Date: 30th November, 2022

Dear Akbar Ali (Application No: 222PP101483),

Congratulations on your selection to the Ph.D programme at IIT Gandhinagar! You are about to join a dynamic institution that is committed to innovation and excellence in education. We take tremendous pride in our novel approach to academics and our futuristic outlook, and look forward to having you join us soon in this exciting endeavour. Our vision and mission statements are enclosed. Your tentative supervisor is Prof. Shanmuganathan Raman. You may contact your tentative supervisor via email at shanmuga@iitgn.ac.in to get more information about your proposed research work.

You have been selected for admission in the discipline of Computer Science & Engineering under the Visvesvaraya PhD Scheme. The general terms and conditions of your admission are also enclosed (Enclosure 1), along with details on fee payment (Enclosure 2). Kindly note the deadline for fee payment carefully.

As an institution, we are committed to adopting the best standards and practices in education. We therefore take an uncompromising position on ethical conduct and human values. We believe in equal opportunities for all and are committed to a policy of non-discrimination against any individual based on his/her ethnicity, caste, religion, gender or socio-economic status. We also have a "zero tolerance" policy towards ragging, harassment and bullying of any sort (Enclosure 3). You are also required to submit a signed statement on good conduct and academic honesty (Enclosure 4).

Students will be provided with hostel accommodation and access to other facilities of the Institute on their arrival (Enclosure 5). Hostel rooms may have to be shared with other students. The Institute can currently accommodate only very limited guests of the students inside the campus. Students are not permitted to accommodate guests in their rooms. All guests are expected to make their own arrangements for guest accommodation outside the campus.

IIT Gandhinagar is a modern campus with a number of facilities available for our students. The list of campus facilities is available at <https://campus.iitgn.ac.in/facility/>. We are also a green campus, and all members of the community are encouraged to adopt sustainable use of all resources. In particular, we strongly encourage walking and bicycle use, and use of personal motor vehicles by the students inside the campus is not permitted.

You are required to arrive at the Institute campus by 5 PM on 18 December 2022. The joining and registration procedures have to be completed on 19 December 2022. You are required to attend the orientation programme, "Aarohan" details of which will be shared in due course. If you are unable to register on 19 December 2022, we will presume that you are not interested in admission to IIT Gandhinagar. At present there is no requirement of quarantine but you must be fully vaccinated before you arrive on campus. However, if the Institute quarantine norms changes in view of the evolving pandemic situation, a revised schedule of arrival on campus will be intimated in due time.

Please do not hesitate to contact the Academic Office if there are any questions. We look forward to personally welcoming you at IIT Gandhinagar soon.

With best wishes,

Nithin George
