চলের গরিব মানুষদের মধ্যে এবং

মুর্শিদাবাদ জেলার রঘুনাথগঞ্জ থানার অন্তর্গত ইসলামপুর গ্রামে। খাদ্য সামগ্রী তুলে দেওয়া হয় মালদার কালিয়াচকের রানুচক ও আলিপুর সংলগ্ন এলাকায় এবং নদিয়ার কৃষ্ণনগরের দেবীপুর এলাকায়। এছাড়া উত্তর ২৪ পরগনার বীড়া, মল্লিকপাড়া ও হাবরা অঞ্চলে এবং দক্ষিণ ২৪ পরগনার ক্যানিংয়ে। বিশ্ববিদ্যালয়ের আরও দু'জন এনএসএস শাখার ভারপ্রাপ্ত অফিসার ডঃ নাসিম আলি এবং ডঃ জাহাঙ্গীর আলাম খাদ্যসামগ্রী বিতরণে যুক্ত ছিলেন। ডঃ মুস্তাকিম বলেন, দীর্ঘ লকডাউনে বহু মানুষের কোন রোজগার নেই। তাই তাদের মধ্যে খাদ্য সংকট দেখা দিয়েছে। এই সমস্যা গরিব মানুষের কথা চিন্তা করে বিশ্ববিদ্যালয়ের পক্ষ থেকে আমরা উদ্যোগ গ্রহণ করি এবং আমরা লাগাতার খাদ্য বিতরণের কাজ চালিয়ে যাব সাধ্যমত।

Cutting of Daily News Paper, Din Darpan, Kolkata edition dated 03.05.2020 in which they covered the news of Distribution of Food Kits among needy people during Covid – 19 pandemic

ত্রাণ দিল আলিয়া

কালিয়াচক, ৩ মে : রাজ্য জুড়ে কয়েকটি জেলার বিভিন্ন গ্রামে গত কয়েকদিন ধরে খাদ্য সামগ্রী বিলি করছে আলিয়া বিশ্ববিদ্যালয়ের এনএসএস শাখা। দেশজুড়ে লকডাউনের ফলে অনেক দুঃস্থ পরিবার অর্ধহারে দিন কাটাচ্ছেন। এরই মধ্যে সামাজিক দূরত্ব বজায় রেখে রাজ্যের বিভিন্ন প্রান্তে বিশ্ববিদ্যালয়ের স্বেচ্ছাসেবক দল ত্রাণ বিলি করছেন। বিশ্ববিদ্যালয় কর্তৃপক্ষ জানিয়েছেন, প্রায় চারশো পরিবারের হাতে চাল, আটা, ডাল, আলু, পিঁয়াজ, সরষের তেল, মুড়ি, লবণ ও সাবান তুলে দেওয়া হয়েছে। বিশ্ববিদ্যালয়ের পক্ষে মোহাম্মদ মোস্তাকিম বলেন, বাঁকুড়া শহরের বস্তি অঞ্চলে, মুর্শিদাবাদ জেলার রঘুনাথগঞ্জ থানার অন্তর্গত ইসলামপুর গ্রামে, মালদার কালিয়াচকের রানুচক ও আলিপুর গ্রামে এনএসএস শাখা ত্রাণ বিলি করেছে। এছাড়াও নদিয়ার দেবীপুরে, উত্তর ২৪ পরগনার বাঁড়া, মল্লিকপাড়া ও হাবরায় এবং দক্ষিণ ২৪ পরগনার ক্যানিংয়ে বিশ্ববিদ্যালয় খাবার বিলি করেছে।

Cutting of Daily News Paper, Uttar Bango Sanbad, Malda edition dated 03.05.2020 in which they covered the news of Distribution of Food Kits among needy people during Covid – 19 pandemic

CELEBRATION OF REPUBLIC DAY

- Republic Day (26th January, 2021) was celebrated in all the three campuses of the university by the NSS volunteers, students, faculties and administrative officers.

Besides these, the NSS unit of Aliah University, Kolkata is continuously engaged in organizing various other activities by the volunteers. The NSS volunteers have also shown keen interest in participating in various programmes organized by the NSS unit of Aliah University under the guidance of Programme Officer, NSS Unit and Programme Co-ordinator, NSS.

Last but not least, I am highly thankful to the Regional Director, NSS, State NSS Officer, University Authorities especially the Hon'ble Vice-Chancellor and Registrar for their kind advice, help and supports. I am also grateful to all Faculties, Members of NSS Advisory Committee, supporting staffs, Programme Officer, students and valuable NSS volunteers for their suggestions, assistance and support.

Dr. Md. Mustaquim
Programme Co-ordinator, NSS
Aliah University, Kolkata

One Day Workshop on “RESEARCH METHODOLOGY”

On

28th June, 2019

Organized by:

Department of Electrical Engineering,

Aliah University,

Action Area IIA/27, New Town,

Kolkata-700160,

West Bengal, India

THE INSTITUTE:

Aliah University is an autonomous university under the Department of Minority Affairs and Madrasah Education, Government of West Bengal. It is hoped that along with the people of any race, creed, caste or class, this University will play a crucial and leading role in the advancement of higher education for socially and educationally backward classes belonging to the Minorities.

Aliah University started its glorious journey from the 2008-09 academic session with great potential and immense opportunities. It is hoped that this university, harmonizing tradition and modernity, will emerge as a unique institution of higher studies and research.

DEPARTMENT OF ELECTRICAL ENGINEERING:

Electrical Engineering Department has well qualified faculty members and well furnished classrooms. The Department has well equipped laboratories for Electrical Machines, Power System, Power Electronics, Network Analysis, Control Systems, and Basic Electrical Engineering. The department also has computerized research laboratory facility with various software like Mi Power, PSIM, MATLAB etc. The department is also offering PG (Power System / Control System) and Ph.D. programmes in Electrical Engineering.

The vision of the department is to play a crucial and leading role in the advancement of higher education for socially and educationally backward classes belonging to the Minorities. It aims to produce Electrical Engineers of high caliber to serve the society and nation.

The new team of NSS, Aliah University has been formed in January 2023. Since then, NSS unit of the University has carried out various programmes as part of its regular activities. The following are the summarized activities conducted by the NSS Unit of this university during 2023.

CELEBRATION OF REPUBLIC DAY

On 26th January 2023, Republic Day was celebrated in Park Circus campus jointly organized by the NSS Cell and NCC of the University. The event was attended by Hon'ble Registrar, Dr. Nurul Salam, Prof. Amzad Hussein, Dean of Students' Welfare, Dr. Sk. Ashfaq Ali, Deputy Registrar, Dr. Abdur Rahim Gazi, Dean of Faculty of Humanities and Languages, Dr. Rejaul Karim, Former Dean of Faculty of Humanities and Languages, Dr. Drakshan Zarrin, NSS Programme Coordinator; Dr. Gholam Syedain Khan, Programme Officer NSS Unit-I, Dr. Reshma Khatun, Department of Education and Dr. Sabir Ali, Physical Training Instructor (NCC).

REPORT ON PROGRAMMES AND ACTIVITIES OF NSS CELL

INTERNATIONAL YOGA DAY ON 21ST JUNE, 2023

NSS Unit - I organized a yoga event to celebrate International Yoga Day. Yoga is a beneficial practice for maintaining physical fitness, mental health, and spiritual awakening, while also helping to alleviate ailments. Many students and volunteers participated in the occasion. Additionally, students and volunteers took a pledge by standing and extending their hands, and also participated in a quiz on yoga under the supervision of Dr. Gholam Syedain Khan (NSS Unit-1 Program Officer).

Yoga Performance:

Yoga 2023 Quiz on 21st June, 2023

NSS volunteers of Aliah University (Unit-1) have participated in the online Yoga 2023 quiz 2.0 organized by the Ministry of Ayush, on 16th September, 2023.

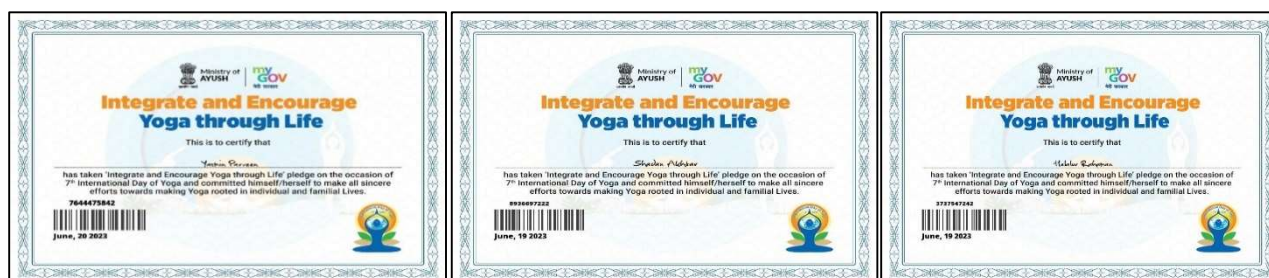

Quiz Certificates:

Integrate and Encourage Yoga through Life E-Pledge on 21st June, 2023

On the occasion of the 7th International Day of Yoga, NSS volunteers of Aliah University (Unit-1) have taken the 'Integrate and Encourage Yoga through Life' e-pledge on 21st June, 2023.

Pledge Certificates:

YUVA SAMVAD @ 2047

NATIONAL SERVICE SCHEME, ALIAH UNIVERSITY, KOLKATA

The NSS Unit-1 of Aliah University hosted 'Yuva Samvad - India @2047' on 20th July 2023. This event is a part of the broader vision for the country, aimed at understanding the aspirations and desires of young

minds in shaping a new India by the year 2047, which also marks the centenary of India's independence.

The five focal points of Yuva Samvad (Panch Pran) include: Goals of a developed India, Eradication of any remnants of slavery or a colonial mindset, Embracing our heritage and legacy with pride, Fostering unity and solidarity, and instilling a sense of duty among citizens.

A speech competition was held, wherein NSS volunteers and students delivered speeches on the theme 'India @2047,' expressing their opinions and aspirations regarding their envisioned India of 2047. The competition was won by Sohini Goswami, securing the first place, followed by Saima Amin and Aquib Hussain in the second and third places, respectively.

REPORT ON PROGRAMMES AND ACTIVITIES OF NSS CELL

Hon'ble Registrar Dr. Syed Nurus Salam, Dr. Drakshan Zarrin (Program Coordinator), Dr. Gholam Syedain Khan (Unit-1 Program Officer), Ms. Lipika Mondal (Unit-2 Program Officer), and Dr. Nasim Ali Khan, former NSS Programme Officer, attended the program, and urged the students to let go of past adversities and focus on a brighter, more prosperous future.

A total of 100 students, including NSS volunteers, participated in this program across our three campuses. The program was anchored by NSS Volunteers Shadan Akhtar and Aisha Hoda from the MBA department. The whole event was conducted under the supervision of Dr. Gholam Syedain Khan (NSS Unit-1 Program Officer).

SPEECH COMPETITION AT YUVA SAMVAD @ 2047

In the speech competition, there were 19 participants who took part from various departments of the University, including English, Economics, Urdu, Law, MBA, Electronics and Communication Engineering, Biological Sciences, and Nursing department. They delivered lectures in different languages, including Bengali, Hindi, English, and Urdu.

1st Position Holder in Speech Competition

Sohini Goswami, who secured the 1st position in the speech competition from the Department of Mathematics and Statistics, was awarded by Dr. Parveen Ahamed Alam (Professor, Department of Management and Business Administration).

2nd Position Holder in Speech Competition

Saima Amin, who secured the 2nd position in the speech competition from the Department of Law, was awarded by Dr. Parveen Ahamed Alam (Professor, Department of Management and Business Administration).

3rd Position Holder in Speech Competition

Aquib Hussain, who secured the 3rd position in the speech competition from the Department of Economics, was awarded by Dr. Parveen Ahamed Alam (Professor, Department of Management and Business Administration).

WINTER DRESS DISTRIBUTION PROGRAM **from 26th December, 2023 to 04th January, 2024**

The National Service Scheme (NSS) volunteers of Aliah University successfully organized a Winter Dress Distribution Program, under the supervision of Dr. Gholam Syedain Khan (Unit-1 Programme Officer). A commendable initiative aimed at supporting those in need during the harsh winter season. The event served as a testament to the university's commitment to social responsibility and community welfare.

This initiative not only provided essential winter clothing to those in need but also fostered a sense of community and solidarity among the Aliah University family. The Winter Dress Distribution Program stands as a shining example of how educational institutions can contribute meaningfully to society, instilling values of empathy and social responsibility in the hearts of the students.

ORGANISED

WINTER DRESS

DISTRIBUTION PROGRAM

“Every charitable act is a stepping stone toward heaven.”

Dress Collection at Amenity Center of Aliah University from 26th December, 2023 to 3rd January, 2024

In the weeks leading up to the program, the NSS volunteers actively engaged in collecting winter clothing from 26th December 2023 to 3rd January 2024. The Amenity Center of Aliah University served as a dedicated collection point, where students, faculty members and all other staffs enthusiastically contributed warm clothing items. The response from the university community was overwhelming, reflecting a spirit of generosity and compassion.

On the last day of dress collection, NSS volunteers sorted and packaged the collected clothes based on age, gender, and size on 03/01/2024 at the Amenity Center of Aliah University.

Dress Distribution Programme on 4th January, 2024

The distribution program itself was a well-coordinated effort, ensuring that the collected winter clothes reached the intended beneficiaries. The NSS volunteers, adorned in their distinctive uniforms, played a pivotal role in organizing the event and ensuring a smooth distribution process. Beneficiaries, including individuals from economically disadvantaged backgrounds, expressed their gratitude for the warmth and care extended to them during the chilly winter days.

Food Distribution Programme

The NSS volunteers of Aliah University collaborated with 'Hat Baralei Bondhu NGO' to distribute food to needy families today at KC Block, Sector IV, Bidhannagar, Kolkata, under the supervision of PO Dr. Gholam Syedain Khan, Assistant Professor of the MBA Department.

