Sub- Re-opening of the SVMCM portal for renewal application from 5th to 13th June, 2018.

Sir,

This is to inform you that some students of your institution have got their previous year SVMCM scholarship from Higher Education department as late as March and April of 2018. As such, because of undue delay in receipt of scholarship they could not apply under renewal category in our portal. Now, they have been visiting this office with the request for allowing them to apply under renewal category.

In view of the above circumstance, in consideration of their plea this office has decided to re-open the SVMCM portal for renewal application only from 5th June, 2018 to 13th June, 2018. It may also be mentioned here that all such renewal applications may kindly be verified from your University login positively by 18th June, 2018.

Therefore, you are requested to circulate this notice among eligible students of your University (All Campus) so that all eligible candidates under renewal category only may apply within the stipulated time.

Thanking you.

Yours faithfully,

Managing Director
