Sub: Invitation to function as a Knowledge Partner for Spoken Tutorial IIT-Bombay

Dear Sir,

With reference to your email dated 16/10/2015, I would like to inform you that Aliah University would like to associate with IIT-Bombay, Mumbai to function as its "Spoken Tutorial Centre".

In this connection, I would like to draw your kind attention that Aliah University is a UGC & AICTE approved autonomous Institution under Government of West Bengal, which came into existence on 5th April, 2008 vide the West Bengal Act XXVII of 2007 to promote higher education especially among the students belonging to the minority communities. The University has three academic campuses in Kolkata and offers 36 different academic programmes under 22 different Departments. The courses on Natural Sciences, Engineering and Management are conducted at the New Town Campus whereas courses on Humanities, Social Sciences, Languages, Law, Journalism and Mass Communication are conducted at Park Circus Campus. Similarly, the courses on Religious Studies (Islamic Theology) and Bachelor of Education are conducted at 21 Haji Md. Mohsin Square Campus. All the academic programmes are running under semester system with credit based grading system. Admission to all academic programmes is strictly through Aliah University Admission Test (AUAT) conducted by the University and three seats of each engineering branch are allotted to the meritorious students from WBJEE/JEE (Main).

The University decided to continue with the existing traditional theological courses, namely B.A. & M.A. in Islamic Theology along with courses on Science, Engineering, Languages, Education, Journalism and Law. Now, the University has initiated to create computer aided learning materials for the students to gain knowledge in their core domains and to improve the employability by exposing them to modern software tools, advanced technologies, etc.

Therefore, you are requested you to accord permission to Aliah University to function as a "Spoken Tutorial Knowledge Partner for IIT-Bombay".

I shall be grateful if you could kindly spare some time from your busy schedule and visit our University as per your convenience for this purpose.

With best regards,

Yours sincerely,

(A T. Khan)

Prof. Abu Taleb Khan
Vice-Chancellor
ALIAH UNIVERSITY