MENTAL HEALTH AWARENESS CUM INDUCTION PROGRAMME

The National Service Scheme (NSS) volunteers of NSS Unit-2 Aliah University successfully organized a Mental Health Awareness Programme on 16th January 2024, under the supervision of Dr. Drakhshan Zarrin (Programme Coordinator) and Ms. Lipika Mondal (Unit-2 Programme Officer). A commendable programme aimed at spreading awareness and supporting those in need of mental peace in today's stressful society especially among students. The event served as a testament to the university's commitment to social responsibility and community welfare.

This initiative not only provided awareness about mental health and how to cope up with it to those in need but also fostered a sense of community and solidarity among the Aliah University family. This programme stands as a shining example of how educational institutions can contribute meaningfully to society, instilling values of empathy and social responsibility in the hearts of the students.

Institution's Innovation Council (IIC)

Aliah University

Overview:

Ministry of Education (MoE), Govt. of India through MoE's Innovation Cell (MIC) inaugurated Institution's Innovation Council (IIC) in the year 2018. To systematically foster the culture of innovation amongst all Higher Educational Institutions (HEIs), MIC instructed to establish "Institution's Innovation Council" at HEIs to encourage, inspire and nurture young students to work for new ideas.

A network of IICs is established to promote innovation and entrepreneurship in the Institution for the promotion innovation eco-system in the campuses.

Focus of IIC

- To create a vibrant local innovation ecosystem.
- Start-up/ entrepreneurship supporting Mechanism in HEIs.
- Prepare Institute for Atal Ranking of Institutions on Innovation Achievements Framework. (ARIIA)
- Establish a functioning ecosystem for scouting ideas and pre-incubation of ideas.
- Develop better cognitive ability among students.

Functions of IIC

- To conduct various innovation and entrepreneurship-related activities prescribed by Central MIC in a time-bound fashion.
- Identify and reward innovations and share success stories.
- Organize Hackathons, idea competition, mini-challenges, problem-solving proof of concept development etc. with the involvement of industries.
- Network with peers and national entrepreneurship development organizations.
- Create an Institution's Innovation portal to highlight innovative projects carried out by the institution's faculty and students.
- Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.

IIC at Aliah University:

IIC at Aliah University was started in January 2021. Our institute has participated in Atal Ranking of Institutions on Innovation achievements (ARIIA). The IIC comprises a diverse group of members, including faculty members, industry experts, alumni, and students. This diverse composition ensures a multifaceted approach to promoting innovation and entrepreneurship within the institution.

The IIC team at Aliah University comprises of:

- Chairman: Mr. M. Wahab, (Retd. IPS), Hon'ble Vice-Chancellor, Aliah University

REPORT ON ACTIVITIES OF INSTITUTION INNOVATION COUNCIL

ALIAH UNIVERSITY, KOLKATA

YouTube live session by MoEs' Innovation Cell for a talk on "From your Ph.D/ Masters Thesis to a start-up" Date: 23rd April 2021.

The IIC of Aliah University, Kolkata participated in the YouTube live for this session with great enthusiasm. The students were able to know that Entrepreneurship could be an option after PhD and PhD journey may be the best training for that, through this talk. They also got knowledge about Lean Start-up, Lean Manufacturing, Business model canvas, Minimum Viable Product (MVP), Teambuilding, Sunk cost and other ideas. They understood the importance of retaining a customer and the reasons why a customer switches to another product. They also got a connecting link between entrepreneurship, start-ups. They also got the idea about different factors for comparison like Sales, Gross Margin, Net Profit Margin, ROI, Velocity, Cash Generation, Market Share etc.

2. “Why IP is important in Academia” World IP Day Special Session by Dr Abhay Jere & Dr Mohit Gambhir. Date: 26th April 2021.

Report uploaded to IIC Web page.

REPORT ON ACTIVITIES OF INSTITUTION INNOVATION COUNCIL

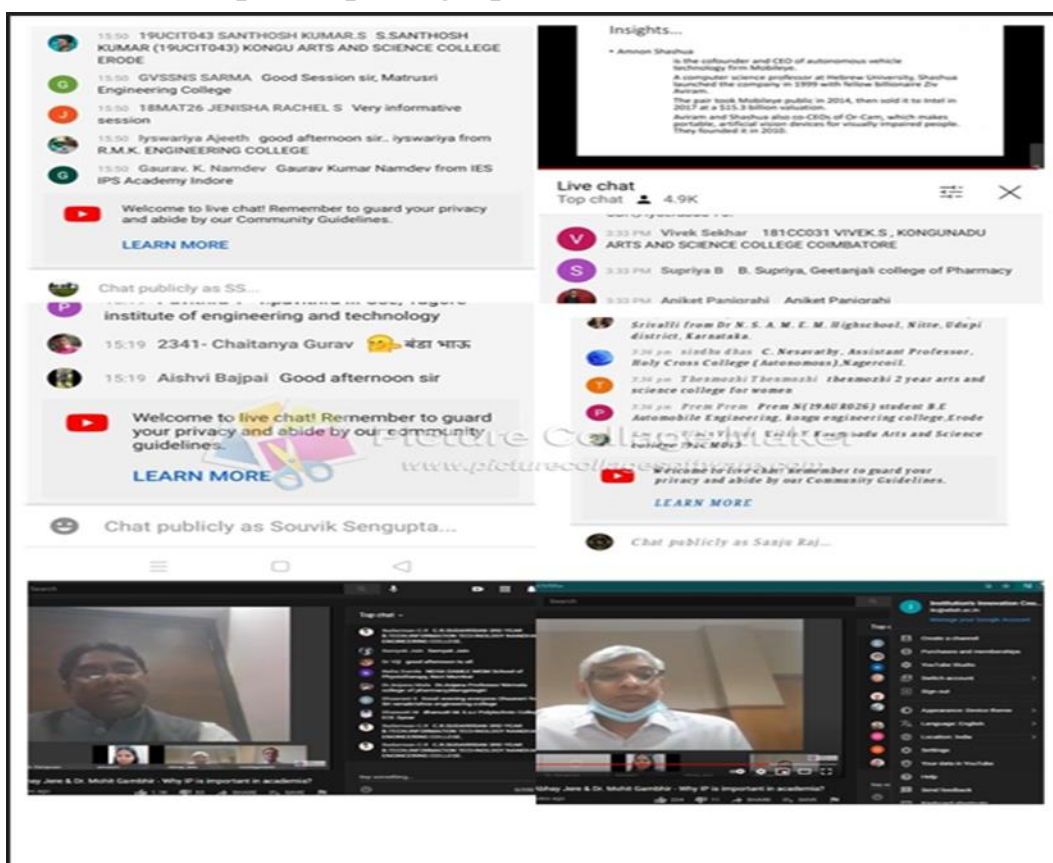

ALIAH UNIVERSITY, KOLKATA

YouTube live session by MoEs' Innovation Cell for a session on “Why IP is important in Academia” World IP Day Special Session by Dr Abhay Jere & Dr Mohit Gambhir. Date: 26th April 2021.

The students of Aliah University were inspired by the talk. They were able to know more about IP importance. The students were able to learn the term IP and related components. They also got some knowledge about the entrepreneurship ecosystem and how ideas can be converted to wealth. They received knowledge about what IP has done so far in different countries with interesting examples. Students were excited when they learnt about the story of Bose corporation founder Amar Bose. They also got the idea about different interesting innovations which came from university research like Internet, Rocket fuel, Seat Belt, Solar power and so on. They understood how governments around the world are trying to accelerate the innovative ideas to products and process by granting Universities / Higher Education Institutions.

The banner is for a World IP Day session. At the top, it features logos for the Ministry of Education, Government of India, MoE's INNOVATION CELL (GOVERNMENT OF INDIA), and ARIITE. The main title is "World IP Day" in red, followed by "Session on Why IP is important in academia?" in black. Below this, a white box contains the date "Monday 26th APRIL 2021" and the time "03.00 PM - 04.00 PM". To the right of this box are two circular portraits: Dr. Abhay Jere, Chief Innovation Officer, MoE Innovation Cell, and Dr. Mohit Gambhir, Innovation Director, MoE Innovation Cell. Below the portraits, there is a "JOIN US ON" section with a YouTube LIVE logo and the handle "/mhrdinnovationcell". At the bottom, it says "Follow us on" with a Twitter logo and the URL "www.twitter.com/mhrd_innovation".

3. Report on Inaugural Address by Hon'ble Prime Minister at Viksit Bharat@2047 Utsav

Date: 11th December 2023

Venue: Aliah University Campus

The Inaugural Address by Hon'ble Prime Minister of India at the Viksit Bharat@2047 Utsav was watched live at Aliah University Campus, garnering participation from over 100 students and 10 faculty members. The address marked a significant moment as the Prime Minister outlined the vision for India's development by 2047.

Students and faculty alike were engaged in the inspiring speech, which emphasized the importance of innovation, technology, and sustainable development in achieving national goals. The event provided a platform for reflection and discussion on the future trajectory of the country, sparking enthusiasm and aspirations among attendees. It served as a catalyst for fostering a sense of national pride and collective responsibility towards building a prosperous and inclusive Bharat by 2047.

Self-Driven Activities

1. Online workshop on IPR for Students and Faculty Members organised on 29th May 2021

The workshop on intellectual property rights was organised by the IIC of Aliah University on 29th May 2021. Total 130 students and 10 faculties attended the workshop.

The following topics were covered :

History of Intellectual Property Rights

World Intellectual Property Organization: Roles & Functions

Plagiarism and Intellectual Property fundamentals

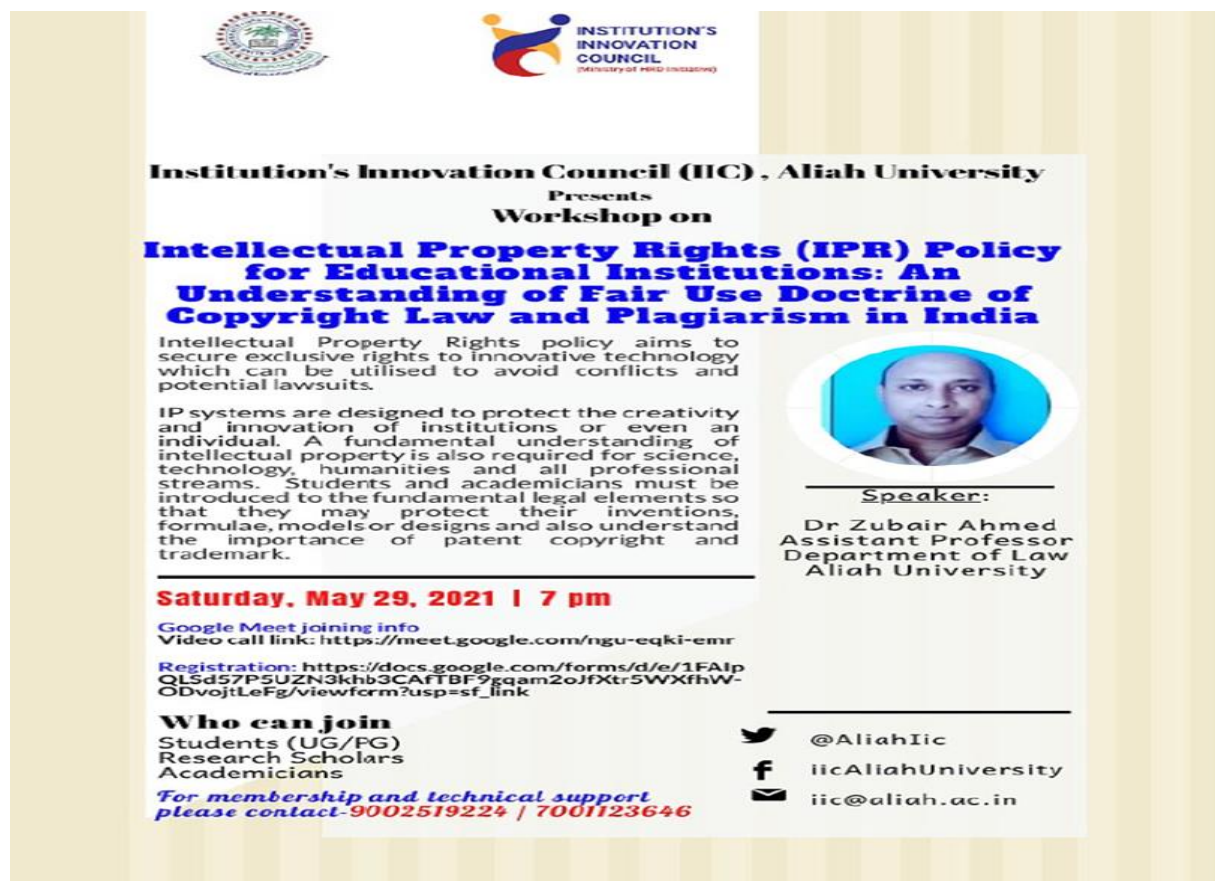

Intellectual Property India Office: Roles & Functions

Details about Patent Application, Copyright Application, Trademark Application.

After the event, feedback was collected from the participants. The participants gave positive feedback about the event. It created awareness among them about the basics of intellectual property rights.

Resource Person: Dr Zubair Ahmed , Department of Law, Aliah University.

Program Brochure and Program photo captured:

The brochure is for a workshop organized by the Institution's Innovation Council (IIC) at Aliah University. The title of the workshop is "Intellectual Property Rights (IPR) Policy for Educational Institutions: An Understanding of Fair Use Doctrine of Copyright Law and Plagiarism in India". It features a portrait of the speaker, Dr. Zubair Ahmed, an Assistant Professor in the Department of Law at Aliah University. The event is scheduled for Saturday, May 29, 2021, at 7 pm. It provides Google Meet joining information, a registration link, and details about who can join (Students, Research Scholars, Academics). Contact information for membership and technical support is also provided.

Institution's Innovation Council (IIC) , Aliah University
Presents
Workshop on
Intellectual Property Rights (IPR) Policy for Educational Institutions: An Understanding of Fair Use Doctrine of Copyright Law and Plagiarism in India

Intellectual Property Rights policy aims to secure exclusive rights to innovative technology which can be utilised to avoid conflicts and potential lawsuits.

