Notice from Internshala

Dear Students,

Internshala - India's largest internship platform has launched the final edition of '**Internships for 1st Year Students**'.

1st-year students who would like to earn a healthy stipend of up to Rs. 20,000 will only have 24 hours to apply to these promising and easy to do work-from-home internships in profiles like Digital Marketing, Social Media Marketing, Content Writing, etc.

Steps to register and apply for internships -

- Visit internshala.com/i/first-year-internships and register yourself
- View the internships listed and submit your application

Deadline to register and apply is 28th June 2019. There are no registration charges involved.
