Hostel Management Committee

Notification

Date: 29/11/2017

The guest boarders of the Girls' Hostel, who were provided temporary accommodation following their pleas, are hereby instructed to vacate their seats as the selected boarders have been allocated the same.

However, considering the ensuing semester examination the HMC, after a threadbare discussion in their 15th general meeting held on 28/11/2017, has agreed to accommodate the Guest Boarders in the Guest Rooms of the Girls' Hostel during the period of the said examination.

The decision has been intimated to the Warden and matrons of the Girls' Hostel and they were given the responsibility to make necessary arrangements to accommodate the changes. You are advised to co-operate with the Warden and the Matrons.