IP systems are designed to protect the creativity and innovation of institutions or even an individual. A fundamental understanding of intellectual property is also required for science, technology, humanities and all professional streams. Students and academicians must be introduced to the fundamental legal elements so that they may protect their inventions, formulae, models or designs and also understand the importance of patent copyright and trademark.

2. Report on Aliah University Internal Hackathon 2023

On 27th September 2023, the Aliah University Smart India Hackathon 2023(Smart India Hackathon 2023) was jointly organized by the Institutions Innovation Council (IIC) and Department of Electronics and Communication Engineering of Aliah University . **Total 32 teams** have been participated in Internal Hackathon 2023 from the all departments of University. The objective of the event was to enlighten the students with the challenges of Software and Hardware Edition. The objective of this Internal Hackathon was to scrutinize the solutions provided by team members for different problem statements listed by multiple organizations and different state and central government Ministries of India. This helped students to understand the problem with different perspectives and to come up with a proper solution. The goal of this Internal Hackathon was to prepare the student teams for National level Smart India Hackathon(SIH) 2023. Smart India Hackathon 2023 is a nationwide initiative to provide students a platform to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem solving. In the last 5 years, SIH has evolved into the world's Largest Open Innovation Model to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and problem solving mindset. The previous editions of SIH have proven to be extremely beneficial for the students in establishing startups and employment opportunities in various organizations.

3.One-Day Workshop on Recent Trends in Innovation and Technology

Date: December 7, 2023

Venue: Aliah University

Aliah University hosted a one-day workshop on Recent Trends in Innovation and Technology on December 7, 2023, bringing together experts, researchers, and students to explore emerging advancements and their impact on various industries.

The workshop featured insightful presentations and discussions on cutting-edge technologies such as artificial intelligence, blockchain, and Internet of Things (IoT). Experts from academia and industry shared their expertise, providing valuable insights into the latest trends and developments shaping the technological landscape.

Attendees had the opportunity to engage in interactive sessions, exchange ideas, and participate in hands-on demonstrations of innovative technologies. Workshops and tutorials offered practical knowledge and skills enhancement opportunities, empowering participants to stay abreast of the rapidly evolving technological landscape.

The workshop served as a platform for networking and collaboration, fostering connections among participants from diverse backgrounds. It provided a conducive environment for knowledge exchange and collaboration, laying the foundation for future interdisciplinary research and innovation initiatives.

In conclusion, the one-day workshop on Recent Trends in Innovation and Technology at Aliah University was a resounding success, enabling participants to gain insights into emerging technologies and fostering collaboration among stakeholders in the pursuit of innovation and excellence.

Other Activities

1. **Innovation Ambassador Training:** A total of 8 nos of faculties participated in the online Innovation Ambassador Training program (Foundation level) Organised by MOE's Innovation Cell (period 30th June to 30th July 2021).

2. **Report for IIC Regional Meet :**

Date: 12th January 2024

Venue: Sister Nivedita University, Kolkata

The Institutional Innovation Council (IIC) Regional Meet at Sister Nivedita University, Kolkata, on 12th January 2024, served as a pivotal platform for academia, industry, and government to converge and catalyze innovation and entrepreneurship in the region. The event commenced with insightful keynote addresses emphasizing the imperative of collaborative partnerships between academia and industry in driving innovation.

Throughout the day, interactive sessions, workshops, and panel discussions provided a forum for knowledge exchange on topics ranging from innovation management to technology transfer and entrepreneurship. Participants actively shared best practices, success stories, and challenges, fostering a culture of learning and collaboration.

A key highlight of the event was the showcase of innovative projects and initiatives by participating institutions, offering visibility and recognition to pioneering efforts in the realm of innovation. Networking sessions facilitated meaningful connections and laid the groundwork for potential collaborations and partnerships.

In conclusion, the IIC Regional Meet at Sister Nivedita University, Kolkata, served as a catalyst for driving regional innovation and fostering synergistic collaborations between academia, industry, and government. By inspiring action, facilitating knowledge exchange, and promoting collaboration, the event propelled the region towards a more vibrant and sustainable innovation ecosystem.

3. One senior-level faculty has been appointed as NISP Coordinator.
4. A site has been selected primarily for the Pre-incubation centre at the university.

Upcoming event:

The poster for AURA 2024, Aliah University's Research Aspirations, is a vibrant digital graphic. At the top left is the AURA logo with the tagline 'ALIAH UNIVERSITY'S RESEARCH ASPIRATIONS'. To its right is the Aliah University emblem and the text 'Aliah University Technical Festival'. Further right are logos for technical co-sponsors: IEEE PES (Power & Energy Society, IEEE KOLKATA SECTION) and the Computer Society of India (ESTD. 1965). Below these is the 'In association with' logo for the Institution's Innovation Council (Ministry of Education Initiative) at Aliah University. The central text reads 'AURA 2024' in large yellow and white letters, followed by the tagline 'Elevating Innovation, Empowering Futures: AURA 2024'. A cartoon robot character is positioned on the right side. A dark grey box contains the text: 'AURA 2024, the much-anticipated Technical Festival of Aliah University, is set to ignite the spirit of innovation and collaboration.' To the right of this box, the dates '27, and 29 February, 2024' and the location 'Aliah University, New Town, Kolkata' are displayed. Below this, two tabs are visible: 'ABOUT THE EVENT' and 'HIGHLIGHTS'. The 'ABOUT THE EVENT' tab is active, showing the text: 'The event will assist the students in exploring the possibilities of science, technology, innovation and entrepreneurship.' Below this, it mentions the 'PRELIMINARY ROUND 27 FEB 2024'. The 'HIGHLIGHTS' tab lists several bullet points: 'Deep research on multiple domains', 'Recognize problems and ideating novel solutions', 'Build prototypes', 'Work with a team', 'Pitch their ideas', and 'Exciting prizes for the top three winning teams'. At the bottom, a green banner provides the registration link: 'For more information and to register, visit <https://aura2024.mydurable.com/>'. The poster is signed 'Designed by Pallavi' on the right side.

AURA 2024
Elevating Innovation, Empowering Futures: AURA 2024

AURA 2024, the much-anticipated Technical Festival of Aliah University, is set to ignite the spirit of innovation and collaboration.

27, and 29 February, 2024
Aliah University, New Town, Kolkata

ABOUT THE EVENT

The event will assist the students in exploring the possibilities of science, technology, innovation and entrepreneurship.

PRELIMINARY ROUND
27 FEB 2024

HIGHLIGHTS

- Deep research on multiple domains
- Recognize problems and ideating novel solutions
- Build prototypes
- Work with a team
- Pitch their ideas
- Exciting prizes for the top three winning teams

Institution's Innovation Council (IIC)

Aliah University

Overview:

Ministry of Education (MoE), Govt. of India through MoE's Innovation Cell (MIC) inaugurated Institution's Innovation Council (IIC) in the year 2018. To systematically foster the culture of innovation amongst all Higher Educational Institutions (HEIs), MIC instructed to establish "Institution's Innovation Council" at HEIs to encourage, inspire and nurture young students to work for new ideas.

A network of IICs is established to promote innovation and entrepreneurship in the Institution for the promotion innovation eco-system in the campuses.

Focus of IIC

- To create a vibrant local innovation ecosystem.
- Start-up/ entrepreneurship supporting Mechanism in HEIs.
- Prepare Institute for Atal Ranking of Institutions on Innovation Achievements Framework. (ARIIA)
- Establish a functioning ecosystem for scouting ideas and pre-incubation of ideas.
- Develop better cognitive ability among students.

Functions of IIC

- To conduct various innovation and entrepreneurship-related activities prescribed by Central MIC in a time-bound fashion.
- Identify and reward innovations and share success stories.
- Organize Hackathons, idea competition, mini-challenges, problem-solving proof of concept development etc. with the involvement of industries.
- Network with peers and national entrepreneurship development organizations.
- Create an Institution's Innovation portal to highlight innovative projects carried out by the institution's faculty and students.
- Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.

IIC at Aliah University:

IIC at Aliah University was started in January 2021. Our institute has participated in Atal Ranking of Institutions on Innovation achievements (ARIIA). The IIC comprises a diverse group of members, including faculty members, industry experts, alumni, and students. This diverse composition ensures a multifaceted approach to promoting innovation and entrepreneurship within the institution.

The IIC team at Aliah University comprises of:

- Chairman: Mr. M. Wahab, (Retd. IPS), Hon'ble Vice-Chancellor, Aliah University

<ul style="list-style-type: none">• Member: Registrar, Aliah University• Member: Finance Officer, Aliah University• President: Dr Quazi Mohammad Alfred• Member• Dr Arup Kumar Baksi• Dr Joydeep Sengupta• Dr Samiran Sur• Dr Safdar Ali• Dr Nasim Ali Khan• Ms Ghazala Yasmin• Dr Shamim Haidar• Dr Md. Maidul Islam• Dr Zeenat Rehena• Dr Aznarul Islam• Dr Souvik Sngupta• Mr. Pallav Dutta	External Members: <ul style="list-style-type: none">• Prof P. K. Dan – IIT Kharagpur• Dr Tapas Chakrabarty- TCS• Dr Nabarun Bhattacharyya-C-DAC, Kolkata.• Mr. Manindra Nath Maity- Ex. Director, EDI, Kolkata• Dr Nabarun Sarkar- Executive Engineer(Electrical), KMC• President or his nominee from BCCI• Chairman or his nominee WB HIDCO
---	---

** In addition 9 student members from different departments.

Activities:

MIC Driven Activities

1. From your PhD/ Masters Thesis to a start-up, Date: 23rd April 2021.

Report uploaded to IIC Web page.

REPORT ON ACTIVITIES OF INSTITUTION INNOVATION COUNCIL

ALIAH UNIVERSITY, KOLKATA

YouTube live session by MoEs' Innovation Cell for a talk on "From your Ph.D/ Masters Thesis to a start-up" Date: 23rd April 2021.

The IIC of Aliah University, Kolkata participated in the YouTube live for this session with great enthusiasm. The students were able to know that Entrepreneurship could be an option after PhD and PhD journey may be the best training for that, through this talk. They also got knowledge about Lean Start-up, Lean Manufacturing, Business model canvas, Minimum Viable Product (MVP), Teambuilding, Sunk cost and other ideas. They understood the importance of retaining a customer and the reasons why a customer switches to another product. They also got a connecting link between entrepreneurship, start-ups. They also got the idea about different factors for comparison like Sales, Gross Margin, Net Profit Margin, ROI, Velocity, Cash Generation, Market Share etc.

2. “Why IP is important in Academia” World IP Day Special Session by Dr Abhay Jere & Dr Mohit Gambhir. Date: 26th April 2021.

Report uploaded to IIC Web page.

REPORT ON ACTIVITIES OF INSTITUTION INNOVATION COUNCIL

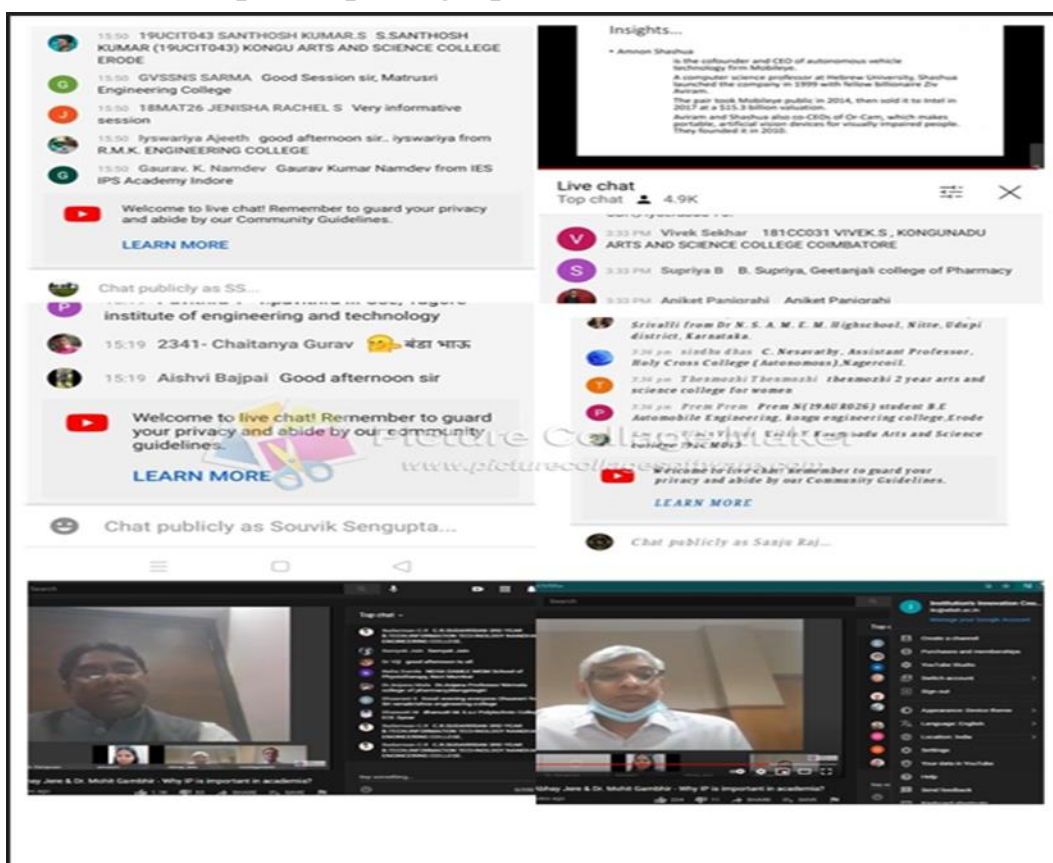

ALIAH UNIVERSITY, KOLKATA

YouTube live session by MoEs' Innovation Cell for a session on “Why IP is important in Academia” World IP Day Special Session by Dr Abhay Jere & Dr Mohit Gambhir. Date: 26th April 2021.

The students of Aliah University were inspired by the talk. They were able to know more about IP importance. The students were able to learn the term IP and related components. They also got some knowledge about the entrepreneurship ecosystem and how ideas can be converted to wealth. They received knowledge about what IP has done so far in different countries with interesting examples. Students were excited when they learnt about the story of Bose corporation founder Amar Bose. They also got the idea about different interesting innovations which came from university research like Internet, Rocket fuel, Seat Belt, Solar power and so on. They understood how governments around the world are trying to accelerate the innovative ideas to products and process by granting Universities / Higher Education Institutions.

The banner is for a World IP Day session. At the top, it features logos for the Ministry of Education, Government of India, MoE's INNOVATION CELL (GOVERNMENT OF INDIA), and ARIITE. The main title is "World IP Day" in red, followed by "Session on Why IP is important in academia?" in black. Below this, it specifies the date and time: "Monday 26th APRIL 2021" and "03.00 PM - 04.00 PM". A "JOIN US ON" section includes the YouTube LIVE logo and the handle "/mhrdinnovationcell". On the right, there are circular portraits of Dr. Abhay Jere (Chief Innovation Officer, MoE Innovation Cell) and Dr. Mohit Gambhir (Innovation Director, MoE Innovation Cell). At the bottom, it says "Follow us on" with a Twitter logo and the link "www.twitter.com/mhrd_innovation".

Participants' photographs

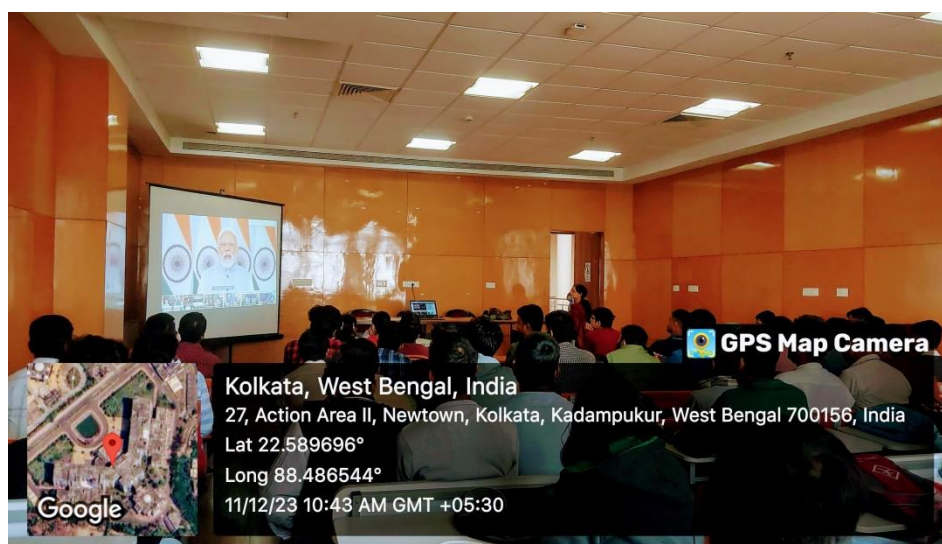

3. Report on Inaugural Address by Hon'ble Prime Minister at Viksit Bharat@2047 Utsav

Date: 11th December 2023

Venue: Aliah University Campus

The Inaugural Address by Hon'ble Prime Minister of India at the Viksit Bharat@2047 Utsav was watched live at Aliah University Campus, garnering participation from over 100 students and 10 faculty members. The address marked a significant moment as the Prime Minister outlined the vision for India's development by 2047.

Students and faculty alike were engaged in the inspiring speech, which emphasized the importance of innovation, technology, and sustainable development in achieving national goals. The event provided a platform for reflection and discussion on the future trajectory of the country, sparking enthusiasm and aspirations among attendees. It served as a catalyst for fostering a sense of national pride and collective responsibility towards building a prosperous and inclusive Bharat by 2047.

Self-Driven Activities

1. Online workshop on IPR for Students and Faculty Members organised on 29th May 2021

The workshop on intellectual property rights was organised by the IIC of Aliah University on 29th May 2021. Total 130 students and 10 faculties attended the workshop.

The following topics were covered :

History of Intellectual Property Rights

World Intellectual Property Organization: Roles & Functions

Plagiarism and Intellectual Property fundamentals

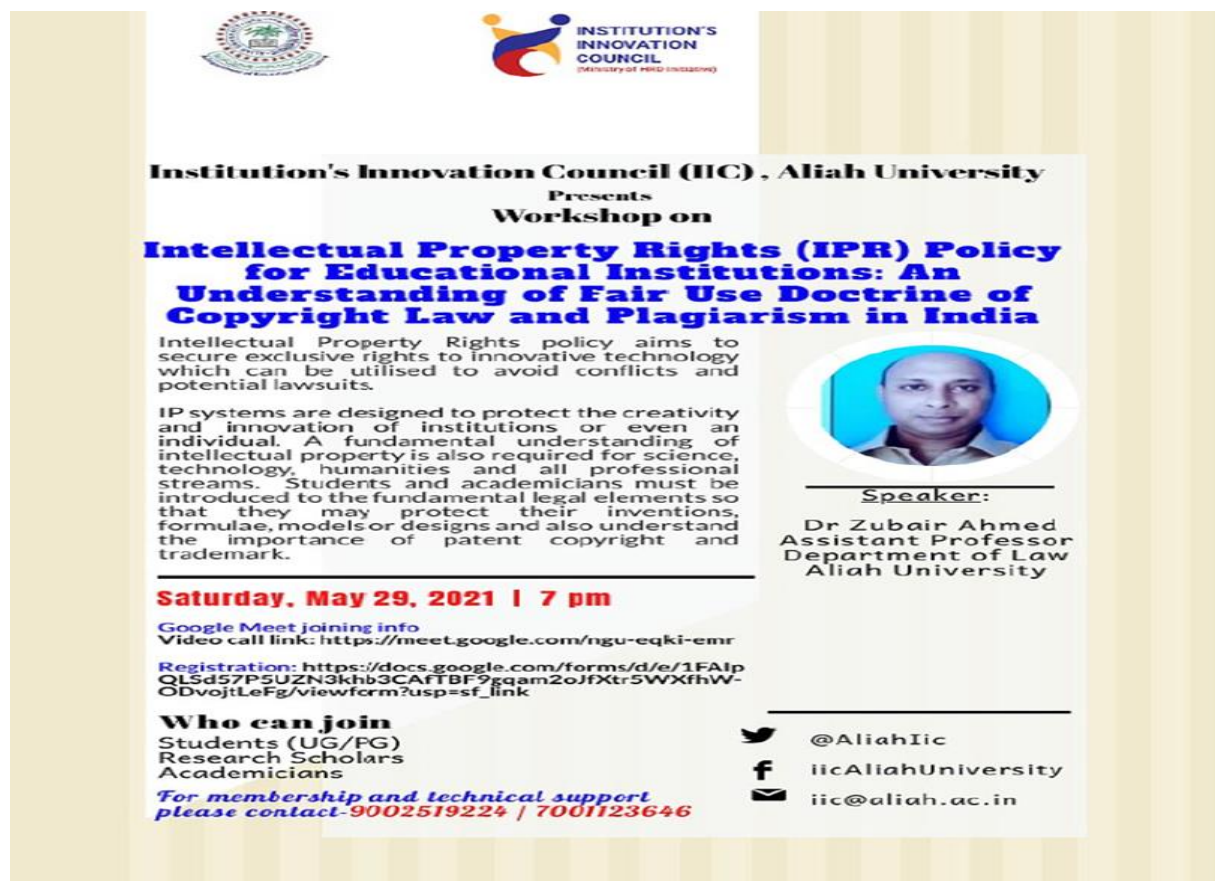

Intellectual Property India Office: Roles & Functions

Details about Patent Application, Copyright Application, Trademark Application.

After the event, feedback was collected from the participants. The participants gave positive feedback about the event. It created awareness among them about the basics of intellectual property rights.

Resource Person: Dr Zubair Ahmed , Department of Law, Aliah University.

Program Brochure and Program photo captured:

The brochure is for a workshop organized by the Institution's Innovation Council (IIC) at Aliah University. The title is "Intellectual Property Rights (IPR) Policy for Educational Institutions: An Understanding of Fair Use Doctrine of Copyright Law and Plagiarism in India". It features a portrait of Dr. Zubair Ahmed, the speaker, who is an Assistant Professor in the Department of Law at Aliah University. The event is scheduled for Saturday, May 29, 2021, at 7 pm via Google Meet. The brochure provides a Google Meet link, a registration form link, and contact information for membership and technical support. It also lists the target audience: Students (UG/PG), Research Scholars, and Academicians. Social media handles for @AliahIic and iicAliahUniversity are provided, along with the email iic@aliah.ac.in.

Institution's Innovation Council (IIC) , Aliah University
Presents
Workshop on
Intellectual Property Rights (IPR) Policy for Educational Institutions: An Understanding of Fair Use Doctrine of Copyright Law and Plagiarism in India

Intellectual Property Rights policy aims to secure exclusive rights to innovative technology which can be utilised to avoid conflicts and potential lawsuits.

IP systems are designed to protect the creativity and innovation of institutions or even an individual. A fundamental understanding of intellectual property is also required for science, technology, humanities and all professional streams. Students and academicians must be introduced to the fundamental legal elements so that they may protect their inventions, formulae, models or designs and also understand the importance of patent copyright and trademark.

2. Report on Aliah University Internal Hackathon 2023

On 27th September 2023, the Aliah University Smart India Hackathon 2023(Smart India Hackathon 2023) was jointly organized by the Institutions Innovation Council (IIC) and Department of Electronics and Communication Engineering of Aliah University . **Total 32 teams** have been participated in Internal Hackathon 2023 from the all departments of University. The objective of the event was to enlighten the students with the challenges of Software and Hardware Edition. The objective of this Internal Hackathon was to scrutinize the solutions provided by team members for different problem statements listed by multiple organizations and different state and central government Ministries of India. This helped students to understand the problem with different perspectives and to come up with a proper solution. The goal of this Internal Hackathon was to prepare the student teams for National level Smart India Hackathon(SIH) 2023. Smart India Hackathon 2023 is a nationwide initiative to provide students a platform to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem solving. In the last 5 years, SIH has evolved into the world's Largest Open Innovation Model to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and problem solving mindset. The previous editions of SIH have proven to be extremely beneficial for the students in establishing startups and employment opportunities in various organizations.

3.One-Day Workshop on Recent Trends in Innovation and Technology

Date: December 7, 2023

Venue: Aliah University

Aliah University hosted a one-day workshop on Recent Trends in Innovation and Technology on December 7, 2023, bringing together experts, researchers, and students to explore emerging advancements and their impact on various industries.

The workshop featured insightful presentations and discussions on cutting-edge technologies such as artificial intelligence, blockchain, and Internet of Things (IoT). Experts from academia and industry shared their expertise, providing valuable insights into the latest trends and developments shaping the technological landscape.

Attendees had the opportunity to engage in interactive sessions, exchange ideas, and participate in hands-on demonstrations of innovative technologies. Workshops and tutorials offered practical knowledge and skills enhancement opportunities, empowering participants to stay abreast of the rapidly evolving technological landscape.

The workshop served as a platform for networking and collaboration, fostering connections among participants from diverse backgrounds. It provided a conducive environment for knowledge exchange and collaboration, laying the foundation for future interdisciplinary research and innovation initiatives.

In conclusion, the one-day workshop on Recent Trends in Innovation and Technology at Aliah University was a resounding success, enabling participants to gain insights into emerging technologies and fostering collaboration among stakeholders in the pursuit of innovation and excellence.

Event: International Seminar on Trends in Artificial Intelligence & Machine Learning Research (TAIMLR), Organized by Dept. of CSE

TAIMLR 2020 was held on 7th January 2020. The topic of this one day seminar was artificial intelligence and machine learning. Eminent speakers, from academia and industry were invited to share their knowledge. Pror. Umapada Pal from ISI Kolkata, Prof. KC Santosh from University of South Dakota, Dr. Nilanjan Dey from Techno International University and Dr. Arijit Mukherjee from TCS lab were key speakers in this seminar. Students, research scholars and faculty members participated in this one day seminar.

Invited Talks

Organized by Department of Computer Science and Engineering, Aliah University, Kolkata (in collaboration with **Computer Chapter, IEEE Kolkata Section**)

Date: January 10, 2020

Title of Talks

Computational Methods for Experimental Data Driven Inference of Spatial Genome Conformation

By Prof. Dariusz Plewczyński

Comparative Study of Clustering Algorithms: A Big Data Perspective

By Dr. Jacek Sroka

Speakers

Prof. Dariusz Plewczyński

Prof. Dariusz Plewczyński received **MS** in Theoretical Physics from University of Warsaw in 1995 and **PhD** in Physical Chemistry from Polish Academy of Sciences, Poland. He did his **postdoctoral research** at International Institute for Cell and Molecular Biology, Poland. Dr. Plewczynski worked in The Burnham-Sanford Institute in San Diego, CA, USA in 2002. He was also a **postdoc** at the bioinformatics laboratory of Helsinki University in 2003. In 2004 he was a **visiting researcher** at Merck Research Laboratories (IRBM), Italy. From 2002 to 2011, he was an **assistant professor** at University of Warsaw, Poland. In 2011, He visited Stanford University within the Top500 Polish Ministry of Science programme. He received a **DSc degree (habilitation)** in Computer Science and bioinformatics in 2012 at the Institute of Computer Science, which is part of Polish Academy of Sciences.

From 2011, he was the **head of the bioinformatics** team at the University of Warsaw (first at ICM, and later from 2015 at Centre of New Technologies). He has been involved in bioinformatics projects in the Leading National Research Centre of the Medical University of Bialystok from 2012. He was a visiting professor at The Jackson Laboratory for Genomic Medicine; Yale University within the senior Fulbright fellowship (2013-2014).

His main expertise covers computational genomics, biostatistics and bioinformatics. He is actively developing computational intelligence algorithms, performing biophysical simulations and applying computational modeling to various interdisciplinary problems in Human genomics. His recent achievements cover qualitative and quantitative biological data analysis, the general systems theory and interdisciplinary problems in the context of bioinformatics, genomics, drug design, and systems biology; ensemble learning systems, meta-clustering techniques.

Currently, he is a Professor at the University of Warsaw in the Center of New Technologies (CeNT), Warsaw, Poland, and the head of the Laboratory of Functional and Structural Genomics.

Dr. Jacek Sroka

Dr Jacek Sroka is an assistant professor at the University of Warsaw, Poland. His research interests include databases, distributed system, workflow modelling, Petri nets and bioinformatics. He has over 50 published peer reviewed papers. He has supervised 5 PhD students, promoted over 40 MSc students and over 50 BSc students. He is also electoral systems expert at the Polish Electoral Office.

Title of Talk:

**Computational methods for experimental data driven
inference of spatial genome conformation**

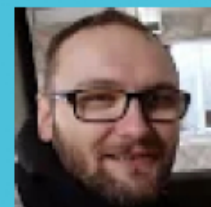

Prof. Dariusz Plewczynski, Ph.D, D.Sc
**Professor, Center of New Technologies,
University of Warsaw, Poland**

Dr. Dariusz Plewczynski's interests are focused on functional and structural genomics. Functional genomics attempts to make use of the vast wealth of data produced by high-throughput genomics projects, such as the Structural Genomics Consortium, Human Genome Project, 1000 Genomes Project, ENCODE, and many others. He is presently involved in several Big Data projects at three institutes: Centre of New Technologies (CeNT), University of Warsaw, Jackson Laboratory for Genomic Medicine (an international partner of the TEAM project), and Centre for Innovative Research (within the Leading National Research Centre KNOW 2012-2017) at Medical University of Białystok (UMB). He is currently head of the Laboratory of Functional and Structural Genomics under CeNT.

Title of Talk:

**Comparative study of clustering algorithms: A big
data perspective**

Dr. Jacek Sroka
**Faculty of Mathematics & Informatics,
University of Warsaw, Poland**

Dr. Jacek Sroka is an Assistant Professor at the Institute of Informatics, University of Warsaw, Poland. His research interests include databases, distributed system, workflow modelling, Petri nets and bioinformatics. He has published over 50 peer reviewed papers, supervises 5 PhD students, promoted over 40 MSc and over 50 BSc students. He is also an electoral systems expert at the Polish Electoral Office, Govt. of Poland.

Date: 16.07.2019

Notice for Special Lecture

It gives me immense pleasure to inform you that the Department of Geography, Aliah University is going to organise a special lecture on ***“Environmental Protection Regulations: A Global Perspective”*** by **Dr. Bipasha Bose**, Faculty member of Columbia University, New York on 19th July, 2019 (Friday) at 02:00 pm in the Seminar Hall (Ground Floor, Park Circus Campus).

All interested persons including administrative Heads, faculty members and research scholars, students of Aliah University are cordially welcome to attend the said programme.

(Md. Mustaqim)
HoD(Off.)

Head (Officiating)

National Seminar on “Preparation and Publication of Research Articles” on 18.03.2019.

Speakers:

1. Prof Amitava Gupta.

DAAD Research Ambassador, Director, School of Nuclear Studies & Applications (SNSA), Jadavpur University, West Bengal

2. Prof (Dr.) Jyotsna Kumar Mandal

Director, IQAC, Kalyani University. West Bengal

3. Prof. Parthasarathi Mukhopadhyay

Head, Department of LIsc, Kalyani University. West Bengal

4. Mrs. Garima Turan

Product Trainer; Elsevier

5. Mrs. Sumita Sen

Regional Training Executive. Customer training in India & SE Asia. Oxford University Press

6. Dr. Sanjay Sengupta

a. National Institute for Science Communication & Information Resources, CSIR, Pusa, New Delhi-110012.

National Seminar on “Preparation and Publication of Research Articles” on 18.03.2019.

National Seminar on “Preparation & Publication of Research Articles”

18th March 2019

Organised By: Department of Computer Science
& Engineering Aliah University

Eligibility

Faculty Members/Research Scholars/M.Tech Students
N.B. - B.Tech Students Having Recommendation Letter

Resource Persons

Prominent experts from University/Institutes.

Venue

Aliah University
IIA/27, Newtown
Kolkata-700160

Timing: 10.00 am to 5.30 pm
Registration Within On or Before
12th March 2019.
Publication of Participant List on
15th March 2019 in University Website
www.aliah.ac.in

Registration Fees

Rs.500/- For External Participants

N.B.- NO REGISTRATION FEES FOR PARTICIPANTS
OF ALIAH UNIVERSITY

Resource Persons

Recent Advances in High-performance Distributed Computing

Date: 18th August, 2020, 3.00 PM – 4.30 PM IST

Organized by

Department of Computer Science and Engineering, Aliah University, Kolkata

Title of Talks

Democratization of High Performance Computing in the era of Big Data

By Nandini Mukherjee, Professor, Department of Computer Science & Engineering
Jadavpur University

Migration Techniques in Cloud: Overview and Research Challenges

By Sarbani Roy, Professor, Department of Computer Science & Engineering
Jadavpur University

Speakers

Nandini Mukherjee

Nandini Mukherjee is a Professor and currently the head of the Department of Computer Science and Engineering, Jadavpur University, Kolkata. She is an academician as well as a scientist. She earned her Bachelor of Engineering Degree from the Department of Computer Science and Technology of Bengal Engineering College under Calcutta University, Shibpur in 1987 and obtained her Master of Engineering degree from the Department of Computer Science and Engineering, Jadavpur University, in 1991. Prof. Mukherjee began teaching in the Computer Science and Engineering Department at Jadavpur University in 1992. In 1996 she was awarded the prestigious Commonwealth scholarship for her PhD at the University of Manchester, in the UK. As of 2016 she was also the Director of the University's School of Mobile Computing.

She has more than 30 yrs of teaching experiences and during this long period she has supervised many PhD students. Her research fields include Parallel Computing, Grid Computing, Wireless Sensor Networks (WSN), IoT and sensor cloud. She has published more than 250 research articles in SCI/SCIE journals including IEEE and ACM Transactions, and conferences, several of which are in reputed international venues. She has co-authored one book, entitled Building Wireless Sensor Networks: Theoretical and Practical Perspectives (CRC Press). She has supervised research projects funded by different agencies of the Government of India. Prof. Mukherjee leads a collaborative research project to investigate the application of mobile computing and wireless sensor networks to Indian rural health systems.

Other than being an academician and a scientist, she is involved in several social activities. Prof. Mukherjee became the State Secretary of the Free Software Mancha of West Bengal. She is the Joint Secretary of the Jadavpur University Teachers' Association (JUTA) and an active member of the West Bengal College and University Teachers' Association (WBCUTA).

Sarbani Roy

Sarbani Roy is a Professor in the Department of Computer Science and Engineering, Jadavpur University, Kolkata. She obtained her M.Tech in Computer Science and Engineering from University of Calcutta, India in 2002. She received her Ph.D. degree in Engineering from Jadavpur University, Kolkata, India in 2008. She was awarded Fulbright-Nehru Senior Research fellowship in 2013-2014 and joined the research program at University of North Carolina, Charlotte, USA. Her research interests include AI for Social Good, IoT-Cloud, Social Network Analysis, Geoinformatics and Data Science. She has published SCI/SCIE journals including IEEE and ACM Transactions, Scientific Reports Nature and conferences, several of which are in reputed international venues. She has co-authored one book, Building Wireless Sensor Networks: Theoretical and Practical Perspectives (CRC Press). She has received project grants from DSTNGP, Govt. of India and DSTBT, Govt. of West Bengal. She has been involved in technical program committees, organizing committees for many international conferences. She is a senior member of IEEE, Chairperson of IEEE Computer Chapter, Kolkata Section and member of ACM.

Recent Advances in High-performance Distributed Computing

18th August 2020, 3.00 PM - 4.30 PM IST
Organized by
Department of Computer Science Engineering, Aliah University, Kolkata
Website: www.aliah.ac.in

About the Webinar

Data has become the driving force behind business, academic, and social progress, forcing significant advancements in computer processing. High-performance computing (HPC) presents new opportunities to take on emerging challenges in these fields. HPC is classified simply as the aggregation of computing power to solve a given problem. A large cluster can be made of thousands of nodes. In each node there is an HPC processor. The processor may use multiple cores in a CPU or a GPU. On the other hand, HPC is deployed on premise, at the "edge" (i.e. near the data source), or in the cloud. HPC will increasingly be deployed in multi-cloud and hybrid (public and private) environments as well. HPC remains popular in academic and scientific settings and is increasingly used to solve problems in diverse business sectors—such as automotive, finance, economics, and agriculture, among others.

Report On
One Day Workshop on Research Methodology (28th June,2019)
Electrical Engineering Department, Aliah University

Research is an academic activity. According to Clifford Woody research comprises defining and redefining problems, formulating hypotheses or suggested solutions; collecting, organizing and evaluating data; making deductions and reaching conclusions; and at last carefully testing the conclusions to determine whether they fit the formulating hypothesis. Therefore, to motivate students of master degree from different branches and PhD scholars, a one-day workshop on Research Methodology was organised by the Department of Electrical Engineering, Aliah University on 28th of June, 2019. Research methodology simply refers to the procedure or plan of action for conducting a research. It defines techniques and tools used to collect processes and analyze data regarding the research topic. In tune with the primary aim objectives of the workshop were devised as:

- a) To facilitate and strengthen scholars involved in exploring different techniques.
- b) To gain familiarity with a phenomenon or to achieve new insights into it.
- c) To provide the knowledge of different types of research areas.
- d) Moreover, to motivate the participants to write a good and original research paper.

As per the schedule, the workshop started at sharp 9.00 am with registration process. Prof. Amzed Hossein, Registrar (Acting), Aliah University as a Patron of the workshop and Prof. Mehedi Kalam, Dean of Faculty of Science and Technology, Aliah University, Co-Patron of this workshop was cordially invited and welcomed by the Electrical Engineering department. The inaugural session was started by Prof. Amzed Hossein. After his spellbound speech about Aliah University, Prof. Mehedi Kalam enlightened the participants by his motivated speech on research. After the speech about the Electrical Engineering department and briefly mentioned about the different sessions of the workshop by Dr. Rimi Paul, Head of the Department (officiating), the first session was started. The workshop was divided into three lecture sessions. The first lecture was held before lunch. First session started with opening remarks by Prof. Rajarshi Gupta, Department of Applied Physics, Calcutta University who started the discussion about the topic entitled “How to write a good research paper”. His immense knowledge on drafting research papers, tools for writing

bibliography and research papers, knowledge about choosing journal or conference and the methodology for writing literature review enlightened and motivated students. The second session was conducted by Prof. Biswarup Basak, Electrical Engineering Department, IEST, Shibpur who explained research methodology, research steps, how to select research problems and components used in research. The third session was conducted by Prof. Sugata Adhikari, SQCT and P unit, ISI, Kolkata who demonstrated the applications of statistics in research. The students showed keen interest in the workshop and have gained knowledge in the topics of Research methodology. They had the opportunity to familiarize themselves with technical writing, tools and methodology for research whilst also having the opportunity to interact with some of the eminent resource persons in various renowned institutes.

This one day workshop was possible to conduct successfully due to the University Fund granted by Prof. Mahammad Ali, Hon'ble Vice Chancellor. The workshop chairperson was Dr. Rimi Paul, Head of the Department of Electrical Engineering. The convener was Dr. Sharmistha Mandal. The co-convener was Dr. Nasim Ali Khan. The organizing committee members were Mr. Biswapriya Chatterjee, Mr. Md. Aftab Alam, and Mr. Pallav Dutta. The different activities such as form fill up, registration, fund collection, brochure design, banner design, certificate design, arrangements of kits and distribution among students and faculties, contact to eminent persons and taking care of their hospitality, manage the participants and their lunch and snacks arrangements, distribution of certificates; overall to conduct the workshop successfully were possible due to the continuous hard work of all faculty members including the members Mr. Mrinal Pal, Laboratory Instructor, Mr. Wasim Ikbal Tarafdar, Technical Assistant, Mr. Nashim Mandol, Junior Assistant, Mr. Minhaz Khan and Ms. Sreya, M. Tech students, Mr. Md. Sohail Ansari, UG final year student and Mr. Selim Mondal, Guest faculty. All eminent resource persons were happy to be a part of this programme and the hospitality received from the Electrical Engineering Department. The technical persons from industry and PG, PhD and UG final year students from various institutes were eligible to participate in this programme. The registration fee for industry people was Rupees five hundred and for the academician, it was rupees one hundred only. Overall sixty students and faculty members from different departments participated. During the valedictory session, the certificates were handed out by Dr. Rimi Paul, HOD (officiating) of Electrical Engineering department. She thanked Aliah University, Chief Patron, Patron, Co-Patron, members of this workshop, all the resource persons, and participants for their cooperation towards conduct of the workshop.

Impact of Islamic Law in the Contemporary Indian Legal System

[February 25, 2020]

Organized by

[Department of Law, Aliah University, Park Circus Campus, Kolkata in association with

Centre for Study and Research, Hyderabad & Council on Legal Studies, New Delhi]

The **Department of Law, Aliah University, Park Circus Campus, Kolkata** in association with **Centre for Study and Research, Hyderabad** and **Council on Legal Studies, New Delhi** has organized a National Seminar to address the issue of influence of Islamic law on legal systems all around the world. The theme of the seminar was **Impact of Islamic Law in the Contemporary Indian Legal System**.

1. Inauguration Ceremony

DEPARTMENT OF LAW

Aliah University

17 Gora Chand Road, Park Circus Campus, Kolkata – 700014

The seminar programme was conducted in the University auditorium of Park Circus campus of Aliah University. The programme was attended by 201 participants including students, lawyers, faculty members and various other members. The **Chief Patron of the event** was Prof. Mohammad Ali, Vice Chancellor, Aliah University. **The Chairman of the event** was Dr. Zubair Ahmed, Assistant Professor, Head (O) Department of Law, Aliah University. The Convenors of the event were Dr. Syed Mohammad Yawar (Assistant Professor, Department of Law, Aliah University) and Ms. Nasreen Azaunnisa (Assistant Professor, Department of Law, Aliah University).

2. Felicitation Ceremony

The programme started with recital of ayat of holy quran followed by **Introductory Session from 10.00 to 12.30**. The chairman of the seminar introduced the topic to the audience; it was

DEPARTMENT OF LAW

Aliah University

17 Gora Chand Road, Park Circus Campus, Kolkata – 700014

followed by **address by the Guest of Honour** Prof. Kunwar Mohammad Yusuf Amin, Professor, Faculty of Unani Medicine, Aligarh Muslim University and addresses by other **Special Invitees** comprising of Prof. Mir Rejaul Kareem, Dean, Faculty of Humanities and Languages, Aliah University; Prof. Sk. Ashfaque Ali, Deputy Registrar, Aliah University and Prof. Fakrul Islam, Tibbiya College, Deoband, UP.

3. Dr. Syed Mohammad Yawar (Convenor) giving vote of thanks to Dr. Zubair Ahmed (Chairman)

4. Ms. Nasreen Azaunnisa (Convenor) with student organising committee members

DEPARTMENT OF LAW

Aliah University

17 Gora Chand Road, Park Circus Campus, Kolkata – 700014

5. Students, Lawyers, Academicians, and other participants

Then the addresses were given by two **Key-Note Speakers** Prof. Imtiaz Gulam Ahmed, Professor of Law, Sikkim University and Prof. Md. Zafar Mahfooz Nomani, Professor of Law, Aligarh Muslim University.

It was followed by a **HIGH TEA** from 12.30 to 12.45, followed by *technical sessions (1 and 2) from 11.45 to 13.45*. Technical session 1 was chaired by Prof. Sarfaraz Ahmed Khan, Director, Symbiosis Law School, Hyderabad and Mr. Mohammad Umar, Assistant Professor, Bennett University, New Delhi. A total of 15 papers were presented in technical session 1. Technical session 2 took place in parallel to technical session 1 and was chaired by Dr. Jakir Hussain, Associate Professor and ex-head, Department of Education, Aliah University, and Dr. Partha Pratim Paul, Assistant Professor,

DEPARTMENT OF LAW

Aliah University

17 Gora Chand Road, Park Circus Campus, Kolkata – 700014

Department of Law, Assam University, Silchar. A total of 17 papers were presented in technical session 2.

6. Attendees listening to the key-note address

Thereafter lunch was served to the guests and participants from 13.45- 15.00. the lunch was followed by technical session 3 at 15.00 to 17.00 and it was chaired by Prof. Zafar Mahfooz Nomani, Professor of law, Aligarh Muslim University and Prof. Fakhrul Islam, Professor Tibbiya College, Deoband. A total of 17 papers were presented in technical session 3. Technical session 4 took place in parallel to technical session 3 and was chaired by Prof. Imtiaz Gulam Ahmed, Professor of Law, Sikkim University and Mr. Ahmar Afaq, Assistant Professor of Law, Symbiosis law School, Hyderabad. A total of 16 papers were presented in technical session 4.

DEPARTMENT OF LAW

Aliah University

17 Gora Chand Road, Park Circus Campus, Kolkata – 700014

7. Students during the certificate distribution ceremony

The technical session was followed by high Tea and then Valedictory Session and Vote of Thanks from 17.15 to 18.15.

The overall atmosphere of the seminar was a nice one where the participants came up with constructive and informative research papers. A total of 65 papers were presented and total participants were 201. It laid down a foundation for multifarious academic discussions on Islamic philosophy in the eastern part of India namely Kolkata.

REPORT ON

National Level Workshop

on

Impact of Islamic Law in the Contemporary Indian Legal System

[December 24, 2019]

Organized by

[Department of Law, Aliah University, Park Circus Campus, Kolkata in association with

Centre for Study and Research, Hyderabad & Council on Legal Studies, New Delhi]

The **Department of Law, Aliah University, Park Circus Campus, Kolkata** in association with **Centre for Study and Research, Hyderabad and Council on Legal Studies, New Delhi** has organized a National Level Workshop to address the issue of influence of Islamic law on legal systems all around the world. The theme of the workshop was **Impact of Islamic Law in the Contemporary Indian Legal System.**

The workshop programme was conducted in the University auditorium of Park Circus campus of Aliah University. The programme was attended by 85 participants including students, lawyers, faculty member and various other members. The **Chief Patron of the event** was Prof. Mahammad Ali, Vice Chancellor, Aliah University. **The Organising Secretary of the event** was Dr. Zubair Ahmed, Assistant Professor, Head (O) Department of Law, Aliah University.

The programme started with recital of ayat of holy quran followed by *Introductory Session from 10.30 to 11.30*. The first session included **Address by the Guest of Honour “Mr. Ahmed Hassan Imran” Hon’ble Member of Parliament, Rajya Sabha from Kolkata**

DEPARTMENT OF LAW

Aliah University

17 Gora Chand Road, Park Circus Campus, Kolkata – 700014

followed by addresses by **Organising Secretary** Dr. Zubair Ahmed, Head of Department, Department of Law, Aliah University, **Special Guest** Prof. Mohammad Rafat, Director, CSR; **Special Invitees** Prof. Amzed Hossein, Registrar, Aliah University; **Special Invitees** Prof. Mir Rejaul Kareem Dean , Faculty of Humanities and Languages, Aliah University and **Special Invitees** Prof. Sk. Ashfaque Ali, Deputy Registrar, Aliah University.

It was followed by a **HIGH TEA from 11.30 to 11.45, followed by Workshop Session from 11.45 to 13.45**. There were three resource people for the event namely, **Mr. Hafiz Rashid Choudhury** (designated as a Senior Advocate of Guwahati High Court, Chairman of the Bar Council of Assam, Nagaland, Mizoram, Arunachal Pradesh and Sikkim as well as the Chairman of the Guwahati High Court, Middle Income Group Legal Aid Society and a member of the Assam State Haj Committee, Ex-Chairman of the Assam Wakf Board, Ex-member of the Central Wakf Council, New Delhi, Ex-member of Aligarh Muslim University Court). **Prof. Mohammad Rafat**, (Professor of Department of Applied Sciences and Humanities in Jamia Millia Islamia, a member of the Muslim Association for the Advancement of Science, Director CSR) and **Mr. Enam Firdos** (Islamic law specialist, an alumnus of Department of Law Aligarh Muslim University, ex- faculty Department of law, Jamia Milia Islamia, New Delhi).

DEPARTMENT OF LAW

Aliah University

17 Gora Chand Road, Park Circus Campus, Kolkata – 700014

I. Workshop on 'Impact of Islamic Law in the Contemporary Indian Legal System' held on 24th December 2019

The three resource persons dealt with the issues relating to Muslim personal law and its relevance in modern world including discussion on Gender Justice in Islam, Family Law and Islam, Criminal Justice System and Islam, Democracy in Islam, Human rights in Islam, Islamic Banking Law, Conflict of Personal Laws in India, Islam and Surrogacy, rights of Transgender in Islam. The discussion was followed by **Interactive Session from 13.45 to**

DEPARTMENT OF LAW

Aliah University

17 Gora Chand Road, Park Circus Campus, Kolkata – 700014

14.30; Valedictory Session; Vote of Thanks from 14.30 to 15.00 and finally concluded with Lunch from 15.00-15.45.

The overall atmosphere of the workshop was nice one where the participants came up with versatile quarries including categorization and rights of transgender, Citizenship Amendment Act and NRC, Rights of Women in Islam, Surrogacy in Islam etc. which were very effectively and satisfactorily explained by the resource persons. It laid down a foundation for multifarious academic discussions on Islamic philosophy in the eastern part of India namely Kolkata.

Recent Trends in IoT and its Applications

Organized by Department of Computer Science and Engineering, Aliah University, Kolkata

Date: 20th February, 2023

Title of Talks

Overview of IoT-Cloud based System for Societal Applications

By Sarbani Roy, Professor, Department of Computer Science & Engineering
Jadavpur University

IoT and its key technologies

By Nandini Mukherjee, Professor, Department of Computer Science & Engineering
Jadavpur University

Understanding the Internet of Things and its Application

By Indrajit Banerjee, Associate Professor, Department of Information Technology
IEST Shibpur

Building IoT Solutions: A Hands-On Journey from Sensor Nodes to the IoT Cloud

By Soumyadeep Sur, Research Scholar, Department of Computer Science & Engineering
Jadavpur University

Speakers

Sarbani Roy

Sarbani Roy is a Professor in the Department of Computer Science and Engineering, Jadavpur University, Kolkata. She obtained her M.Tech in Computer Science and Engineering from University of Calcutta, India in 2002. She received her Ph.D. degree in Engineering from Jadavpur University, Kolkata, India in 2008. She was awarded Fulbright-Nehru Senior Research fellowship in 2013-2014 and joined the research program at University of North Carolina, Charlotte, USA. Her research interests include AI for Social Good, IoT-Cloud, Social Network Analysis, Geoinformatics and Data Science. She has published SCI/SCIE journals including IEEE and ACM Transactions, Scientific Reports Nature and conferences, several of which are in reputed international venues. She has co-authored one book, Building Wireless Sensor Networks: Theoretical and Practical Perspectives (CRC Press). She has received project grants from DSTNGP, Govt. of India and DSTBT, Govt. of West Bengal. She has been involved in technical program committees, organizing committees for many international conferences. She is a senior member of IEEE, Chairperson of IEEE Computer Chapter, Kolkata Section and member of ACM.

Nandini Mukherjee

Nandini Mukherjee is a Professor and currently the head of the Department of Computer Science and Engineering, Jadavpur University, Kolkata. She is an academician as well as a scientist. She earned her Bachelor of Engineering Degree from the Department of Computer Science and Technology of Bengal Engineering College under Calcutta University, Shibpur in 1987 and obtained her Master of Engineering degree from the Department of Computer Science and Engineering, Jadavpur University, in 1991. Prof. Mukherjee began teaching in the Computer Science and Engineering Department at Jadavpur University in 1992. In 1996 she was awarded the prestigious Commonwealth scholarship for her PhD at the University of Manchester, in the UK. As of 2016 she was also the Director of the University's School of Mobile Computing.

She has more than 30 yrs of teaching experiences and during this long period she has supervised many PhD students. Her research fields include Parallel Computing, Grid Computing, Wireless Sensor Networks (WSN), IoT and sensor cloud. She has published more than 250 research articles in SCI/SCIE journals including IEEE and ACM Transactions, and conferences, several of which are in reputed international venues. She has co-authored one book, entitled Building Wireless Sensor Networks: Theoretical and Practical Perspectives (CRC Press). She has supervised research projects funded by different agencies of the Government of India. Prof. Mukherjee leads a collaborative research project to investigate the application of mobile computing and wireless sensor networks to Indian rural health systems.

Other than being an academician and a scientist, she is involved in several social activities. Prof. Mukherjee became the State Secretary of the Free Software Mancha of West Bengal. She is the Joint Secretary of the Jadavpur University Teachers' Association (JUTA) and an active member of the West Bengal College and University Teachers' Association (WBCUTA).

Indrajit Banerjee

Dr Indrajit Banerjee is currently an Associate Professor in the Department of Information technology at Indian Institute of Engineering Science and Technology , Shibpur. Dr. Banerjee obtained his PhD from the Bengal Engineering and Science University, Shibpur in 2014. He received the Chester Sall Award from IEEE Transactions on Consumer Electronics, the USA, in 2016 and 2022 and received several best paper awards. His research interest include IoT, WSN, Cloud Computing and Security. Under his guidance, several students have completed their PhD. Dr Banerjee has conducted numerous research projects sponsored by MOIL India, DST India, WB DHESTB, AICTE, UGC, to name a few. He is the reviewer of various International Journals including IEEE Transactions on Vehicular Technology, IEEE Internet of Things Journal, Computer communication Elsevier, AdHoc Network Journals, among many others. He has patents on different IoT devices and has several copyrights on related software.

Soumyadeep Sur

Soumyadeep Sur is currently a research scholar at Jadavpur University. Apart from being a researcher he is also an IoT developer. Mr. Sur holds a BSc(H) in Computer Science from Surendranath College, and a M.Sc and M.Tech in Computer Science from the Department of Computer Science and Engineering, University of Calcutta. His passion for IoT has led him to explore a range of topics, from sensor device prototyping to wireless communication and IoT cloud. Mr. Sur has keen interest in finding new and innovative ways to leverage the power of IoT to solve real-world problems. Mr. Sur has also completed a certification program in "Open Hardware Based Communicable Digital Bio Sensing Platform" organized by the University of Calcutta and IIM Kolkata, in the year 2018 which helped him to develop a deep understanding of the technical aspects of building IoT devices.

One Day Workshop on Recent Trends in IoT and its Applications

20th February, 2023

The workshop intends to enhance the knowledge & skills of students and researchers in the area of IoT and its applications. In recent times, Internet of Things (IoT) has emerged as a popular and efficient technology with the rapid advancement in wireless communications and digital electronics technology. Internet of Things technologies allows communication with the analog world around us (that includes machines, people, animals, plants, things) in a digital way. This workshop will help participants to enhance their understanding over this concept and enlighten the scope of work on this field.

This workshop is intended for research scholars and UG/PG students.

Chief Patron
Prof. Sk Abu Taher Kamruddin
Hon'ble Vice Chancellor,
Aliah University

Patron
Dr. Syed Nurus Salam
Registrar, Aliah University

Chief Guest
Prof. Babulal Seal
Dean, Faculty of Science and Technology

Institute of Engineering Science and
Technology, Shibpur

4. Soumyadeep Sur
Research Scholar, Department of
Computer Science & Engineering,
Jadavpur University, Kolkata

Important Dates

Last date for receiving complete application
form: February 16, 2023 till 5 pm.

Registration Information

To complete the registration process follow the link below :
Registration Link - <https://forms.gle/zW5FNQxqNtZBicK7>

Selection will be done based on First-cum-First served
basis.

Maximum number of participants: 75

REGISTRATION FEES (to be paid online)
(INCLUSIVE OF REGISTRATION KIT, WORKING LUNCH AND
HIGH TEA)

Student / Research Scholar: Rs. 100/-

Certificates will be provided to the registered participants
after successful completion of the programme.

Dear All,
 Greetings of the Day!!!

All the 2nd, 3rd & 4th Year B.Tech, MBA, MCA & MSC students of Aliah University are asked to remain present in
 University Seminar Hall on 14th September 2017 at 11 am onwards for "Video Presentation" in view of **Indian Navy,
 Army & Air force** recruitment process

Feel free to contact with placement cell for any assistance. We appreciate your support in making the event A
GRAND SUCCESS.

Thank you.

A two-day technical workshop on Storage and Office management using Google Cloud Platform (GCP)

20-21 March 2021

Organized by
Department of Computer Science and Engineering

The Department of Computer Science and Engineering organized a two-day technical workshop on “Storage and Office Management using Google Cloud Platform (GCP) Services” for the university's non-teaching and technical staff members on March 20th and 21st, 2021. Dr. Zeenat Rehena, Asst. Professor and Mr. Ahsan Mullick, Asst. Professor, Dept of CSE both are joint-coordinated of the program. The resource personnel were Prof. Jayanta Pal, HoD & Prof., Dept. of CSE, Narula Institute of Technology, Dr. Zeenat Rehena, Asst. Professor and Dr. Souvik Sengupta, Associate Professor, both from the Dept of CSE, Aliah University.

The program started on 20th March with an inaugural speech by the HVC, Registrar, Deans of the University, and the HOD of CSE. Then, in the technical session, Prof. Jayanta Pal explained lucidly the topic ‘Excelling yourself with MS Excel’ with the hands-on session. On day two, Dr. Rehena excelled in her delivery on the topic “Cloud Platforms in Industry” by explaining some use cases. In the second half, Dr. Sengupta elaborated on “Essentials Google Apps at Workspace” by showcasing some practical issues. Finally, the program ended with a vote of thanks from Dr. Abhishek Das, Associate Prof., Dept of CSE, Aliah University.

More than 50 participants attended the workshop. It was a good blend of interactive lectures and hands-on sessions, which the attendees thoroughly enjoyed. The program created a lot of enthusiasm and positive vibes among the participants.

National Service Scheme

Aliah University

IIA/27, New Town
Kolkata – 700 160

Report of NSS Activity, 2018-19

National Service Scheme

Introduction

National Service Scheme popularly known as NSS, the scheme was launched in Mahatma Gandhi Centenary year 1969 and aimed at developing student's personality through community service. The overall objective of National Service is educational. This objective is attained through the service to the community. The process of learning is not only a desirable supplement to the classroom education but develops in the student a sense of responsibility, tolerance and cooperation. The NSS plays a vital role in the development of the latent aspects of the student's personality. National Service Scheme (NSS) is a permanent youth Programme under the Ministry of Youth Affairs and Sports, Government of India and funded by Government of West Bengal and Government of India. Since 2012, the NSS unit has been functioning with full vigour and enthusiasm in Aliah University.

Objectives

The overall objective of NSS is Personality Development through community service.

The broad objectives of NSS are to:

- Understand the community in which they work
- Understand themselves in relation to their community
- Identify the needs and problems of the community and involve them in problem solving process.
- Develop among themselves a sense of social and civic responsibility
- Utilize their knowledge in finding practical solution to individual and community problems
- Develop competence required for group-living and sharing of responsibilities
- Gain skills in mobilizing community participation
- Acquire leadership qualities and democratic attitude
- Develop capacity to meet emergencies and natural disaster and
- Practice national integration and social harmony

MOTTO

The motto or watchword of the NSS is “**Not me but you**”. It underlines that the welfare of an individual is ultimately dependent on the welfare of society on the whole. This express the essence of democratic living and upholds the

need of selfless service and appreciation of the other man's point of view and also consideration for fellow human beings.

Unit Level Organisation

There are two NSS units in Aliah University. The NSS of this University involves active participation of the Hon'ble Vice-Chancellor, Registrar, Finance Officer, Controller of Examinations, Deputy Registrar, University advisory committee, the teachers, students, and other beneficiaries. The supervising officials of NSS units are:

Programme Coordinator: Dr. Md. Mustaqim, Assistant Professor and Head (Officiating), Department of Geography.

Programme Officers:

1. Dr. Nasim Ali Khan, Assistant Professor, Department of Electrical Engineering.
2. Dr. Md. Jahangir Alam, Assistant Professor, Department of Arabic.

Activities of NSS during 2018-19

The NSS unit of the university has done various social activities through different programs under Regular Activity. The following are the brief activities undertaken by the NSS Unit of this university:

CELEBRATION OF REPUBLIC DAY

- Republic Day (26th January, 2018) was celebrated in all the three campuses of the university by the NSS volunteers, students, faculties and administrative officers.

Participated in the “State Level Celebration of National Integration– 2018”

- NSS Volunteers and Programme Co-ordinator, NSS attended State Level Celebration of National Integration– 2018” on 16/02/2018 which was organised by the NSS Cell, the University of Burdwan, Bardhaman and also performed cultural activities.

NSS Volunteers and Programme Co-ordinator, NSS during State Level Celebration of National Integration– 2018 at Burdwan University

NSS Volunteers and Programme Co-ordinator, NSS during State Level Celebration of National Integration- 2018 at Burdwan University

WORLD ENVIRONMENT DAY CELEBRATION (5th June, 2018)

- World Environment Day was observed on 5th June, 2018 in the university campus. NSS volunteers, Programme Co-ordinator and Programme Officer were participated in the event. They delivered the message of global warming, green house effect, ozone depletion, soil, water and air pollution, etc. and its impact on human being.

INTERNATIONAL YOGA DAY (21st June, 2018)

- Aliah University and its NSS Cell organised yoga day to celebrate **INTERNATIONAL YOGA DAY** on 21st June, 2018 in the Park Circus Campus of Aliah University. As we know that yoga is a very good practice to keep physically fit, mentally healthy and spiritually awakened and to say no to ailments. Many teachers, students, volunteers, non-teaching staffs are participated in occasion.

Students, Volunteers performing Yoga during International Day of Yoga on 21st June, 2018

OBSERVATION OF SWACHHTA PAKHWARA

- The NSS Volunteers and Programme Officer, NSS on 14th August 2018 organised a programme for cleanness of the University Campus under SWACHHTA PAKHWADA-2018. The solid waste, unwanted weeds, plastic bags, bottles etc. were removed from the campus. The Programme Officer also motivated the Volunteers and students regarding cleanliness and making the campus clean and green.

A Volunteer is engaged to clean the road of University Campus

Volunteers are engaged to clean the University Campus

INDEPENDENCE DAY CELEBRATION

- The NSS Cell of Aliah University in collaboration with Cultural Committee of the university celebrated the Independence Day on 15th August, 2018 in the university campus. NSS volunteers, students, teaching and non-teaching staffs of the university were presented at the ceremony. Hon'ble Vice-Chancellor Prof. Mohammad Ali hoisted the National flag at New Town Campus, and delivered the Independence Day Message. Other administrative officers namely Registrar, Controller of Examinations, Finance Officer, Programme Co-ordinator, NSS, teachers, NSS volunteers, and students delivered the message of unity and development.

RELIEF COLLECTION FOR KERALA FLOODVICTIMS

- We all aware of the devastating floods that hit the state of Kerala in the month of August, 2018 and had caused immense damage to life and property. Thousands of people had been rendered homeless and many houses had been destroyed. Like various Government and Non-government Organisations, we, the NSS Unit of Aliah University were also involved for the help of flood victims. Our NSS volunteers had taken parts in many social activities.

NSS Unit of Aliah University had collected some relief fund from public and deposited the same in the bank account of Chief Minister Distress Relief Funds (CMDRF). For the collection of funds from the public places the devoted four days in Howrah and Sealdah stations.

NSS Volunteers and students are engaged to collect relief fund for Flood Victims of Kerala at Sealdah Railway Station

National Service Scheme

Introduction

National Service Scheme popularly known as NSS, the scheme was launched in Mahatma Gandhi Centenary year 1969 and aimed at developing student's personality through community service. The overall objective of National Service is educational. This objective is attained through the service to the community. The process of learning is not only a desirable supplement to the classroom education but develops in the student a sense of responsibility, tolerance and cooperation. The NSS plays a vital role in the development of the latent aspects of the student's personality. National Service Scheme (NSS) is a permanent youth Programme under the Ministry of Youth Affairs and Sports, Government of India and funded by Government of West Bengal and Government of India. Since 2012, the NSS unit has been functioning with full vigour and enthusiasm in Aliah University.

Objectives

The overall objective of NSS is Personality Development through community service.

The broad objectives of NSS are to:

- Understand the community in which they work
- Understand themselves in relation to their community
- Identify the needs and problems of the community and involve them in problem solving process.
- Develop among themselves a sense of social and civic responsibility
- Utilize their knowledge in finding practical solution to individual and community problems
- Develop competence required for group-living and sharing of responsibilities
- Gain skills in mobilizing community participation
- Acquire leadership qualities and democratic attitude
- Develop capacity to meet emergencies and natural disaster and
- Practice national integration and social harmony

MOTTO

The motto or watchword of the NSS is “**Not me but you**”. It underlines that the welfare of an individual is ultimately dependent on the welfare of society on the whole. This express the essence of democratic living and upholds the need of selfless service and appreciation of the other man’s point of view and also consideration for fellow human beings.

Unit Level Organisation

There are two NSS units in Aliah University. The NSS of this University involves active participation of the Hon’ble Vice-Chancellor, Registrar, Finance Officer, Controller of Examinations, Deputy Registrar, University advisory committee, the teachers, students, and other beneficiaries. The supervising officials of NSS units are:

Programme Coordinator: Dr. Md. Mustaquim, Assistant Professor and Head (Officiating), Department of Geography.

Programme Officers:

1. Dr. Nasim Ali Khan, Assistant Professor, Department of Electrical Engineering.
2. Dr. Md. Jahangir Alam, Assistant Professor, Department of Arabic.

Activities of NSS during 2019-20

The NSS unit of the university has done various social activities through different programs under Regular Activity. The following are the brief activities undertaken by the NSS Unit of this university:

OBSERVATION OF SWACH BHARAT ABHIYAN

- NSS volunteers of Aliah University, Kolkata observed Swach Bharat Abhiyan on 17th January, 2019 and during Swach Bharat Abhiyan clean the Park Circus Campus by the participants. The solid waste, unwanted weeds, plastic bags, bottles etc. were removed from the campus. The Programme Officer also motivated the Volunteers and students regarding cleanliness and making the campus clean and green.

PARTICIPATION IN GREEN MARATHON

- NSS Programme Officer, NSS Volunteers and students of Aliah University participated in Green Marathon organised by SBI on 24th February, 2019. The main objective of this programme is to create awareness among the people related green environment.

DISTRIBUTION OF FOOD KITS DURING COVID -19

- The NSS (National Service Scheme) team and students of Aliah University, Kolkata distributed around 400 food kits among needy and poor families in the selected areas (mainly rural areas) of the following districts during Covid-19 pandemic.

1. Rannuchak, Alipur- II GP, Kaliachak-I, Malda
2. Islampur, Jotekamal GP, Raghunathganj-II, Murshidabad
3. Debipur, Krishnagar - II, Nadia
4. Bira Mallick Para, Hibra -II, North 24 Paraganas
5. KhasKumra Khali, Taldi GP, Canning - I, South 24 Paraganas
6. Slum areas of Bankura Town, Bankura

Each food kit containing of rice, gram, pulses, potato, onion, mustard oil, puffed rice (Mori), salt etc. However in some areas it varies due to variation of people's demand.

The entire expenditures meet with the public-funding which is collected by our NSS Volunteers and contributed by NSS Programme Co-ordonators and NSS Programme Officers of Aliah University.

They distributed the kits at the door steps of the poor and needy families to keeping in mind the social distancing.

This initiative is motivated by Prof. Mahammad Ali (Hon'ble Vice-Chancellor), Prof. Amzed Hossein (Registrar (Officiating)), Dr. Sk. Ashfaq Ali (Dy. Registrar). Dr Nasim Ali Khan and Dr. Md. Jahangir Alam (Programme Officers, NSS) are also involved in the Kits distribution Programme.

আলিয়া বিশ্ববিদ্যালয়ের ত্রাণ বিলি

দিন দর্পণ, কলকাতা: আলিয়া বিশ্ববিদ্যালয়ের এনএসএস শাখার উদ্যোগে রাজ্যজুড়ে কয়েকটি জেলার বিভিন্ন গ্রামে গতকাল খাদ্য সামগ্রী বিতরণ করা হয়। তবে আলিয়া বিশ্ববিদ্যালয়ের ছাত্রছাত্রীরা দেশের যে কোন প্রান্তে বিপর্যয়, বন্যা ও মহামারী কবলিত গরিব মানুষের সেবায় বরাবর ঝাঁপিয়ে পড়েন। ২০১৭ সালে উত্তরবঙ্গের বন্যা কবলিত মানুষের পাশে বিশাল পরিমাণ ত্রাণ সামগ্রী বিতরণ করেছিলেন এবং কেরালার বন্যা পীড়িত মানুষের পাশে দাঁড়িয়ে ছিলেন এনএসএসের দায়িত্বপ্রাপ্ত কোর্ডিনেটর ও ভূগোল বিভাগের প্রাক্তন বিভাগীয় প্রধান ডঃ মুহাম্মদ মোস্তাকিমের নেতৃত্বে। বারবার মানবিক মুখ দেখে ছি বিশ্ববিদ্যালয়ের ছাত্রছাত্রীদের। সারা দেশজুড়ে লকডাউন ও বিশ্ববিদ্যালয় ছুটি। তার মধ্যেও সামাজিক দূরত্ব বজায় রেখে রাজ্যের

বিভিন্ন প্রান্তে স্বেচ্ছাসেবক দল নিজেদের জীবন বিপন্ন করে ত্রাণ সংগ্রহ করেছেন। বিশ্ববিদ্যালয়ের শিক্ষক ও ভারপ্রাপ্ত আধিকারিকদের উদ্যোগেই রাজ্যজুড়ে ত্রাণ বিতরণের উদ্যোগ গ্রহণ করেন। বিশ্ববিদ্যালয়ের উপাচার্য মুহাম্মদ আলি, রেজিস্ট্রার আমজেদ হোসেন, সহকারী রেজিস্ট্রার ডঃ শেখ আশরাফ আলির প্রচেষ্টায় রাজ্যজুড়ে ত্রাণ বিতরণ। বিশ্ববিদ্যালয়ের তরফে জানানো হয়, চারশো পরিবারকে তিনশো টাকা করে খাদ্য সামগ্রী তুলে দেওয়া হয়। খাদ্য সামগ্রী হিসাবে দেওয়া হয় চাল, আটা, ডাল, আলু, পেঁয়াজ, সরিষার তেল, মুড়ি, লবণ, সাবান প্রভৃতি। বিশ্ববিদ্যালয়ের পক্ষে অসহায় মানুষদের হাতে খাদ্য সামগ্রী তুলে দেন এনএসএস বিভাগের দায়িত্ব প্রাপ্ত ছাত্রছাত্রীরা। প্রধানত খাদ্য বিতরণ করা হয় বাঁকুড়া শহরের বস্তি অঞ্চলের গরিব মানুষদের মধ্যে এবং

মুর্শিদাবাদ জেলার রঘুনাথগঞ্জ থানার অন্তর্গত ইসলামপুর গ্রামে। খাদ্য সামগ্রী তুলে দেওয়া হয় মালদার কালিয়াচকের রানুচক ও আলিপুর সংলগ্ন এলাকায় এবং নদিয়ার কৃষ্ণনগরের দেবীপুর এলাকায়। এছাড়া উত্তর ২৪ পরগনার বীড়া, মল্লিকপাড়া ও হাবরা অঞ্চলে এবং দক্ষিণ ২৪ পরগনার ক্যানিংয়ে। বিশ্ববিদ্যালয়ের আরও দু'জন এনএসএস শাখার ভারপ্রাপ্ত অফিসার ডঃ নাসিম আলি এবং ডঃ জাহাঙ্গীর আলাম খাদ্যসামগ্রী বিতরণে যুক্ত ছিলেন। ডঃ মুস্তাকিম বলেন, দীর্ঘ লকডাউনে বহু মানুষের কোন রোজগার নেই। তাই তাদের মধ্যে খাদ্য সংকট দেখা দিয়েছে। এই সমস্যা গরিব মানুষের কথা চিন্তা করে বিশ্ববিদ্যালয়ের পক্ষ থেকে আমরা উদ্যোগ গ্রহণ করি এবং আমরা লাগাতার খাদ্য বিতরণের কাজ চালিয়ে যাব সাধ্যমত।

Cutting of Daily News Paper, Din Darpan, Kolkata edition dated 03.05.2020 in which they covered the news of Distribution of Food Kits among needy people during Covid – 19 pandemic

ত্রাণ দিল আলিয়া

কালিয়াচক, ৩ মে : রাজ্য জুড়ে কয়েকটি জেলার বিভিন্ন গ্রামে গত কয়েকদিন ধরে খাদ্য সামগ্রী বিলি করছে আলিয়া বিশ্ববিদ্যালয়ের এনএসএস শাখা। দেশজুড়ে লকডাউনের ফলে অনেক দুঃস্থ পরিবার অর্ধহারে দিন কাটাচ্ছেন। এরই মধ্যে সামাজিক দূরত্ব বজায় রেখে রাজ্যের বিভিন্ন প্রান্তে বিশ্ববিদ্যালয়ের স্বেচ্ছাসেবক দল ত্রাণ বিলি করছেন। বিশ্ববিদ্যালয় কর্তৃপক্ষ জানিয়েছেন, প্রায় চারশো পরিবারের হাতে চাল, আটা, ডাল, আলু, পিঁয়াজ, সরষের তেল, মুড়ি, লবণ ও সাবান তুলে দেওয়া হয়েছে। বিশ্ববিদ্যালয়ের পক্ষে মোহাম্মদ মোস্তাকিম বলেন, বাঁকুড়া শহরের বস্তি অঞ্চলে, মুর্শিদাবাদ জেলার রঘুনাথগঞ্জ থানার অন্তর্গত ইসলামপুর গ্রামে, মালদার কালিয়াচকের রানুচক ও আলিপুর গ্রামে এনএসএস শাখা ত্রাণ বিলি করেছে। এছাড়াও নদিয়ার দেবীপুরে, উত্তর ২৪ পরগনার বাঁড়া, মল্লিকপাড়া ও হাবরায় এবং দক্ষিণ ২৪ পরগনার ক্যানিংয়ে বিশ্ববিদ্যালয় খাবার বিলি করেছে।

Quiz Certificates:

Integrate and Encourage Yoga through Life E-Pledge on 21st June, 2023

On the occasion of the 7th International Day of Yoga, NSS volunteers of Aliah University (Unit-1) have taken the 'Integrate and Encourage Yoga through Life' e-pledge on 21st June, 2023.

Pledge Certificates:

YUVA SAMVAD @ 2047

ALIAH UNIVERSITY, KOLKATA
NATIONAL SERVICE SCHEME (N.S.S.)
CONCLAVE OF YUVA SAMVAD-INDIA@2047
Youth Speech & Poster Competition
ON 20th July 2023 at 10:30 AM ONWARDS
AT SEMINAR ROOM, MBA DEPT., LB-7, NEWTOWN CAMPUS, ALIAH UNIVERSITY
THEMES OF THE CONCLAVE:

a) Goal of Developed India	b) Remove Trace of Colonial Mindset
c) National Unity and Solidarity	d) Sense of Duty among citizens
e) Take pride in our heritage and legacy	

ORGANIZED BY:
NATIONAL SERVICE SCHEME, ALIAH UNIVERSITY, KOLKATA

The NSS Unit-1 of Aliah University hosted 'Yuva Samvad - India @2047' on 20th July 2023. This event is a part of the broader vision for the country, aimed at understanding the aspirations and desires of young

minds in shaping a new India by the year 2047, which also marks the centenary of India's independence.

The five focal points of Yuva Samvad (Panch Pran) include: Goals of a developed India, Eradication of any remnants of slavery or a colonial mindset, Embracing our heritage and legacy with pride, Fostering unity and solidarity, and instilling a sense of duty among citizens.

A speech competition was held, wherein NSS volunteers and students delivered speeches on the theme 'India @2047,' expressing their opinions and aspirations regarding their envisioned India of 2047. The competition was won by Sohini Goswami, securing the first place, followed by Saima Amin and Aquib Hussain in the second and third places, respectively.

REPORT ON PROGRAMMES AND ACTIVITIES OF NSS CELL

Hon'ble Registrar Dr. Syed Nurus Salam, Dr. Drakshan Zarrin (Program Coordinator), Dr. Gholam Syedain Khan (Unit-1 Program Officer), Ms. Lipika Mondal (Unit-2 Program Officer), and Dr. Nasim Ali Khan, former NSS Programme Officer, attended the program, and urged the students to let go of past adversities and focus on a brighter, more prosperous future.

A total of 100 students, including NSS volunteers, participated in this program across our three campuses. The program was anchored by NSS Volunteers Shadan Akhtar and Aisha Hoda from the MBA department. The whole event was conducted under the supervision of Dr. Gholam Syedain Khan (NSS Unit-1 Program Officer).

SPEECH COMPETITION AT YUVA SAMVAD @ 2047

In the speech competition, there were 19 participants who took part from various departments of the University, including English, Economics, Urdu, Law, MBA, Electronics and Communication Engineering, Biological Sciences, and Nursing department. They delivered lectures in different languages, including Bengali, Hindi, English, and Urdu.

1st Position Holder in Speech Competition

Sohini Goswami, who secured the 1st position in the speech competition from the Department of Mathematics and Statistics, was awarded by Dr. Parveen Ahamed Alam (Professor, Department of Management and Business Administration).

2nd Position Holder in Speech Competition

Saima Amin, who secured the 2nd position in the speech competition from the Department of Law, was awarded by Dr. Parveen Ahamed Alam (Professor, Department of Management and Business Administration).

3rd Position Holder in Speech Competition

Aquib Hussain, who secured the 3rd position in the speech competition from the Department of Economics, was awarded by Dr. Parveen Ahamed Alam (Professor, Department of Management and Business Administration).

POSTER MAKING COMPETITION AT YUVA SAMVAD@2047

A poster-making competition was held in which NSS volunteers and students participated on the theme 'India@2047'. In this poster-making competition, a total of 16 students participated from various departments, including MBA, Journalism and Mass Communication, Nursing, Electrical Engineering, BCA, Chemistry, Biological Sciences, and Mechanical Engineering, under the supervision of Dr. Gholam Syedain Khan (NSS Unit-1 Program Officer).

1st Position Holder in Poster Making Competition

Sahina Parvin, who secured the 1st position in the Poster Making competition from the Department of Nursing, was awarded by Dr. Somnath Chatterjee (Assistant Professor, Department of Management and Business Administration).

REPORT ON PROGRAMMES AND ACTIVITIES OF NSS CELL

2nd Position Holder

Raisa Parvin, who secured the 2nd position in the Poster Making competition from the Department of Biological Sciences, was awarded by Dr. Somnath Chatterjee (Assistant Professor, Department of Management and Business Administration)

3rd Position Holder

Ashia Sultana, who secured the 3rd position in the Poster Making competition from the Department of Management and Business Administration, was awarded by Dr. Somnath Chatterjee (Assistant Professor, Department of Management and Business Administration).

MERI MATI MERA DESH (MMMD) PROGRAM DURING 13-15 AUGUST 2023

TREE PLANTATION PROGRAMME

A tree plantation program was organized by NSS Unit – 1 on August 13-14, 2023, at the Newtown campus of the University. A total of 19 NSS volunteers participated in this program. The entire program was coordinated by Dr. Gholam Syedain Khan (Unit-1 Programme Officer).

Tree plantation programme organized on 13-14th Aug 2023, co-ordinated by Dr. Gholam Syedain Khan, PO

Mitti Ko Naman

The NSS volunteers took a pledge while holding soil in their hands. Enthusiastically, the NSS volunteers of the University took selfies at the designated selfie point created by the NSS unit. The event was organized to express heartfelt gratitude to all the bravehearts of Indian soil who made supreme sacrifices for the nation. Most of NSS volunteers participated in this event, under the supervision of Dr. Gholam Syedain Khan (NSS Unit-1 Program Officer).

NSS volunteers undertook a pledge holding soil in their hands

WINTER DRESS DISTRIBUTION PROGRAM **from 26th December, 2023 to 04th January, 2024**

The National Service Scheme (NSS) volunteers of Aliah University successfully organized a Winter Dress Distribution Program, under the supervision of Dr. Gholam Syedain Khan (Unit-1 Programme Officer). A commendable initiative aimed at supporting those in need during the harsh winter season. The event served as a testament to the university's commitment to social responsibility and community welfare.

This initiative not only provided essential winter clothing to those in need but also fostered a sense of community and solidarity among the Aliah University family. The Winter Dress Distribution Program stands as a shining example of how educational institutions can contribute meaningfully to society, instilling values of empathy and social responsibility in the hearts of the students.

WINTER DRESS

DISTRIBUTION PROGRAM

“Every charitable act is a stepping stone toward heaven.”

Dress Collection at Amenity Center of Aliah University from 26th December, 2023 to 3rd January, 2024

In the weeks leading up to the program, the NSS volunteers actively engaged in collecting winter clothing from 26th December 2023 to 3rd January 2024. The Amenity Center of Aliah University served as a dedicated collection point, where students, faculty members and all other staffs enthusiastically contributed warm clothing items. The response from the university community was overwhelming, reflecting a spirit of generosity and compassion.

REPORT ON PROGRAMMES AND ACTIVITIES OF NSS CELL

On the last day of dress collection, NSS volunteers sorted and packaged the collected clothes based on age, gender, and size on 03/01/2024 at the Amenity Center of Aliah University.

Dress Distribution Programme on 4th January, 2024

The distribution program itself was a well-coordinated effort, ensuring that the collected winter clothes reached the intended beneficiaries. The NSS volunteers, adorned in their distinctive uniforms, played a pivotal role in organizing the event and ensuring a smooth distribution process. Beneficiaries, including individuals from economically disadvantaged backgrounds, expressed their gratitude for the warmth and care extended to them during the chilly winter days.

Food Distribution Programme

The NSS volunteers of Aliah University collaborated with 'Hat Baralei Bondhu NGO' to distribute food to needy families today at KC Block, Sector IV, Bidhannagar, Kolkata, under the supervision of PO Dr. Gholam Syedain Khan, Assistant Professor of the MBA Department.

MENTAL HEALTH AWARENESS CUM INDUCTION PROGRAMME

The National Service Scheme (NSS) volunteers of NSS Unit-2 Aliah University successfully organized a Mental Health Awareness Programme on 16th January 2024, under the supervision of Dr. Drakhshan Zarrin (Programme Coordinator) and Ms. Lipika Mondal (Unit-2 Programme Officer). A commendable programme aimed at spreading awareness and supporting those in need of mental peace in today's stressful society especially among students. The event served as a testament to the university's commitment to social responsibility and community welfare.

This initiative not only provided awareness about mental health and how to cope up with it to those in need but also fostered a sense of community and solidarity among the Aliah University family. This programme stands as a shining example of how educational institutions can contribute meaningfully to society, instilling values of empathy and social responsibility in the hearts of the students.
